Project Overview

A. Project Description

This project includes repair and renovation of the exterior envelope of Enarson Hall, now known as Hale Hall, located at 154 West 12th Avenue, Columbus Ohio, on Ohio State University's main campus. The project will provide roof repair/replacement as necessary, concrete waterproofing above and below foundation grade, replacement of all copper downspouts and gutters, masonry tuck-pointing, exterior stucco repair, and repair/replace all exterior metal work. The building is listed on the National Historic Register.

This project will utilize the Design-Build project delivery method

State Prevailing Wage requirements apply to this project.

All aspects of the project and related issues will be implemented and operated consistent with the Contracting Authority and/or Owner's policies and procedures.

B. Scope of Services

The Criteria A/E's services will include preparing conceptual plans and specifications to assist the Owner in connection with the establishment of the design criteria for the Project. A copy of a study that was done in early 2007, covering the building's exterior needs will be shared with the short-listed firms. The Criteria A/E's services may also include serving as a representative of the Owner and providing other project-related design and construction administration services on behalf of the Owner, including but not limited to, confirming that the design prepared by the design-build firm reflects the original design intent established in the design criteria package.

The Criteria A/E's services will be set forth in more detail in the Criteria A/E's contract with the Owner.

For purposes of completing the Relevant Project Experience Matrix in Section F of the Statement of Qualifications (Form F110-330), below is a list of relevant scope of work requirements for this RFQ. Projects should represent the work of the primary firm, not consultants.

1. State of Ohio, Construction Reform Design/Build Experience
2. Experience with historical building structures
3. Exterior envelope restoration/preservation
4. Similar State of Ohio public works projects

H. Submittal Instructions

Firms are required to submit the current version of Statement of Qualifications (Form F110-330) available via the OFCC website at <http://ofcc.ohio.gov>.

Paper copies of the Statement of Qualifications, if requested, should be stapled only. Do not use special bindings or coverings of any type. Cover letters and transmittals are not necessary.

Electronic submittals should be combined into one PDF file named with the project number listed on the RFQ and your firm's name. Use the "print" feature of Adobe Acrobat Professional or similar software for creating a PDF rather than using a scanner. If possible, please reduce the file size of the PDF. In Adobe Acrobat Professional, go to Advanced, then PDF Optimizer. Also, please label the CD and the CD cover with the project number and firm name.

Facsimile or e-mailed copies of the Statement of Qualifications will not be accepted.

Submit all questions regarding this RFQ in writing to Cihangir Calis at calis.1@osu.edu with the project number included in the subject line (no phone calls please). Questions will be answered and posted to the OAKS Capital Improvements (OAKS CI) website at <http://ci.oaks.ohio.gov> on a regular basis until one week before the response deadline. The name of the party submitting a question will not be included on the Q&A document
