An Equal Opportunity Employer

Ohio Register General Information and Requirements

State of Ohio Standard Forms and Documents

General Requirements for Submittals of the Statement of Qualifications

Firms are required to submit the current State of Ohio version of Statement of Qualifications (Form F110-330) available via the Ohio Facilities Construction Commission (OFCC) website at <http://ofcc.ohio.gov>. The Federal version of the SF330 form will not be accepted.

Cover letters and transmittals are not necessary. Please place the appropriate project number in the space provided on the form.

Due to limited storage space, we request that paper copies, if requested, be stapled and please refrain from submitting three-ring binders, spiral binders and booklets. OFCC requests that supplemental material not be submitted with the Statement of Qualifications. The use of a computerized or typed Statement of Qualifications form is preferred.

Electronic submittals should be combined into one PDF file named with the project number listed on the RFQ and your firm's name. Use the "print" feature of Adobe Acrobat Professional or similar software for creating a PDF rather than using a scanner. If possible, please reduce the file size of the PDF. In Adobe Acrobat Professional, go to Advanced, then PDF Optimizer. Also, please label the CD and the CD cover with the project number and firm name.

Facsimile or e-mailed copies of the Statement of Qualifications will not be accepted.

Reminders

OFCC no longer requires an annual submittal of Part II of the Statement of Qualifications form for professional design services. However, professional design firms and construction managers responding to a request for qualifications for State of Ohio projects must submit Part II of the Statement of Qualifications (Form F110-330) for each firm on its team.

Form F110-330 (Statement of Qualifications) officially replaced both the ADM-0255 and ADM-0254 forms on March 1, 2008. The ADM-0255 and ADM-0254 forms are no longer accepted.

ORC 9.24 – Auditor of State Unresolved Findings for Recovery

Effective June 1, 2004, Ohio Revised Code (ORC) 9.24 prohibits the State of Ohio from awarding a contract to any individual or organization against whom the [Auditor of State](#) has issued a findings for recovery if the findings for recovery is unresolved at the time of award of contract.

EDGE Participation Required on State Design and Construction Projects

The Encouraging Diversity, Growth and Equity (EDGE) program became law July 1, 2003, when Section 123.152 of the Ohio Revised Code was enacted. The program creates a business development program for economically and socially disadvantaged Ohio businesses.

The EDGE business participation goal is usually 5 percent. Proposers for professional services agreements as well as Bidders on construction contracts must demonstrate actual participation in the EDGE program, or provide a demonstration of their good faith efforts (with a letter requesting a waiver of the advertised EDGE participation goal on its letterhead and supporting evidence) to participate in the EDGE program, or both, as indicated in the Ohio Revised Code (123.152) and the Ohio Administrative Code (123:2-16-09).

Interested A/E firms are required to submit the Commitment to Participate in the Edge Business Assistance Program form in its Statement of Qualifications (Form F110-330) submitted in response to the RFQ, to indicate its intent to contract with and use EDGE-certified Business Enterprise(s), as a part of the A/E's team. The Intent to Contract and to Perform and/or waiver request letter and Demonstration of Good Faith Effort form(s) with complete documentation must be attached to the A/E's Technical Proposal. Both forms can be accessed via the OFCC website at <http://ofcc.ohio.gov>. The Intent to Contract and to Perform form is again required at the Fee Proposal stage.

For all Statements of Qualifications, please identify the EDGE-certified Business Enterprises by the name that will participate in the delivery of the proposed professional services solicited in the RFQ.

To learn more about the qualifications for EDGE certification, the process to become an EDGE-certified business, and to find existing EDGE-certified businesses, go to <http://EDGE.ohio.gov>.

Ohio Ethics Law Provision

All professionals that submit or intend to submit proposals for consideration of a contract for professional design services with the state of Ohio are reminded that, as applicable, no sole proprietor, partner, shareholder or other principal of the Architect/Engineer or the spouse of such principal has made, as an individual, at any time within the two previous calendar years, one or more contributions totaling in excess of \$1,000.00 to the Governor or to the Governor's campaign committee, consistent with Section 3517.13 of the Ohio Revised Code.

