

RFQ Question/Answer List, Note(s) and Clarification(s)

State of Ohio Standard Forms and Documents

Project Name Minnich and Scott Halls Renovation Project Number MUN-100063
Project Location Oxford, Ohio Butler County

Date of Q/A, Notes and Clarifications: December 7, 2015

NOTE: As detailed more fully below, The **Response Deadline** is now **December 22, 2015 2:00PM local time.**

Below are the questions that have been received to date for the RFQ of the above-referenced project:

1. In section "A. Project Description" Miami University asks that the consultants/ designers not be identified in the response to the RFQ, however, in the last paragraph of section "F. Evaluation Criteria for Selection" - submitting parties are asked to submit consultants that are EDGE-certified Business Enterprises. Are we to submit information only on the Edge consultant and not the rest of the team?

A: See below – Questions 1 and 2 will be answered together under number 2.

2. Section "2. Primary Qualifications" scores each firm based on creativity of the project designer. If our team consists of a an [sic] architect of record and a design consultant, are we able to submit our design consultant as part of the AOR team?

A: On the first page of the RFQ, under Section A, strike the last paragraph and add the sentence in **below** for clarification.

~~Firms responding to this RFQ should submit information relative to the qualifications of its construction manager/contractor and its Architect of Record. It is the University's intent to select these two primary components of the DB team through this RFQ with the remainder of the DB's team, including without limitation, its key and specialty consultants/ designers, to be selected at a later date through a quality-based selection process that allows for the University's input as to selection.~~

Firms responding to this RFQ should submit information relative to the entire DB team. In light of the University's request that qualifications/information relative to the entire DB team be submitted, the Response Deadline is extended by one week: the Response Deadline is now 2:00PM local time December 22, 2015.

Below is a clarification/correction to date the RFQ:

The correct email address for University Project Manager Robert Bell is:

- **Robert.bell@miamioh.edu.**
