### Project Overview

#### A. Project Description

The University of Toledo is soliciting qualifications for professional services for the renovation of the Kobacker Center located on the University's Health Science Campus to develop an In-patient Geriatric Psychiatric Unit. The Kobacker Center is a single-story, 41,000 GSF facility that was constructed in 1982. The area of renovation will be in the West wing of the facility which encompasses 14,000 GSF. The project will include the renovation of the existing classroom wing into a fully functional In-patient Geriatric Psychiatric Unit. The Unit will include a 19 beds, with both private and semi-private rooms. The new Psychiatric Unit is to contain all appropriate support spaces as required by code for this unit designation. During the renovations, the adjacent In-patient Adolescent Psychiatric Unit and Out-patient Psychiatric Clinic will be required to maintain its operation in an uninterrupted manner. The scope of this project may be expanded to include additional renovation/new construction at the Kobacker Center as a future phase.
