Project Overview

A. Project Description

1.1.1.1 The Supreme Court Building envelope needs examined (with production of a Critical Observation Report as required by the City of Columbus), and repaired as needed to provide a safe, watertight facility. The brass and/or bronze accents, exterior lighting and railings need to be included in the review of the shell for repair, cleaning and polishing. The Front Street sidewalk also needs replaced per a Court-approved design to provide adequate support for snow handling equipment and a safe walking surface.

There are concrete slabs and marble stairs serving the plazas on the north and south ends of the building. These, along with the marble walls and fixtures adjacent to the plazas and to the building, need to be examined and repaired and/or sealed for aesthetics, to prevent further deterioration, to obtain proper alignment for a safe walking surface, and to prevent the washing out of support material. In addition, the two fountains are experiencing deterioration. Provide a design to eliminate leaks and resurface the interior (and exterior as required) of the existing pools. The art installation in both pools will need to be a part of the solution and protected during the work.

The anticipated project delivery method for this project is General Contracting.

State Prevailing Wage requirements apply to this project.

B. Scope of Services

Upon award of the Agreement, the selected Architect/Engineer (A/E) will commence by generating the Critical Observation Report and developing the Program of Requirements.

The selected Architect/Engineer (A/E), as a portion of its required Scope of Services and prior to submitting its proposals, will discuss and clarify with the Owner and/or the Contracting Authority, the cost breakdown of the Architect/Engineer Agreement detailed cost components to address the Owner's project requirements. Participate in the Encouraging Growth, Diversity & Equity (EDGE) Program as required by statute and the Agreement.

As required by the Agreement, and as properly authorized, provide the following categories of services: Program Verification, Schematic Design, Design Development, Construction Document Preparation, Bid and Award Support, Conformed Documents, Construction Phase, Post-Construction Phase, and Extra Services and Additional Services of all types. In addition, inspection of the exterior of the building and follow-up Critical Observation Report for Owner's use as required by the City of Columbus Ordinance No. 1296-85 and Columbus Building Code Sections 4109.073, 4109.075, and 4109.077 is the priority service to be provided in this project.

Refer to the Ohio Facilities Construction Manual for additional information about the type and extent of services required for each. A copy of the standard Agreement can be obtained at the OFCC website at <http://ofcc.ohio.gov>.

During the construction period, provide not less than 8 hours (excluding travel time) on-site construction administration services each week, including (1) attendance at progress meetings, (2) a written field report of each site visit, (3) on-site representation comprised of the A/E and its consultant staff involved in

Request for Qualifications (Architect / Engineer) continued

The selected A/E and all its consultants must have the capability to use the Internet within their normal business location(s) during normal business hours.

Interested A/E firms are required to submit the Commitment to Participate in the EDGE Business Assistance Program form in its Statement of Qualifications (Form F110-330) submitted in response to the RFQ, to indicate its intent to contract with and use EDGE-certified Business Enterprise(s), as a part of the A/E's team. The Intent to Contract and to Perform and / or waiver request letter and Demonstration of Good Faith Effort form(s) with complete documentation must be attached to the A/E's Technical Proposal. Both forms can be accessed via the OFCC website at <http://ofcc.ohio.gov>. The Intent to Contract and to Perform form is again required at the Fee Proposal stage.

For all Statements of Qualifications, please identify the EDGE-certified Business Enterprises, by name, which will participate in the delivery of the proposed professional services solicited in the RFQ.

H. Submittal Instructions

Firms are required to submit the current version of Statement of Qualifications (Form F110-330) available via the OFCC website at <http://ofcc.ohio.gov>.

Paper copies of the Statement of Qualifications, if requested, should be stapled only. Do not use special bindings or coverings of any type. Cover letters and transmittals are not necessary.

Electronic submittals should be combined into one PDF file named with the project number listed on the RFQ and your firm's name. Use the "print" feature of Adobe Acrobat Professional or similar software for creating a PDF rather than using a scanner. If possible, please reduce the file size of the PDF. In Adobe Acrobat Professional, go to Advanced, then PDF Optimizer. Also, please label the CD and the CD cover with the project number and firm name. Facsimile or e-mailed copies of the Statement of Qualifications will not be accepted.

Submit all questions regarding this RFQ in writing to Christina Miller at christina.miller@ofcc.ohio.gov with the project number included in the subject line (no phone calls please). Questions will be answered and posted to the Opportunities page of the OFCC website at <http://ofcc.ohio.gov> on a regular basis until one week before the response deadline. The name of the party submitting a question will not be included on the Q&A document.
