Re: Bid Award Recommendation
Asbestos Hazard Abatement & Related Work
Colonel Crawford Intermediate School (Base Bid No. 3)
Colonel Crawford Local School District
G&A Project Number GA14-034

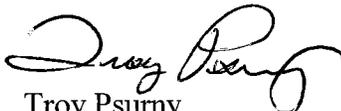

Dear Mr. Martin,

We have reviewed information available to us regarding Bidders for Asbestos Hazard Abatement & Related Work at Colonel Crawford Intermediate School (Base Bid No. 3), part of Colonel Crawford School District. As noted on attached Bid Tabulation Sheet provided by Bid Express, Environmental Demolition Group, LLC (EDG) is the apparent low Bidder for Base Bid No. 3 Work.

We conducted an interview with EDG to determine what, if anything, was overlooked in their Bid. Based on information available to us and findings of this interview, we recommend that EDG be awarded Work of this Project for Contract Sum of \$328,800. EDG has satisfactorily completed work on other projects we have designed and other OFCC projects.

Should you have any questions, please do not hesitate to contact us.

Sincerely,

Troy Psurny
Project Manager
