Below are the questions that have been received to date for the RFQ of the above-referenced project:

1. Will there be an environmental assessment performed on the Shriver Center and if abatement is necessary, will it become part of the CM's contract or will it bid under a separate RFP.
 - A. Environmental services and abatement will be provided under the CM.
2. Are you requiring the new 330 form released on July 15th for this submission or will the previous version be acceptable?
 - A. Either the current or previous version of the 330 is acceptable.
3. Please clarify whether or not the project will pursue LEED certification.
 - A. The decision to pursue LEED has not been made. CM firms will be assessed using the standard rating form, which includes criteria related to LEED.
