

# RFQ Question and Answer List

## State of Ohio Standard Forms and Documents

---

Project Name Culinary Center Rehab (Q&A #2) Project Number MUN-100045  
Project Location Miami University, Oxford Campus

---

Date posted: August 11, 2014

Below are additional questions that have been received to date for the RFQ of the above-referenced project:

1. What existing condition information is currently available (electronic and hard copy) including Site, Civil, Survey, Architectural, MEP, etc.?
  - A. There are several sets of hard copy documents from various projects that have occurred in this building over the years. These documents shall be made available for the A/E team to use in designing the project.
2. Are there any known or visible hazardous materials at the site?
  - A. None have been noted.
3. Are surveys, Landscape Architecture, or Civil Engineering considered a part of "Services Required"?
  - A. All work shall consist of interior renovations.
4. Will the IT system for the renovation be an extension of an existing system or a new system?
  - A. Extend the existing system.
5. Will the security system design be a part of this package or a coordinated effort with an Owner's contractor?
  - A. The scope of the security system will be limited to revising the existing system.
6. Will there be fixed equipment, vaults, etc. provided by the Owner / installed by contractor?
  - A. There is an existing vault to remain. There will be casework included in this project, but no special Credit Union equipment.
