Below the menu, the page title is 'OAKS Capital Improvements (OAKS CI)'. A sub-header reads: 'OAKS Capital Improvements (OAKS CI) is a construction management system for State of Ohio-sponsored capital improvement projects.' The main content area is divided into three columns: 'Agency/Higher Ed', 'K-12 Cloud System', and 'K-12 Legacy System'. Each column contains buttons for 'User Login' and 'Training'. The 'Agency/Higher Ed' column has green buttons. The 'K-12 Cloud System' column has blue buttons. The 'K-12 Legacy System' column has light blue buttons.
