### Project Overview

#### A. Project Description

Miami University plans to remodel the existing Culinary Support Center Building located at 426 Wells Mill Drive, Oxford, in the commercial area just west of the Miami University campus. The existing building currently contains a credit union, offices and meeting spaces for campus Culinary Services Department and the Demske Print Center, graphics shop. The result of the remodeling will be a facility with three major functions: 1. a credit union of reduced size, 2. a training facility with offices for the Burkhouse Center administration & staff and 3. a remodeled space for the Demske Print Center and Vending Offices.

Work will include:

- Major interior renovation
- Demolition of interior spaces: floors, walls, ceilings built-in casework, plumbing/gas piping, electric, technical services, voice & data and HVAC equipment and systems
- Reduce the size of the Credit Union. Allow space for drive-through staffing; no public walk-in services. Provide temporary barricades and services so the credit union may continue its daily drive-through business operations while the renovation is being performed. Relocate existing security cameras
- Remodel and expand the existing Graphic Arts Shop.
- Develop spaces for the Burkhouse staff responsible for training of University personnel. Include:
  - Administration areas
  - Offices
  - Cafe for employees
  - Support areas: office supplies and copy machine areas, classrooms, Kitchenette toilet rooms, storage areas
  - Rework a partial second floor storage area
- Provide new finishes for both the new areas created and the existing adjacent spaces: ACT ceilings; painted walls; VCT, linoleum, carpet and ceramic tile flooring.
- Provide new doors, frames & hardware
- Provide casework, countertops & millwork
- Provide toilet rooms, partitions & accessories
- Provide supplemental plumbing, electric, technical services, voice & data and HVAC equipment and systems required by the proposed renovation.

#### B. Scope of Services

- Program Development: The A/E shall first work with the Owner's user groups to develop a Program of Requirements. With this POR as a basis of design we expect to see program verification and sign-off from the user groups while developing schematics; Schematic Design documents for review and sign-off; Design Development documents for review and sign-off and then; Construction documents for review sign-off and bidding. The A/E shall be the Lead in coordinating all information transfers between the Owner and the design professionals performing required. engineering services. Refer also to the list of categories of service called out later in this section.

## Request for Qualifications (Architect / Engineer) continued

The selected Architect/Engineer (A/E), as a portion of its required Scope of Services and prior to submitting its proposals, will discuss and clarify with the Owner and/or the Contracting Authority, the cost breakdown of the Architect/Engineer Agreement detailed cost components to address the Owner's project requirements. Participate in the Encouraging Growth, Diversity & Equity (EDGE) Program as required by statute and the Agreement.

As required by the Agreement, and as properly authorized, provide the following categories of services: Program Development and Verification, Schematic Design, Design Development, Construction Document Preparation, Bid and Award Support, Conformed Documents, Construction Administration, Post-Construction, and Additional Services of all types.

Refer to the *OFC Manual* for additional information about the type and extent of services required for each. A copy of the standard Agreement can be obtained at the OFCC website at <http://ofcc.ohio.gov>.

During the construction period, provide not less than 6 hours (excluding travel time) on-site construction administration services each week, including (1) attendance at progress meetings, (2) a written field report of each site visit, (3) on-site representation comprised of the A/E and its consultant staff involved in the primary design of the project, all having relevant and appropriate types of construction administration experience.