Best Value Selection (BVS) Requests for Qualifications

"Best Value Selection" (BVS) is a selection process in which proposals contain both pricing and performance components, and award is based upon a combination of pricing and performance considerations to determine the offer deemed most advantageous and of the greatest value to the public authority.

For the...Construction Manager at Risk provider (CM); Design Builder (DB) and Energy Performance Contracting provider.

Qualifications-based Selection (QBS) Requests for Qualifications

"Qualifications-based Selection" (QBS) refers to a procurement process used by state agencies, institutions of higher education and school districts for the selection of Architect/Engineer (A/E) and A/E services for public construction projects. It is a competitive contract procurement process whereby professional design firms submit qualifications to the public owner who evaluates and selects the most qualified firm, and then negotiates the project scope of work, schedule, budget and fees.

For the...Architect/Engineer (A/E); Construction Manager Agent (CMA); Owner Agent (OA); Criteria A/E (C-A/E); Commissioning Services (CxA) provider; and Specialty Consultant/Planning (SC) provider.

Request for Qualifications (Design-Build Contract)

State of Ohio Standard Forms and Documents

Administration of Project: Local Higher Education

Project Name	<u>Campbell - Room 100 Renovation</u>	Response Deadline	<u>08/21/15</u>	<u>2:00 p.m.</u>	local time
Project Location	<u>1787 Neil Avenue</u>	Project Number	<u>OSU-150438</u>		
City / County	<u>Columbus / Franklin</u>	Project Manager	<u>Heather McNamara</u>		
Owner	<u>The Ohio State University</u>	Contracting Authority	<u>Local Higher Education</u>		
Delivery Method	<u>Design-Build</u>	Prevailing Wages	<u>State</u>		
No. of paper copies requested (stapled, not bound)	<u>3</u>	No. of electronic copies requested (PDF)	<u>1</u>		

Submit the requested number of Statements of Qualifications (Form F110-330) directly to Heather McNamara at 400 Enarson Classroom Building, 2009 Millikin Rd, Columbus, OH 43210. See Section G of this RFQ for additional submittal instructions.

Submit all questions regarding this RFQ in writing to Heather McNamara at mcnamara.69@osu.edu with the project number included in the subject line (no phone calls please). Questions will be answered and posted to the Opportunities page on the OFCC website at <http://ofcc.ohio.gov> on a regular basis until one week before the response deadline. The name of the party submitting a question will not be included on the Q&A document.

Project Overview

A. Project Description

Campbell Hall resides at 1787 Neil Avenue on main campus at The Ohio State University. The original building is a reinforced concrete frame structure with brick exterior, which finished construction in 1916. This project renovation will occur in suite 100. The scope of work will include technology updates, new university- approved, branded finishes, a new, energy- efficient mechanical system, ADA updates, and a new north entrance to the adjacent exterior courtyard. This courtyard will serve as potential breakout space for future technology workshops. The newly renovated suite will function as general classroom space part of the week, while also serving the needs of local K-12 visitors. The university will provide their criteria documents and drawings during the Request for Proposal phase.

The Program of Requirements ("POR") was developed as a part of this project by the University who acted as the Criteria Architect/Engineer ("Criteria A/E").

All aspects of the project and related issues will be implemented and operated consistent with the Contracting Authority and/or Owner's policies and procedures.

B. Scope of Services

As required by the Agreement, and as properly authorized, provide the following categories of services: develop and maintain estimates of probable construction cost, value engineering, project schedules, and construction schedules; lead and manage the Schematic Design, Design Development, Subcontractor Prequalification and Bidding process, Construction Documents, Construction and Closeout stages.

Refer to the *Ohio Facilities Construction Manual* additional information about the type and extent of services required for each. A copy of the standard Agreement can be obtained at the OFCC website at <http://ofcc.ohio.gov>.

The selected DB will be required to sign the standard agreement. No modifications to the requirements in the agreement will be accepted. Required Professional Liability Insurance will be per General Conditions Articles 10.3.7, 10.3.8 and 10.3.9.

