Project Overview

A. Project Description

Qualifications are requested from professional design firms for Capital Improvement Projects for FY 2015 pursuant to Ohio Revised Code Sections 153.66, 153.67 and 153.68. The improvement projects will involve Architectural, Civil, Electrical, Landscape, Structural, Mechanical and Roofing disciplines. All projects may include or will consider ADA Improvements, Utility Upgrades, Exterior Lighting, Fire Alarm Improvements, Emergency Generator Installations, HVAC, High Voltage Distribution, Landscaping and Masonry Repairs for renovations at the main and/or regional campuses of Owens Community College. Any firm submitting qualifications may be considered for one or more of the Capital Improvement or Basic Renovations Projects at the discretion of the College.

B. Scope of Services

For each Capital Improvement Project, the College shall evaluate the submitted Statement of Qualifications (SOQ) of professional design firms on file pursuant to the advertisement. The College may hold discussions with the firms on file and then request the submission of statement of project specific qualifications. The design firm will then be selected in accordance with the provisions of Section 153.69 of the Ohio Revised Code. The selected Architect/Engineer (A/E), as a portion of its required Scope of Services and prior to submitting its proposals, will discuss and clarify with the College the cost breakdown of the Architect/Engineer Agreement detailed cost components to address the Owner's project requirements.

As required by the Agreement, and as properly authorized, provide the following categories of services: Program Verification, Schematic Design, Design Development, Construction Document Preparation, Bid and Award Support, Conformed Documents, Construction Administration, Post-Construction, and Additional Services of all types.

Refer to the *OFC Manual* for additional information about the type and extent of services required for each. A copy of the standard Agreement can be obtained at the OFCC website at <http://ofcc.ohio.gov>.

During the construction period, provide not less than 8 hours (excluding travel time) on-site construction administration services each week, including (1) attendance at progress meetings, (2) a written field report of each site visit, (3) on-site representation comprised of the A/E and its consultant staff involved in the primary design of the project, all having relevant and appropriate types of construction administration experience.

For purposes of completing the Relevant Project Experience Matrix in Section F of the Statement of Qualifications (Form F110-330), below is a list of relevant scope of work requirements for this RFQ:

1. Ohio Capital Improvement Projects
2. Higher Education Projects
3. Renovation of Occupied Buildings
4. Confined Campus Sites
5. Energy Efficient Designs
6. Project Continuity with Existing Master Plan
