Project Overview

A. Project Description

The Ohio State University's Harding Hospital provides the most comprehensive behavioral healthcare services for adults, older adults, children and adolescents in central Ohio. Harding Hospital offers more treatment options and are more experienced and diversified staff than any other psychiatric or behavioral health care provider in the area.

This project includes the upgrade of the existing patient rooms to meet Behavioral Health Facility guidelines with the goal to add up to 15 calm (outpatient) beds and up to 12 inpatient beds. In addition to adding patient beds, support areas will also be renovated. This includes but is not limited to break rooms, lobby's, nursing/staff stations, galleys, and offices. The interior finishes will follow Wexner Medical Center Standards for branding.

B. Scope of Services

The selected A/E team must have a demonstrated ability to work collaboratively with the many groups including senior leaders, physicians of multiple disciplines, and the full complement of supporting departments. The lead roles for the team must be excellent communicators and be able to build consensus quickly to keep the design progressing through team decisions.

This request is to provide Project Management for all Design phases; Construction Documents, Bidding, Construction Administration and Post-Construction. This will include schematic Design, and Design leadership through all phases of the project. It will be crucial to have accurate pricing for decision making during design and an accurate final budget prior to bidding. The A/E Team should explain their cost and schedule estimating methodology and show demonstrated success with accuracy.

The areas to be constructed are bordered by active patient care spaces including Behavioral Health Patient Rooms. The team should be well versed in construction constraints within an active hospital. The A/E will need to include plans to address Interim Life Safety Measures as needed and ensure compliance with JCAHO, NFPA 101 and other governing guidelines. The A/E Team will be expected to review Infection Control measures with Medical Center Epidemiologists and generate the infection control plan for the project with their guidance. The A/E team will need to generate logistics plans for the bid documents addressing building access, material delivery, laydown areas, etc.

The selected A/E, as a portion of its required Scope of Services and prior to submitting its proposals, will discuss and clarify with the Owner and/or the Contracting Authority, the cost breakdown of the Architect/Engineer Agreement detailed cost components to address the Owner's project requirements. Participate in the Encouraging Growth, Diversity & Equity (EDGE) Program as required by statute and the Agreement. Required Professional Liability Insurance will be per Exhibit A – A/E Terms and Conditions Article 7.2.6.

Request for Qualifications (Architect / Engineer) continued

NOTE: The primary A/E shall be (1) a registered architect holding a license and certificate of authorization issued by the Ohio Architects Board pursuant to ORC Chapter 4703, (2) a landscape architect holding a license and certificate of authorization issued by the Ohio Landscape Architects Board pursuant to ORC Chapter 4703, or (3) a professional engineer or professional surveyor holding a license and certificate of authorization issued by the Ohio Engineers and Surveyors Board pursuant to ORC Chapter 4733.

G. Evaluation Criteria for Selection

- Demonstrated ability to meet Owner's programmed project vision, scope, budget, and schedule on previous projects.
- Previous experience compatible with the proposed project (e.g., type, size).
- Relevant past work of prospective firm's proposed consultants.
- Past performance of prospective firm and its proposed consultants.
- Qualifications and experience of individuals directly involved with the project.
- Proposer's previous experience (numbers of projects, sizes of projects) when working with its proposed consultants.
- Design quality and demonstrated ability of prospective firm and its proposed consultants to provide design services which represent the University's *Design Guidelines for Buildings and Landscape* [buildings-landscape.pdf](#)
- Experience and capabilities of creating or using Critical Path Method (CPM) schedules and of using CPM schedules as a project management resource.
- Approach to and success of using partnering and Alternative Dispute Resolution.
- Proximity of prospective firms to the project site.
- Proposer's apparent resources and capacity to meet the needs of this project.

Interested A/E firms are required to submit the Commitment to Participate in the EDGE Business Assistance Program form in its Statement of Qualifications (Form F110-330) Section H. Additional Information submitted in response to the RFQ, to indicate its intent to contract with and use EDGE-certified Business Enterprise(s), as a part of the A/E's team. The Intent to Contract and to Perform and / or waiver request letter and Demonstration of Good Faith Effort form(s) with complete documentation must be attached to the A/E's Technical Proposal. Both forms can be accessed via the OFCC website at <http://ofcc.ohio.gov>. The Intent to Contract and to Perform form is again required at the Fee Proposal stage.

For all Statements of Qualifications, please identify the EDGE-certified Business Enterprises, by name, which will participate in the delivery of the proposed professional services solicited in the RFQ.

H. Submittal Instructions

Firms are required to submit the current version of Statement of Qualifications (Form F110-330) available via the OFCC website at <http://ofcc.ohio.gov>.

Electronic submittals should be combined into one PDF file named with the project number listed on the RFQ and your firm's name. Use the "print" feature of Adobe Acrobat or similar software for creating a PDF rather than using a scanner. If possible, please reduce the file size of the PDF. In Acrobat, go to Advanced, then PDF Optimizer. Also, please label the CD or DVD and the sleeve with the project number and firm name if applicable.

Paper copies of the Statement of Qualifications, if requested, should be stapled only. Do not use special bindings or coverings of any type. Cover letters and transmittals are not necessary.

Facsimile copies of the Statement of Qualifications will not be accepted.

Do not submit subconsultants for the following services as they will be selected in consultation with the University: Hazardous Materials, Testing, and Geotechnical Services. These subconsultants are not eligible for consideration in meeting the stated EDGE goals.

Firms are requested to identify professional registrations, memberships and credentials including: LEED GA, LEED AP, LEED AP+, CCCA, CCM, CCS, CDT, CPE, DBIA, and any other appropriate design and construction industry credentials. Identify that information on the resume page for individual in Block 22, Section E of the F110-330 form.
