Project Overview

A. Project Description

Bowling Green State University (the "Owner") is requesting interested firms to submit qualifications for full design and construction administration services as the Architect of Record for the renovations to occur on the Residence Life Masonry Pointing - FY16

This project will consist of building envelope improvements to 4 residence halls over the course of 2 summer semesters. Conklin Hall North and Founders Hall will bid for construction over summer of 2016, with Kohl Hall and McDonald Quad following for Summer of 2017.

Work needed will involve masonry repairs/replacement for brick, CMU, precast concrete, and stone elements as well as sealing of masonry joints and around windows, doors, and miscellaneous penetrations. A/E will prepare program of requirements using information provided by the Owner in the form of an investigation report, as well as on site inspection.

B. Scope of Services

The selected Architect/Engineer (A/E), as a portion of its required Scope of Services and prior to submitting its proposals, will discuss and clarify with the Owner and/or the Contracting Authority, the cost breakdown of the Architect/Engineer Agreement detailed cost components to address the Owner's project requirements. Participate in the Encouraging Growth, Diversity & Equity (EDGE) Program as required by statute and the Agreement.

As required by the Agreement, and as properly authorized, provide the following categories of services: Schematic Design, Design Development, Construction Document Preparation, Construction Estimate, Bid and Award Support, Conformed Documents, Construction Administration, Post-Construction, and Additional Services of all types.

Refer to the *Ohio Facilities Construction Manual* for additional information about the type and extent of services required for each. A copy of the standard Agreement can be obtained at the OFCC website at <http://ofcc.ohio.gov>. Note that all respondents to this RFQ will be responsible for, and held to, the terms of the standard Agreement and Exhibits as completed by the Owner. Any clarification or requested modifications to the same should be identified in the Respondent's response to this RFQ. No modifications to the requirements in the Agreement or Exhibits will be accepted at time of negotiation or technical proposal.

During the construction period, provide not less than 6 hours (excluding travel time) on-site construction administration services each week, including (1) attendance at progress meetings, (2) a written field report of each site visit, (3) on-site representation comprised of the A/E and its consultant staff involved in the primary design of the project, all having relevant and appropriate types of construction administration experience.

Request for Qualifications (Architect / Engineer) continued

For all Statements of Qualifications, please identify the EDGE-certified Business Enterprises, by name, which will participate in the delivery of the proposed professional services solicited in the RFQ.

H. Submittal Instructions

Firms are required to submit the current version of Statement of Qualifications (Form F110-330) available via the OFCC website at <http://ofcc.ohio.gov>.

Electronic submittals should be combined into one PDF file named with the project number listed on the RFQ and your firm's name. Use the "print" feature of Adobe Acrobat or similar software for creating a PDF rather than using a scanner. If possible, please reduce the file size of the PDF. In Acrobat, go to Advanced, then PDF Optimizer. Also, please label the CD or DVD and the sleeve with the project number and firm name if applicable.

Paper copies of the Statement of Qualifications, if requested, should be stapled only. Do not use special bindings or coverings of any type. Cover letters and transmittals are not necessary.

Facsimile copies of the Statement of Qualifications will not be accepted.

Firms are requested to identify professional registrations, memberships and credentials including: LEED GA, LEED AP, LEED AP+, CCCA, CCM, CCS, CDT, CPE, DBIA, and any other appropriate design and construction industry credentials. Identify that information on the resume page for individual in Block 22, Section E of the F110-330 form.
