

RFQ Question and Answer List

State of Ohio Standard Forms and Documents

Project Name Fayette Full Service Maint. Facility Project Number DOT-150002
Project Location Washington Court House/Fayette county

Date posted: December 8, 2014

Date revised:

Below are the questions that have been received to date for the RFQ of the above-referenced project:

1. In the services required it does not list structural engineer. Based on my past experience with PEMB on ODOT projects we had a structural engineer. Can you please confirm whether a structural engineer should be on the team?
 - A. Yes, a structural engineer will be needed. We expect the associate to provide Full A/E services including all needed consultants.
