

September 25, 2015

Mr. Paul Flesher
Akron Public Schools
70 North Broadway
Akron, Ohio 44308

RE: **Margaret Park Elementary School**
Bid Award Recommendation
Bid Packages 13A Asbestos Hazard
Abatement & Related Work

Dear Mr. Flesher:

Eight (8) bids were received from eight (8) different contractors on September 23, 2015 for the Asbestos Hazard Abatement at Margaret Park Elementary School.

The overall total of the low bid is \$495,738.00.

After reviewing the bid results with the Commission, it is our recommendation to proceed with this project with the low bids as received.

Total Environmental Services, LLC has been determined to be the lowest responsible bidder who prepared a bid in conformance with the Contract Documents. Panzica Construction and Gandee & Associates have reviewed the information submitted with the Contractor's bid and conducted a meeting with the contractor to discuss their understanding of the project.

Panzica Construction along with Gandee & Associates, Inc, recommends accepting the bid from the following company for the Margaret Park Asbestos Hazard Abatement & Related Work as follows:

Base Bid 13A – Asbestos Hazard Abatement & Related Work

Total Environmental Services, LLC	Total Bid	<u>\$ 495,738.00</u>