The preconstruction and construction services are generally described below. Subcontracts including Plumbing, Fire Protection, HVAC, and Electrical trades will be awarded by the Design-Builder ("DB") to prequalified vendors using a competitive process. The parties will engage in an "open book" pricing method in which all subcontracted work shall be based upon competitive pricing that will be reviewed by the Contracting Authority/Owner, the Criteria A/E and the DB. The Contracting Authority/Owner shall have access to all books, records, documents and other data in the DB's possession related to itself, its subcontractors and material suppliers pertaining to bidding, pricing or performance of the Agreement.

Preconstruction Services: The DB will work cooperatively with the Contracting Authority/Owner, Criteria A/E and Project Team, and will provide, among other services, schedule development, estimate development, program verification, schematic design, design development, Guaranteed Maximum Price (GMP) proposal, subcontractor prequalification and

Request for Qualifications (Design-Build Contract) continued

bidding, construction documents preparation, constructability review, permits, budgeting, value engineering, and preconstruction planning throughout the preconstruction stages. When the drawings and specifications are at a stage of completion specified in the Agreement, such partially completed documents (the "Basis Documents") shall be provided to the DB, together with the Architect/Engineer of Record's ("AOR") detailed listing of any incomplete design elements and the AOR's statement of intended scope with respect to such incomplete elements (the "Design Intent Statement"). Contingent upon the Contracting Authority's approval of the GMP, the parties will enter into an amendment to the Agreement establishing the Contract Sum ("GMP Amendment"). If the proposed Contract Sum exceeds the Project Budget established for construction, then the Contracting Authority may terminate the agreement with the DB and seek proposals from other firms for completion of the Project.

Construction Services: The DB shall construct the Project pursuant to the construction documents and in accordance with the schedule requirements. The DB shall hold all subcontracts and shall be fully responsible for the means and methods of construction, weekly progress meetings, testing and inspections, project safety, project completion within the schedule agreed upon in the preconstruction phase, compliance with all applicable laws and regulations including monitoring compliance with all EDGE, equal employment, and prevailing wage requirements, and submitting monthly reports of these activities to the Contracting Authority. All subcontracts shall be on the subcontract form prescribed by OAC Section 153:1-03-02. The Contracting Authority reserves the right to approve the DB's selection of subcontractors and any supplemental terms to the subcontract form.

For purposes of completing the Relevant Project Experience Matrix in Section F of the Statement of Qualifications (Form F110-330), below is a list of relevant scope of work requirements for this RFQ:

1. Higher Education Projects
2. Audio Visual Systems
3. Mechanical System Integration

For the purpose of the selection of 10 Relevant Projects in Section F of the Statement of Qualification (Form F110-330), projects must be designed by the Lead Firm.

C. Funding / Estimated Budget

Total Project Cost	<u>\$798,323.00</u>	State Funding	<u>\$0</u>
Construction Cost	<u>\$544,558.00</u>	Other Funding	<u>\$798,323.00</u>

D. Anticipated Schedule

DB Preconstruction Services Start	<u>10 / 15</u>
Construction Stage Notice to Proceed	<u>03 / 16</u>
Substantial Completion of all Work	<u>05 / 16</u>
DB Services Completed	<u>06 / 16</u>

E. EDGE Participation Goal

Percent of the DB's total compensation excluding DB's Contingency*	<u>5.0%</u>
*Preconstruction Stage Compensation plus Contract Sum minus DB's Contingency	

F. Evaluation Criteria for Selection

Selection Criteria: The DB will be selected using (i) qualifications-based process during the Request for Qualifications (RFQ) stage to develop a short list and (ii) best value process during the Request for Proposal (RFP) stage. The qualifications-based criteria for the RFQ is included in this announcement. The best value criteria used in evaluating proposals from short listed firms will include such factors that are determined to derive or offer the greatest value to the State and Owner, combining both qualifications and fee.

