The Ohio Facilities Construction Commission received more than 100 submittals for the FY 2014-2015 Architect and Landscape Architect Consultant List Request for Qualifications which was advertised in November 2012. The proposals were evaluated and scored according to the rating form advertised in the RFQ. The evaluation process narrowed the submissions to the list of 27 firms above who were selected to do presentations.

These firms have been invited to present their qualifications in person to a committee of OFCC staff members. While any firm submitting a proposal is eligible for a contract, the firms which have been invited to do presentations achieve a specific position in the professional design services section in which OFCC may expedite the contracting process by seeking a fee proposal from one of those firms.

Any of the remaining firms will be required to submit a technical proposal and will be evaluated against two other eligible firms at the time of a specific assignment. Therefore, firms who submitted but were not chosen to make a presentation will still be eligible for consultant contracts during the two-year period beginning July 1, 2013.

We will accommodate requests to review public records after the presentation process has been completed. Firms may contact Christina Miller on or after July 1, 2013 at christina.miller@ofcc.ohio.gov to make specific inquiries.
