### Project Overview

#### A. Project Description

Boyd Dining Hall, built in 1967, is the only dining hall on the West Green. The building is 112,506 gross square feet and is four floors above a parking garage. The upper three floors and a small area on the first floor are residential living areas. The majority of the first floor is the main student dining (seating for 450) and supporting kitchen service area. In addition, there is a Grab N Go venue off of the main student dining venue and a retail market.

This project will involve the programming, design and construction of a new student dining and market spaces. Culinary Services is in the process of elevating its self-operated, student residential dining experience through the incorporation of leading commercial and retail trends in its campus venue renovations. It is desired to create residential dining and retail spaces with influences from restaurant, fast-casual, quick-service production and fresh market trends.

Building organization (first floor), serving concepts, back-of-house kitchen support and interiors will be upgraded as well as equipment and furniture where needed. This renovation will achieve LEED Silver Certification.

The anticipated project delivery method for this project is General Contracting.

State Prevailing Wage requirements apply to this project.

#### B. Scope of Services

The Architect/ Engineer, as a portion of the required Scope of Services, and after the A/E is selected will submit qualifications for at least two Food Service Consultants. The Owner will then interview and select the Food Service consultant. The successful consultant will then be added to the A/E's contract.

The A/E will evaluate building systems, including MEP, chilled water service and metering and review upgrades based on University Standards.

The A/E will assist the Owner with a 9 month project warranty walk through inspection of the facility.

This project will be a LEED Silver Certified facility when completed, the Owner prefers the Design and Construction LEED submittal process.

For projects advertised with an appropriately developed Program of Requirements (POR), upon award of the Agreement, commence with Design. For projects without such a POR, upon award of the Agreement, commence by developing the Program of Requirements.

The selected Architect/Engineer (A/E), as a portion of its required Scope of Services and prior to submitting its proposals, will discuss and clarify with the Owner and/or the Contracting Authority, the cost breakdown of the Architect/Engineer Agreement detailed cost components to address the Owner's project requirements. Participate in the Encouraging Growth, Diversity & Equity (EDGE) Program as required by statute and the Agreement.

As required by the Agreement, and as properly authorized, provide the following categories of services: Program Verification, Schematic Design, Design Development, Construction Document Preparation, Bid and Award Support, Conformed Documents, Construction Administration, Post-Construction, and Additional Services of all types.

### G. Evaluation Criteria for Selection

- Demonstrated ability to meet Owner's programmed project vision, scope, budget, and schedule on previous projects.
- Previous experience compatible with the proposed project (e.g., type, size).
- Relevant past work of prospective firm's proposed consultants.
- Past performance of prospective firm and its proposed consultants.
- Qualifications and experience of individuals directly involved with the project.
- Proposer's previous experience (numbers of projects, sizes of projects) when working with its proposed consultants.
- Specification writing credentials and experience.
- Experience and capabilities of creating or using Critical Path Method (CPM) schedules and of using CPM schedules as a project management resource.
- Approach to and success of using partnering and Alternative Dispute Resolution.
- Proximity of prospective firms to the project site.
- Proposer's apparent resources and capacity to meet the needs of this project.
- The selected A/E and all its consultants must have the capability to use the Internet within their normal business location(s) during normal business hours.

Interested A/E firms are required to submit the Commitment to Participate in the EDGE Business Assistance Program form in its Statement of Qualifications (Form F110-330) submitted in response to the RFQ, to indicate its intent to contract with and use EDGE-certified Business Enterprise(s), as a part of the A/E's team. The Intent to Contract and to Perform and / or waiver request letter and Demonstration of Good Faith Effort form(s) with complete documentation must be attached to the A/E's Technical Proposal. Both forms can be accessed via the OFCC website at <http://ofcc.ohio.gov>. The Intent to Contract and to Perform form is again required at the Fee Proposal stage.

For all Statements of Qualifications, please identify the EDGE-certified Business Enterprises, by name, which will participate in the delivery of the proposed professional services solicited in the RFQ.

### H. Submittal Instructions

Firms are required to submit the current version of Statement of Qualifications (Form F110-330) available via the OFCC website at <http://ofcc.ohio.gov>.

Paper copies of the Statement of Qualifications, if requested, should be stapled only. Do not use special bindings or coverings of any type. Cover letters and transmittals are not necessary.

Electronic submittals should be combined into one PDF file named with the project number listed on the RFQ and your firm's name. Use the "print" feature of Adobe Acrobat Professional or similar software for creating a PDF rather than using a scanner. If possible, please reduce the file size of the PDF. In Adobe Acrobat Professional, go to Advanced, then PDF Optimizer. Also, please label the CD and the CD cover with the project number and firm name.

Facsimile or e-mailed copies of the Statement of Qualifications will not be accepted.

Submit all questions regarding this RFQ in writing to Lynnette Clouse at [clouse@ohio.edu](mailto:clouse@ohio.edu) with the project number included in the subject line (no phone calls please). Questions will be answered and posted to the OAKS Capital Improvements (OAKS CI) website at <http://ci.oaks.ohio.gov> on a regular basis until one week before the response deadline. The name of the party submitting a question will not be included on the Q&A document.