Short List: Each firm responding to this RFQ will be evaluated and selected based on its qualifications and the qualifications and experience of the particular individuals identified as the candidate's proposed team for the Project. After evaluating the responses to this RFQ, the Contracting Authority will select a short list of no fewer than three candidates that it considers to be the most qualified, except if the Contracting Authority determines that fewer than three firms are qualified, it will only select the qualified firms.

Request for Proposal: The short-listed firms shall be sent a Request for Proposal ("RFP") that will invite the firms to submit pricing proposals containing their proposed preconstruction stage compensation, construction stage personnel costs, itemized construction stage general conditions costs, construction stage contingency percentage, construction stage design fee percentage, and design-build fee percentage. The short-listed candidates will also receive (i) form of the Agreement with the Contracting Authority containing the contract terms and conditions, (ii) set of the most recent criteria documents and (iii) proposed Project schedule.

Request for Qualifications (Design-Build Contract) continued

Pre-Proposal Meeting: Prior to submitting a response to the RFP, the short-listed firms will be invited to meet individually with the Contracting Authority/Owner. The purpose of the pre-proposal meeting is to permit the short-listed firms an opportunity to ask the Contracting Authority/Owner questions in an individual setting to help the firms prepare their responses to the RFP. The Contracting Authority will notify each short-listed firm to schedule individual times for the pre-proposal meetings.

Interview: After submitting responses to the RFP, the short-listed firms will be interviewed by the Contracting Authority/Owner. The purpose of the interview will be to meet the proposed Project team, become familiar with key personnel, and understand the project approach and ability to meet the stated objectives for the Project. Please be prepared to discuss with specificity the firm's capacity to conduct this work in compliance with the timetable, budget and EDGE expectations. The Contracting Authority will notify each short-listed firm to schedule individual times for the interviews.

Selection Schedule: Tentative schedule is subject to change.

Qualifications Due	08/21/15
RFP issued to the Short-Listed Firms	09/01/15
Interviews	09/16/15
Selection of DB	09/21/15

Cancellation and Rejection: The Contracting Authority reserves the right to reject all proposals and cancel at any time for any reason this solicitation, any portion of this solicitation or any phase of the Project. The Contracting Authority shall have no liability to any proposer arising out of such cancellation or rejection. The Contracting Authority reserves the right to waive minor variations in the selection process.

Interested DB firms are required to submit the Commitment to Participate in the EDGE Business Assistance Program form in its Statement of Qualifications (Form F110-330) submitted in response to the RFQ, to indicate its intent to contract with and use EDGE-certified Business Enterprise(s), as a part of the DB's team. The EDGE Affidavit and / or waiver request letter and Demonstration of Good Faith Effort form(s) with complete documentation must be attached to the DB's Proposal. Both forms can be accessed via the OFCC website at <http://ofcc.ohio.gov>.

The **EDGE Participation Statement of Intent to Contract and Perform** from Section H. Additional Information must also be submitted. For all Statements of Qualifications, please identify the EDGE-certified Business Enterprises, by name, which will participate in the delivery of the proposed professional services solicited in the RFQ.

G. Submittal Instructions

Firms are required to submit the current version of Statement of Qualifications (Form F110-330) available via the OFCC website at <http://ofcc.ohio.gov>.

Electronic submittals should be combined into one PDF file named with the project number listed on the RFQ and your firm's name. Use the "print" feature of Adobe Acrobat or similar software for creating a PDF rather than using a scanner. If possible, please reduce the file size of the PDF. In Acrobat, go to Advanced, then PDF Optimizer. Also, please label the CD or DVD and the sleeve with the project number and firm name if applicable.

Paper copies of the Statement of Qualifications, if requested, should be stapled only. Do not use special bindings or coverings of any type. Cover letters and transmittals are not necessary.

Facsimile copies of the Statement of Qualifications will not be accepted.

Unless otherwise noted or exempt, all documents submitted to the Contracting Authority in response to this RFQ and subsequent RFP are public and will be available for inspection at the conclusion of the selection process. The following information shall remain confidential and will not be released: (1) Proposal Form(s), except for cost category subtotals which will be transferred to the Best Value Rating Form; (2) Financial Capacity; and (3) Bonding/Insurance.

