

# RFQ Question and Answer List

## State of Ohio Standard Forms and Documents

---

Project Name Chilled Water Plant #3 Project Number OHU-170012  
Project Location Ohio University

---

Date posted: February 16, 2017

Date revised: N/A

Below are the questions that have been received to date for the RFQ of the above-referenced project:

1. At this point, would a structural engineer be required for the utility distribution work (OHU-170012)?
  - A. Yes. Depending upon the final utility routing, there may be existing structures requiring penetrations to be designed.
