Below are the questions that have been received to date for the RFQ of the above-referenced project:

1. What is the anticipated time for the selection of the Architect of Record? Does the timeline allow our team to submit for both Criteria and Architect of Record? We anticipate that we can only fill one role.
  - A. The DB RFQ will go out the end of July 2014 and the C-A/E will be selected the end of June 2014.
2. In the Scope of services section, there is a description notes that some of the projects may have a POR and some may require that one be established. It appears that a POR will be required for the development and construction of the two buildings (maybe more) and the 144 sleeping rooms outlined in the RFQ. Please confirm.
  - A. The POR will be provided by the owner and vetted by the C-A/E.