Proposers are requested to submit the following information in response to this RFQ within Section H of Form F110-330.

1. **Summary:** Provide a summary, on one page or less, describing why your firm/team is the most qualified for the Project.
2. **Bonding/Insurance:** Provide evidence of capacity to provide bonding in the amount of the construction budget (e.g. a letter from your Surety agent stating that one or more Sureties will issue Bonds in the amount of the construction budget if your team is selected) and a copy of the firm's certificate of insurance showing the firm's current limits of liability for commercial general liability, employer's liability, business automobile liability, and professional liability insurance.

Request for Qualifications (Design-Build Contract) continued

3. Management Systems: Describe the scheduling and cost control systems the firm would propose to use for the Project
4. Self-Performed Work: Indicate whether the firm intends to self-perform any work on the Project through a competitive process and, if so, the nature of the work and capability to self-perform.
5. Estimating: Demonstrated track record of performance of in-house estimating on projects comparable to the Project.
6. Scheduling: Demonstrated track record of performance of managing projects to the original schedule.

Firms are requested to identify professional registrations, memberships and credentials including but not limited to: LEED GA, LEED AP, LEED AP+, CCCA, CCM, CCS, CDT, CPE, DBIA, and any other appropriate design and construction industry credentials. Identify that information on the resume page for individual in Block 22, Section E of the F110-330 form.

Submit the requested number of Statements of Qualifications (Form F110-330) directly to Brenda Slack at 400 Enarson Classroom Building, 2009 Millikin Rd, Columbus, OH 43210. See Section H of this RFQ for additional submittal instructions.

Submit all questions regarding this RFQ in writing to Brenda Slack at slack.46@osu.edu with the project number included in the subject line (no phone calls please). Questions will be answered and posted to the Opportunities page on the OFCC website at <http://ofcc.ohio.gov> on a regular basis until one week before the response deadline. The name of the party submitting a question will not be included on the Q&A document.

Project Overview

A. Project Description

The Ohio State University, Department of Planning and Real Estate (PARE), on behalf of the College of Food, Agriculture and Environmental Sciences (CFAES) and Ohio Agricultural Research and Development Center (OARDC), requests interior space, exterior building façade, and landscape concepts for the conversion of the Research Operations Service building into the Secrest Arboretum Welcome Center and campus-wide support spaces. Facility concepts include pre-planning, conceptual programming and floor plans, conceptual architectural design for renewal of the existing building facade, conceptual landscape plans, infrastructure analysis, computer-generated conceptual images for fundraising purposes, and conceptual cost estimates.

The outcome of this study will determine the project budget, scope and any additional services that may be required.

Upon University approval of the study and funding for a design and construction project, the contract may be amended for continuation into full design services.

The anticipated project delivery method for full design and construction is undetermined at this time.

The initial contract for the study will be issued as a purchase order. EDGE participation requirements will be applicable if the contract is amended for full design services.

B. Scope of Services

Introduction:

The Secrest Arboretum is located in Wooster, Ohio on the OARDC and Agricultural Technical Institute (ATI) Wooster campus of The Ohio State University. We are seeking a team of planning and design consultants that can provide analysis and recommendations for the Research Operations Service building to become the new Secrest Arboretum Welcome Center. The program for the Welcome Center is intended to provide space for educational programs and community gatherings, as well as office space for the arboretum staff. The program for the remainder of the building is intended to support the Wooster campus with meeting and classroom spaces. In addition, it is envisioned that the exterior environment, including the building facade and landscape, be welcoming to visitors and the community, as well as compatible with the arboretum.

