1. Please clarify what is meant by “Must be comprised of professional design services consulting firm(s) and NOT the lead firm “at the bottom of the table in page 4 of 4.
 - A. Item 3b on the Architect / Engineer Rating Form awards additional points to teams that include EDGE-certified Consultants as part of their team. Refer to the Professional Services Selection Rating Rubric on the OFCC web page (<http://ofcc.ohio.gov/Documents/StandardForms.aspx#128081-procurement>) for further clarification. This scoring category is in no way intended to discourage EDGE-certified firms to submit as the Primary Firm.
