Project Overview

A. Project Description

Ellis Hall is a 53,500 SF three story building, built in 1902. It is a general classroom and office building, used primarily by the College of Arts and Sciences. This project will provide a major upgrade to the building, including:

Hazardous materials abatement;

ADA upgrades, including the replacement of the existing elevator, upgrades to existing restrooms, installation of new single-user restrooms, and improvements to pathways within and accessing the primary building entries;

Minor space reconfiguration in some areas of the building;

Replacement of all exterior windows and doors; painting of exterior trim

Upgrades to the building mechanical system, including air handlers, air distribution systems and controls; A new building chiller and cooling tower have recently been installed;

Upgrades to the building electrical system, including both interior and exterior lighting; the existing service entry and switch gear to remain; new/upgraded generator

Upgrades/replacement of all interior finishes, including doors and trim;

Upgrades to the building plumbing system, including water distribution systems;

Upgrade of the existing fire alarm and other life safety systems;

Addition of a new building-wide fire suppression system

Project to be LEED silver

B. Scope of Services

This RFQ is for submission of qualifications for the project MEP Engineering services only. The University will select the (lead) Architectural firm, based on a separate RFQ, and contract with them. The selected Architectural consultant will participate with the University in the interviewing and selection of the MEP consultant, whose contract will be assigned to the Architectural consultant.

The selected MEP Consultant, as a portion of its required Scope of Services and prior to submitting its proposals, will discuss and clarify with the (lead) Architect (previously selected), the cost breakdown of the Engineering Agreement to address the Owner's project requirements. The MEP contract will be assigned to the selected Architect.

Participation in the Encouraging Growth, Diversity & Equity (EDGE) Program as required by statute will be the responsibility of the Architect, as leader of the design team.

As required by the Agreement, and as properly authorized, provide the following categories of services: Program Verification, Schematic Design; Design Development, Construction Document Preparation, Scheduling, Estimating, Bid

Request for Qualifications (Architect / Engineer) continued

- Previous experience compatible with the proposed project (e.g., type, size).
- Past performance of prospective firm.
- Qualifications and experience of individuals directly involved with the project.
- Specification writing credentials and experience.
- Experience and capabilities of creating or using Critical Path Method (CPM) schedules and of using CPM schedules as a project management resource.
- Approach to and success of using partnering and Alternative Dispute Resolution.
- Proximity of prospective firms to the project site.
- Proposer's apparent resources and capacity to meet the needs of this project.
- The selected A/E and all its consultants must have the capability to use the Internet within their normal business location(s) during normal business hours.

Interested A/E firms are required to address how they will implement Building Information Modeling ("BIM") on the project, experience and level of training of staff related to BIM, incorporation of team partners that have previous BIM experience, and an understanding of collaborative BIM processes, including but not limited to the *State of Ohio BIM Protocol* available at the OFCC website at <http://ofcc.ohio.gov>.

Interested A/E firms are required to submit the Commitment to Participate in the EDGE Business Assistance Program form in its Statement of Qualifications (Form F110-330) submitted in response to the RFQ, to indicate its intent to contract with and use EDGE-certified Business Enterprise(s), as a part of the A/E's team. The Intent to Contract and to Perform and / or waiver request letter and Demonstration of Good Faith Effort form(s) with complete documentation must be attached to the A/E's Technical Proposal. Both forms can be accessed via the OFCC website at <http://ofcc.ohio.gov>. The Intent to Contract and to Perform form is again required at the Fee Proposal stage.

For all Statements of Qualifications, please identify the EDGE-certified Business Enterprises, by name, which will participate in the delivery of the proposed professional services solicited in the RFQ.

H. Submittal Instructions

Firms are required to submit the current version of Statement of Qualifications (Form F110-330) available via the OFCC website at <http://ofcc.ohio.gov>.

Electronic submittals should be combined into one PDF file named with the project number listed on the RFQ and your firm's name. Use the "print" feature of Adobe Acrobat or similar software for creating a PDF rather than using a scanner. If possible, please reduce the file size of the PDF. In Acrobat, go to Advanced, then PDF Optimizer. Also, please label the CD or DVD and the sleeve with the project number and firm name if applicable.

Paper copies of the Statement of Qualifications, if requested, should be stapled only. Do not use special bindings or coverings of any type. Cover letters and transmittals are not necessary.

Facsimile copies of the Statement of Qualifications will not be accepted.

Firms are requested to identify professional registrations, memberships and credentials including: LEED GA, LEED AP, LEED AP+, CCCA, CCM, CCS, CDT, CPE, DBIA, and any other appropriate design and construction industry credentials. Identify that information on the resume page for individual in Block 22, Section E of the F110-330 form.