Background:

The Secrest Arboretum began as the Forest Arboretum in 1908 at OARDC with forest and ornamental plantings. The arboretum was founded by Dr. Edmund Secrest who initiated planting and culture studies to make Ohio more "tree conscious." The first plantings were done in 1901, leading the way to planting a wide collection of tree species from across the world and evaluating species response to Ohio soils and climate. By 1932 there were 540 species in the arboretum. The Forest Arboretum was renamed Secrest Arboretum in 1950 in honor of Dr. Secrest. Over the years many planting initiatives have been implemented, laboratories developed, and research conducted. The Arboretum has national and international stature and works to discover and develop solutions to landscape problems, thereby assisting scientists,

Request for Qualifications (Architect / Engineer) continued

landscape architects, consumers and others with research-based information to enhance the environment. The Arboretum celebrated 100 years in 2008 and today there are 568 species of plantings. The Arboretum consists of 114 acres and has a variety of theme gardens, a diverse collection of woody and herbaceous plantings, paved walkways, and seating areas enjoyed by the community and campus alike.

The Research Operations Service building is 19,556 GSF, constructed in 1966, with a Facility Condition Index (FCI) of 70%. It is located on the north edge of the Secrest Arboretum and is used for the research operations staff, the servicing of equipment, and for storage. The tornado of 2010 damaged the two northern wings of the building, which have subsequently been removed, and the roof and other spaces. Repairs were done in 2011. A portion of the existing building will be dedicated for the Secrest Arboretum Welcome Center, with the remaining considered for classrooms and conference/meeting spaces to support the Wooster campus.

As required by the Agreement, and as properly authorized, provide the following categories of services: Master Planning, Conceptual Programming, Conceptual Design, Facility/Infrastructure Evaluation, Meeting Facilitation, Estimating, and any Additional Services as agreed upon.

Final deliverables of the study include a short report (5-10 pages) on key findings, digital copies of all graphics produced, source files, fundraising images in high resolution, text describing concepts for incorporation into fundraising materials, and cost estimates. Report and images should be delivered electronically. A final PowerPoint presentation may also be requested.

Each firm should outline an approach to completing the study including a proposed process, deliverables, and schedule. A three (3) to four (4) month process for the study is anticipated. For the study, site visits and four (4) meetings with the university project team are anticipated.

Scope of work for the study includes:

- Review and analysis of studies, plans and the existing Research Operations Service building.
- Conduct high level facility assessment for Research Operations Service building.
- Develop a conceptual program for the Secrest Arboretum Welcome Center to include a base building program and conceptual floor plans.
- Develop a conceptual program for the remainder of the building to include a base building program and conceptual floor plans.
- Develop concepts to reuse the foundations remaining from the two northern wings that were damaged by the 2010 tornado.
- Use an abridged compilation of spaces in terms of gross square footage (but not detailed program requirements) to develop design concepts.
- Develop architectural concepts to renew the existing building façade.
- Develop architectural concepts for any potential additions reusing the foundations of the previous northern wings.
- Develop conceptual landscape and site plans for exterior areas including pedestrian circulation and physical connections with the Secrest Arboretum.
- Assess utility and infrastructure needs to support the program for the facility.
- Prepare conceptual cost estimates for 1) the Secrest Arboretum Welcome Center, 2) the remaining building and 3) reuse of the foundations of the previous northern wings.
- Develop computer-generated model for two concept images for the building and site, including text describing the concepts, for fundraising purposes.

The goals include:

- Achieve an integrated, flexible, and engaging public outreach center.
- Meet programming needs.
- Develop architecture and landscape that is compatible with the Secrest Arboretum and advances its goals.

If the University amends the contract for full design services, the following will be applicable.

The selected A/E, as a portion of its required Scope of Services and prior to submitting its proposals, will discuss and clarify with the Owner/Contracting Authority, the cost breakdown of the Architect/Engineer Agreement detailed cost components to address the Owner's project requirements. Participate in the Encouraging Growth, Diversity & Equity (EDGE) Program as required by statute and the Agreement. Required Professional Liability Insurance will be per Exhibit A – A/E Terms and Conditions Article 7.2.6.

As required by the Agreement, and as properly authorized, provide the following categories of services: Schematic Design, Design Development, Construction Document Preparation, Bid and Award Support, Conformed Documents, Construction Administration, Post-Construction, and Additional Services of all types.

