Below are the questions that have been received to date for the RFQ of the above-referenced project:

1. "Are we permitted to hand-deliver our proposal hard copies and CD's to your office next Friday by 5:00 pm?"
  - A. Yes, hand delivered proposals are acceptable.
  
2. I think you may want to check the rankings on 1c as I believe the scoring may be reversed from your intent. Currently firms with LESS than 50 professionals are scored the highest (3) as opposed to firms that have over 150 professionals (currently ranked a 1). It seems that a project with this level of complexity, that the scoring would be reversed and favor large firms with adequate bench depth.
  - A. The score sheet has been updated and is currently available on ODNR's website.
