### Project Overview

#### A. Project Description

This project includes:

- 1) the selective demolition and abatement of approximately 264,790 SF of the existing Lakewood City High School (HS);
- 2) shoring and associated build back to preserve existing portions to remain;
- 3) the renovation of approximately 268,850 SF of the remaining portions of the HS; and
- 4) the construction of 75,893 SF of new addition(s) to the HS.

The Lakewood City School District (District) is providing additional funds (LFI) to renovate the Auditorium and Natatorium areas that are integral to the HS.

The HS will remain partially occupied during the course of construction; a swing space allowance has been provided to accommodate a portion of the 9-12 student population while construction occurs.

All renovation and addition work associated with the PK-12 areas will be *Ohio School Design Manual* compliant.

Design submittals shall adhere to the OSDM Design Phase Submittal requirements.

LFI budget and scope will be agreed too and memorialized by the co-owners at each Design Phase Submittal.

The HS project is required to achieve or exceed LEED Silver Certification.

The intent of the School District is that the proposed renovations and addition(s) be compatible with the existing High School and complement the neighborhood context.

#### B. Scope of Services

Upon award of this contract the A/E firm selected is expected to develop a design schedule for Owner approval; commence with developing the Program of Requirements, including all LFI scope; conduct a feasibility study to review possible locations of new additions to the existing building; and confirm the scope and budget for anticipated renovations.

The selected Architect/Engineer (A/E), as a portion of its required Scope of Services and prior to submitting its proposals, will discuss and clarify with the Owner and/or the Contracting Authority, the cost breakdown of the Architect/Engineer Agreement detailed cost components to address the Owner's project requirements. Participate in the Encouraging Growth, Diversity & Equity (EDGE) Program as required by statute and the Agreement.

## Request for Qualifications (Architect / Engineer) continued

As required by the Agreement, and as properly authorized, provide the following categories of services: Program Verification, Schematic Design, Design Development, Construction Document Preparation, Bid and Award Support, Conformed Documents, Construction Administration, Post-Construction, and Additional Services of all types.

Refer to the *OFC Manual* and/or the *Ohio School Design Manual* for additional information about the type and extent of services required for each. A copy of the standard Agreement can be obtained at the OFCC website at <http://ofcc.ohio.gov>.

During the construction period, provide not less than 24 hours (excluding travel time) on-site construction administration services each week, including (1) attendance at all progress meetings, (2) a written field report of each site visit, (3) on-site representation comprised of the A/E and its consultant staff involved in the primary design of the project, all having relevant and appropriate types of construction administration experience.

For purposes of completing the Relevant Project Experience Matrix in Section F of the Statement of Qualifications (Form F110-330), below is a list of relevant scope of work requirements for this RFQ:

1. PK-12 construction in an a dense residential area
2. Projects that utilize the Construction Manager at Risk project delivery method
3. Accurately estimating construction cost through design
4. Using the *Ohio School Design Manual* for PK-12 facility design
5. Working on projects with school districts and OFCC.
6. Developing contract documents for building demolition and abatement
7. Projects that achieve or exceed LEED Silver certification

### C. Funding / Estimated Budget

### G. Evaluation Criteria for Selection

- Demonstrated ability to meet Owner's programmed project vision, scope, budget, and schedule on previous projects of comparable scope and budget.
- Previous experience compatible with the proposed project (e.g., type, size).

## Request for Qualifications (Architect / Engineer) continued

---

- Relevant past work of prospective firm's proposed consultants.
- Past performance of prospective firm and its proposed consultants.
- Qualifications and experience of individuals directly involved with the project.
- Proposer's previous experience (numbers of projects, sizes of projects) when working with its proposed consultants.
- Specification writing credentials and experience.
- Experience and capabilities of creating or using Critical Path Method (CPM) schedules and of using CPM schedules as a project management resource.
- Approach to and success of using partnering and Alternative Dispute Resolution.
- Proximity of prospective firms to the project site.
- Proposer's apparent resources and capacity to meet the needs of this project.
- The selected A/E and all its consultants must have the capability to use the Internet within their normal business location(s) during normal business hours.

Interested A/E firms are required to submit the Commitment to Participate in the EDGE Business Assistance Program form in its Statement of Qualifications (Form F110-330) submitted in response to the RFQ, to indicate its intent to contract with and use EDGE-certified Business Enterprise(s), as a part of the A/E's team. The Intent to Contract and to Perform and / or waiver request letter and Demonstration of Good Faith Effort form(s) with complete documentation must be attached to the A/E's Technical Proposal. Both forms can be accessed via the OFCC website at <http://ofcc.ohio.gov>. The Intent to Contract and to Perform form is again required at the Fee Proposal stage.

For all Statements of Qualifications, please identify the EDGE-certified Business Enterprises, by name, which will participate in the delivery of the proposed professional services solicited in the RFQ.

### H. Submittal Instructions

Firms are required to submit the current version of Statement of Qualifications (Form F110-330) available via the OFCC website at <http://ofcc.ohio.gov>.

Paper copies of the Statement of Qualifications, if requested, should be stapled only. Do not use special bindings or coverings of any type. Cover letters and transmittals are not necessary.

Electronic submittals should be combined into one PDF file named with the project number listed on the RFQ and your firm's name. Use the "print" feature of Adobe Acrobat Professional or similar software for creating a PDF rather than using a scanner. If possible, please reduce the file size of the PDF. In Adobe Acrobat Professional, go to Advanced, then PDF Optimizer. Also, please label the CD and the CD cover with the project number and firm name.

Facsimile or e-mailed copies of the Statement of Qualifications will not be accepted.

Firms are requested to identify professional registrations, memberships and credentials including but not limited to: LEED GA, LEED AP, LEED AP+, CCCA, CCM, CCS, CDT, DBIA, and any other appropriate design and construction industry credentials. Identify that information on the resume page for individual in Block 22, Section E of the F110-330 form.