Request for Qualifications (Architect / Engineer)

State of Ohio Standard Forms and Documents

Refer to the *OFC Manual* for additional information about the type and extent of services required for each. A copy of the standard Agreement can be obtained at the OFCC website at <http://ofcc.ohio.gov>.

The selected A/E will be required to sign the standard agreement. No modifications to the requirements in the agreement will be accepted.

During the construction period, the selected firm will be required to provide the negotiated hours with a starting minimum of four (4) hours (excluding travel time) on-site construction administration services each week, including (1) attendance at progress meetings, (2) a written field report of each site visit, (3) on-site representation comprised of the A/E and its consultant staff involved in the primary design of the project, all having relevant and appropriate types of construction administration experience.

For purposes of completing the Relevant Project Experience Matrix in Section F of the Statement of Qualifications (Form F110-330), below is a list of relevant scope of work requirements for this RFQ:

1. Higher education facility
2. Project built for State of Ohio institution
3. A food, agriculture, environmental science facility

For the purpose of the selection of 10 Relevant Projects in Section F of the Statement of Qualification (Form F110-330), projects must be designed by the Lead Firm.

C. Funding / Estimated Budget

Total Project Cost	<u>TBD</u>	State Funding	<u>\$0</u>
Construction Cost	<u>TBD</u>	Other Funding	<u>\$25,000</u>
Estimated A/E Fee	<u>\$25,000</u>		

NOTE: The A/E fee percentage for this project includes all professional design services, and consultant services necessary for proper completion of the Basic Services for the successful completion of the project, including but not limited to: review and verification of the Program of Requirements provided by the Owner, validation of existing site conditions (but not subsurface or hidden conditions), preparation of cost estimates and design schedules for the project. Fees may be negotiated and allocated for Additional Services (e.g., creation of a Program of Requirements, extensive evaluation or validation of site conditions, extensive pre-design investigations, code-required special inspection and testing, Quality Assurance testing during the construction period, and testing due to unforeseen conditions).

D. Services Required (see note below)

Primary	<u>Architect</u>
Secondary	<u>Landscape Architect and Planning</u>
	<u>Mechanical, Electrical, Plumbing,</u>
	<u>Structural, Civil</u>
	<u>Cost Estimating</u>
	<u>_____</u>
	<u>_____</u>

The following services will be selected in consultation with the University: Hazardous Materials, Testing & Geotechnical Services

Others _____

E. Anticipated Schedule

Professional Services Start	<u>09 / 15</u>
Construction Notice to Proceed	<u>mm / yy</u>
Substantial Completion of all Work	<u>mm / yy</u>
Professional Services Completed	<u>mm / yy</u>

F. EDGE Participation Goal

Percent of *initial* TOTAL A/E Fee 5.0%

NOTE: The primary A/E shall be (1) a registered architect holding a license and certificate of authorization issued by the Ohio Architects Board pursuant to ORC Chapter 4703, (2) a landscape architect holding a license and certificate of authorization issued by the Ohio Landscape Architects Board pursuant to ORC Chapter 4703, or (3) a professional engineer or professional surveyor holding a license and certificate of authorization issued by the Ohio Engineers and Surveyors Board pursuant to ORC Chapter 4733.

G. Evaluation Criteria for Selection

- Demonstrated ability to meet Owner's project vision, scope, budget, and schedule on previous projects.
- Previous experience compatible with the proposed project (e.g., higher education facility; food, agriculture, environmental science facility; experience with projects for State of Ohio institution).
- Relevant past work of prospective firm's proposed consultants.
- Past performance of prospective firm and its proposed consultants.

Request for Qualifications (Architect / Engineer) continued

- Qualifications and experience of individuals directly involved with the project.
- Proposer's previous experience (numbers of projects, sizes of projects) when working with its proposed consultants.
- Design quality and demonstrated ability of prospective firm and its proposed consultants to provide design services which represent the University's *Design Guidelines for Buildings and Landscape* fod.osu.edu/masterplans/buildings-landscape.pdf
- Experience and capabilities of creating or using Critical Path Method (CPM) schedules and of using CPM schedules as a project management resource.
- Proximity of prospective firms to the project site.
- Proposer's apparent resources and capacity to meet the needs of this project.

