

Addendum #01

Client	Cincinnati State Technical and Communication College	Date	3/20/18
Project	Energy Efficiency – Boiler Conversion		

This addendum provides information to clarify or adjust qualification items which may affect any or all engineering firms. The original documents for the referenced project are amended as noted in this addendum and made part of said documents and shall govern the work covered by the Request for Qualifications.

SUMMARY OF QUESTIONS AND RESPONSES

- Question: Do the engineers have 2 months to go through 4 design phases?
Response: The college is seeking an engineer to issue construction documents within 90 days from notice to proceed. The deliverables for each phase may be negotiable.
- Question: Does Cincinnati State have a preferred architect they use?
Response: The college does not have a preferred architect or engineer.
- Question: Have there been any date/time changes to the advertised bid date on 3/27/2018 at 2:00PM or pre-bid meeting?
Response: This is a request for qualifications only. No changes in dates nor times have been issued. Short listed firms should be prepared to attend interviews April 2nd, 2018. The interviews are scheduled to occur between 8:30a through noon.
- Question: Will you be keeping a list of companies that request the packet?
Response: This RFQ is available to download by any interested firm at ofcc.ohio.gov; the college maintains no listing of the companies that download the RFQ.
- Question: Is there any addendum issued?
Response: This is addendum #1 for this RFQ.
