### Project Overview

#### A. Project Description

This project involves various upgrades and renovations to existing animal research facilities at the OARDC campus. The project includes renovations to multiple buildings at the Krauss Dairy, and within Food Animal Health Research Program (FAHRP). The work will consist of general improvements to Krauss Dairy structures used for animal housing and research. Work at the FAHRP buildings will include HVAC controls and exhaust upgrades, and may include general improvements to flooring, doors and plumbing. Items that may be included in the design scope include minor site grading and stone, concrete (repair, sealing and base installation), epoxy flooring, masonry and lintel repair, roofing, overhead doors, metal siding, electrical circuit additions, emergency power evaluation and modifications, exhaust fans, HEPA filtration, temperature control system improvements, plumbing fixture replacement and plumbing piping replacement. Work will occur in multiple buildings may occur along separate timelines.

The scope and extent of the project design will be developed in the Schematic Design phase. All of the potential items listed in the project description may not be possible within the project budget.

The project will likely be completed with a phased GMP process to accommodate the design and construction of multiple buildings.

#### B. Scope of Services

The selected Criteria Architect/Engineer, as a portion of its required Scope of Services and prior to submitting its proposals, will discuss and clarify with the Contracting Authority, the cost breakdown of the Architect/Engineer Agreement detailed cost components to address the Contracting Authority's project requirements. Participate in the Encouraging Growth, Diversity & Equity (EDGE) Program as required by statute and the Agreement.

As required by the Agreement, and as properly authorized, provide the following categories of services: Program Verification, Schematic Design, Design Development, Construction Document Preparation, Bid and Award Support, Conformed Documents, Construction Administration, Post-Construction, and Additional Services of all types.

Refer to the *OFC Manual* additional information about the type and extent of services required for each. A copy of the standard Agreement can be obtained at the OFCC website at <http://ofcc.ohio.gov>.

The selected Criteria Architect/Engineer will be required to sign the standard agreement. No modifications to the requirements in the agreement will be accepted.

During the construction period, provide not less than **1** hours (excluding travel time) on-site construction administration services each week, including (1) attendance at progress meetings, (2) a written field report of each site visit, (3) on-site representation comprised of the Criteria AE and its consultant staff involved in the primary design of the project, all having relevant and appropriate types of construction administration experience.

## Request for Qualifications (Criteria A/E) continued

---

Interested Criteria Architect/Engineer firms are required to submit the Commitment to Participate in the EDGE Business Assistance Program form in its Statement of Qualifications (Form F110-330) submitted in response to the RFQ, to indicate its intent to contract with and use EDGE-certified Business Enterprise(s), as a part of the Criteria Architect/Engineer's team. The Intent to Contract and to Perform and / or waiver request letter and Demonstration of Good Faith Effort form(s) with complete documentation must be attached to the Criteria Architect/Engineer's Technical Proposal. Both forms can be accessed via the OFCC website at <http://ofcc.ohio.gov>. The Intent to Contract and to Perform form is again required at the Fee Proposal stage.

For all Statements of Qualifications, please identify the EDGE-certified Business Enterprises, by name, which will participate in the delivery of the proposed professional services solicited in the RFQ.

### H. Submittal Instructions

Firms are required to submit the current version of Statement of Qualifications (Form F110-330) available via the OFCC website at <http://ofcc.ohio.gov>.

Paper copies of the Statement of Qualifications, if requested, should be stapled only. Do not use special bindings or coverings of any type. Cover letters and transmittals are not necessary.

Electronic submittals should be combined into one PDF file named with the project number listed on the RFQ and your firm's name. Use the "print" feature of Adobe Acrobat Professional or similar software for creating a PDF rather than using a scanner. If possible, please reduce the file size of the PDF. In Adobe Acrobat Professional, go to Advanced, then PDF Optimizer. Also, please label the CD and the CD cover with the project number and firm name.

Facsimile or e-mailed copies of the Statement of Qualifications will not be accepted.

Firms are requested to identify professional registrations, memberships and credentials including but not limited to: LEED GA, LEED AP, LEED AP+, CCCA, CCM, CCS, CDT, DBIA, and any other appropriate design and construction industry credentials. Identify that information on the resume page for individual in Block 22, Section E of the F110-330 form.