For purposes of completing the Relevant Project Experience Matrix in Section F of the Statement of Qualifications (Form F110-330), below is a list of relevant scope of work requirements for this RFQ:

1. Architectural – Past experience on renovation projects for the State of Ohio Institutions including design, contract administration and close-out
2. Structural Engineering – Past similar experiences in collaboration with the Architect
3. Plumbing Engineering – Previous projects performed with the Architect as lead
4. HVAC Engineering – Previous projects performed with the Architect as lead
5. Electrical Engineering – Previous projects performed with the Architect as lead
6. IT Technical Services: Voice & Data Engineering – Previous projects performed with the Architect as lead

### C. Funding / Estimated Budget

Total Project Cost	<u>\$937,350</u>	State Funding	<u>\$0</u>
Construction Cost	<u>\$725,000</u>	Other Funding	<u>\$937,350</u>
Estimated A/E Fee	<u>7.0% to 8.0%</u>		

NOTE: The A/E fee percentage for this project includes all professional design services, and consultant services necessary for proper completion of the Basic Services for the successful completion of the project, including but not limited to: review and verification of the Program of Requirements provided by the Owner, validation of existing site conditions (but not subsurface or hidden conditions), preparation of cost estimates and design schedules for the project. Fees may be negotiated and allocated for Additional Services (e.g., creation of a Program of Requirements, extensive evaluation or validation of site conditions, extensive pre-design investigations, code-required special inspection and testing, Quality Assurance testing during the construction period, and testing due to unforeseen conditions).

### G. Evaluation Criteria for Selection

- Demonstrated ability to meet the University's programmed project vision, scope, budget, and schedule on previous projects.
- Previous experience compatible with the proposed project (e.g., type, size).
- Relevant past work of prospective firm's proposed consultants.
- Past performance of prospective firm and its proposed consultants.
- Qualifications and experience of individuals directly involved with the project.
- Proposer's previous experience (numbers of projects, sizes of projects) when working with its proposed consultants.
- Specification writing credentials and experience.
- Experience and capabilities of creating or using Critical Path Method (CPM) schedules and of using CPM schedules as a project management resource.
- Approach to and success of using partnering and Alternative Dispute Resolution.
- Proximity of prospective firms to the project site.
- Proposer's apparent resources and capacity to meet the needs of this project.
- The selected A/E and all its consultants must have the capability to use the Internet within their normal business location(s) during normal business hours.

Interested A/E firms are required to submit the Commitment to Participate in the EDGE Business Assistance Program form in its Statement of Qualifications (Form F110-330) submitted in response to the RFQ, to indicate its intent to contract with and use EDGE-certified Business Enterprise(s), as a part of the A/E's team. The Intent to Contract and to Perform and / or waiver request letter and Demonstration of Good Faith Effort form(s) with complete documentation must be attached to the A/E's Technical Proposal. Both forms can be accessed via the OFCC website at <http://ofcc.ohio.gov>. The Intent to Contract and to Perform form is again required at the Fee Proposal stage.

For all Statements of Qualifications, please identify the EDGE-certified Business Enterprises, by name, which will participate in the delivery of the proposed professional services solicited in the RFQ.

### H. Submittal Instructions

Firms are required to submit the current version of Statement of Qualifications (Form F110-330) available via the OFCC website at <http://ofcc.ohio.gov>.

Paper copies of the Statement of Qualifications, if requested, should be stapled only. Do not use special bindings or coverings of any type. Cover letters and transmittals are not necessary.

Electronic submittals should be combined into one PDF file named with the project number listed on the RFQ and your firm's name. Use the "print" feature of Adobe Acrobat Professional or similar software for creating a PDF rather than using a scanner. If possible, please reduce the file size of the PDF. In Adobe Acrobat Professional, go to Advanced, then PDF Optimizer. Also, please label the CD and the CD cover with the project number and firm name.

Facsimile or e-mailed copies of the Statement of Qualifications will not be accepted.

Firms are requested to identify professional registrations, memberships and credentials including but not limited to: LEED GA, LEED AP, LEED AP+, CCCA, CCM, CCS, CDT, DBIA, CPE, and any other appropriate design and construction industry credentials. Identify that information on the resume page for individual in Block 22, Section E of the F110-330 form.

LEED Credentials: Leadership in Energy & Environmental Design (Green Building Certification Institute)

GA: Green Associate  
AP: LEED AP (Legacy LEED Accredited Professional without specialty)
