

RFQ Question and Answer List

State of Ohio Standard Forms and Documents

Project Name Peden Speaker Replacement Project Number OHU-170013
Project Location Ohio University

Date posted: March 16, 2017

Date revised: N/A

Below are the questions that have been received to date for the RFQ of the above-referenced project:

1. The requirements call for:

NOTE: The primary A/E shall be (1) a registered architect holding a license and certificate of authorization issued by the Ohio Architects Board pursuant to ORC Chapter 4703, (2) a landscape architect holding a license and certificate of authorization issued by the Ohio Landscape Architects Board pursuant to ORC Chapter 4703, or (3) a professional engineer or professional surveyor holding a license and certificate of authorization issued by the Ohio Engineers and Surveyors Board pursuant to ORC Chapter 4733.

Q. We can partner with a registered architect, but feel that will only add cost to the project without providing any additional benefit. Would we be disqualified if we don't meet this requirement?

A. Yes. The requirements remain as stated in the RFQ.
