### Project Overview

#### A. Project Description

The project will demolish and replace the existing housing buildings at CJCF. The total scope of the project will provide (12) housing units of 12 sleeping rooms and programming space. Each of the 144 sleeping rooms will have showers, combo units (toilet/sink/drinking faucet), and fixed bed and locker space. Once the new space is occupied the older housing units will be demolished.

DYS is committed to ensuring a safe and secure environment for youthful offenders and correctional staff, with the established priorities in the areas of: (1) basic security, (2) improvements to the overall functional design, (3) upgrades that improve the supervision and programming of youth and (4) general improvements to the infrastructure to allow more effective rehabilitation of offenders within our care.

The new construction will provide the opportunity to securely meet the housing needs of youth while also supporting:

- Individual and group treatment
- Unit management
- Education and job skills training
- Recreation
- Volunteer and community services

The new housing units and support areas will maximize staff supervision, of and interaction with, youth. Direct supervision of youth, with living spaces easily monitored by staff, will achieve the highest safety possible. The housing-related activity spaces will be easily monitored by staff in various locations, with clear and direct physical connection between all spaces. Housing spaces will permit a range of smaller group activities so that youth may separate themselves from others (or be separated by staff), as necessary.

Although the conditions are different at each DYS facility, the overall project scope will remain consistent throughout the Agency, because the housing unit replacements are the most necessary step to eliminating the single greatest problem facing DYS with regards to physical plant needs. The housing unit replacement projects will provide DYS with the current best practices for youth.

#### B. Scope of Services

For projects advertised with an appropriately developed Program of Requirements (POR), upon award of the Agreement, commence with Design. For projects without such a POR, upon award of the Agreement, commence by developing the Program of Requirements.

The selected A/E, as a portion of its required Scope of Services and prior to submitting its proposals, will discuss and clarify with the Owner and/or the Contracting Authority, the cost breakdown of the Architect/Engineer Agreement detailed

- Demonstrated ability to meet Owner's programmed project vision, scope, budget, and schedule on previous projects.
- Previous experience compatible with the proposed project (e.g., type, size).
- Relevant past work of prospective firm's proposed consultants.
- Past performance of prospective firm and its proposed consultants.
- Qualifications and experience of individuals directly involved with the project.
- Proposer's previous experience (numbers of projects, sizes of projects) when working with its proposed consultants.
- Specification writing credentials and experience.
- Experience and capabilities of creating or using Critical Path Method (CPM) schedules and of using CPM schedules as a project management resource.
- Approach to and success of using partnering and Alternative Dispute Resolution.
- Proximity of prospective firms to the project site.
- Proposer's apparent resources and capacity to meet the needs of this project.
- The selected A/E and all its consultants must have the capability to use the Internet within their normal business location(s) during normal business hours.

Interested A/E firms are required to submit the Commitment to Participate in the EDGE Business Assistance Program form in its Statement of Qualifications (Form F110-330) submitted in response to the RFQ, to indicate its intent to contract with and use EDGE-certified Business Enterprise(s), as a part of the A/E's team. The Intent to Contract and to Perform and / or waiver request letter and Demonstration of Good Faith Effort form(s) with complete documentation must be attached to the A/E's Technical Proposal. Both forms can be accessed via the OFCC website at <http://ofcc.ohio.gov>. The Intent to Contract and to Perform form is again required at the Fee Proposal stage.

For all Statements of Qualifications, please identify the EDGE-certified Business Enterprises, by name, which will participate in the delivery of the proposed professional services solicited in the RFQ.

### H. Submittal Instructions

Firms are required to submit the current version of Statement of Qualifications (Form F110-330) available via the OFCC website at <http://ofcc.ohio.gov>.

Electronic submittals should be combined into one PDF file named with the project number listed on the RFQ and your firm's name. Use the "print" feature of Adobe Acrobat Professional or similar software for creating a PDF rather than using a scanner. If possible, please reduce the file size of the PDF. In Adobe Acrobat Professional, go to Advanced, then PDF Optimizer. Also, please insert the project number and firm name followed by "SOQ" in the e-mail subject line.

**Statements of Qualifications are to be submitted electronically by e-mail. Submittals are to be limited to a maximum of one e-mail with the total file size of 25 MB.**

Firms are requested to identify professional registrations, memberships and credentials including: LEED GA, LEED AP, LEED AP+, CCCA, CCM, CCS, CDT, CPE, DBIA, and any other appropriate design and construction industry credentials. Identify that information on the resume page for individual in Block 22, Section E of the F110-330 form.