Interested A/E firms are required to address how they will implement Building Information Modeling ("BIM") on the project, experience and level of training of staff related to BIM, incorporation of team partners that have previous BIM experience, and an understanding of collaborative BIM processes, including but not limited to The Ohio State University Building Information Modeling (BIM) Project Delivery Standards http://fod.osu.edu/bim/ohio-state_bim_pds.pdf.

Interested A/E firms are required to submit the Commitment to Participate in the EDGE Business Assistance Program form in its Statement of Qualifications (Form F110-330) Section H. Additional Information submitted in response to the RFQ, to indicate its intent to contract with and use EDGE-certified Business Enterprise(s), as a part of the A/E's team. The Intent to Contract and to Perform and / or waiver request letter and Demonstration of Good Faith Effort form(s) with complete documentation must be attached to the A/E's Technical Proposal. Both forms can be accessed via the OFCC website at <http://ofcc.ohio.gov>. The Intent to Contract and to Perform form is again required at the Fee Proposal stage.

For all Statements of Qualifications, please identify the EDGE-certified Business Enterprises, by name, which will participate in the delivery of the proposed professional services solicited in the RFQ.

H. Submittal Instructions

Firms are required to submit the current version of Statement of Qualifications (Form F110-330) available via the OFCC website at <http://ofcc.ohio.gov>.

Electronic submittals should be combined into one PDF file named with the project number listed on the RFQ and your firm's name. Use the "print" feature of Adobe Acrobat or similar software for creating a PDF rather than using a scanner. If possible, please reduce the file size of the PDF. In Acrobat, go to Advanced, then PDF Optimizer. Also, please label the CD or DVD and the sleeve with the project number and firm name if applicable.

Paper copies of the Statement of Qualifications, if requested, should be stapled only. Do not use special bindings or coverings of any type. Cover letters and transmittals are not necessary.

Facsimile copies of the Statement of Qualifications will not be accepted.

Do not submit subconsultants for the following services as they will be selected in consultation with the University: Hazardous Materials, Testing, and Geotechnical Services. These subconsultants are not eligible for consideration in meeting the stated EDGE goals.

Firms are requested to identify professional registrations, memberships and credentials including: LEED GA, LEED AP, LEED AP+, CCCA, CCM, CCS, CDT, CPE, DBIA, and any other appropriate design and construction industry credentials. Identify that information on the resume page for individual in Block 22, Section E of the F110-330 form.

Submit the requested number of Statements of Qualifications (Form F110-330) directly to Beth Nagel at 1851 N. Research Drive, Bowling Green, Ohio 43402. See Section H of this RFQ for additional submittal instructions.

Submit all questions regarding this RFQ in writing to Beth Nagel at bnagel@bgsu.edu with the project number included in the subject line (no phone calls please). Questions will be answered and posted to the Opportunities page on the OFCC website at <http://ofcc.ohio.gov> on a regular basis until one week before the response deadline. The name of the party submitting a question will not be included on the Q&A document.

Project Overview

A. Project Description

Bowling Green State University (BGSU) was established in 1910 as a teacher training institution and is a public, non-profit institution of higher education located primarily in the City of Bowling Green, Ohio with a regional campus, Firelands College, located in Huron, Ohio. BGSU's main campus is located on a 1,300 acre site and includes 119 buildings of various architectural styles; Georgian, Mid-Century Modern to Contemporary.

In 2012, University President Mary Ellen Mazey signed the American College and University President's Climate Commitment, PCC. BGSU is in the process of completing a Climate Action Plan to reduce waste and work toward carbon neutrality.

The University desires to explore the potential for renewable energy installations on the BGSU campus and reduce waste through creative sustainable solutions.

B. Scope of Services

BGSU is issuing a Request for Proposal for consultant services to develop a comprehensive plan and make recommendations for installations of renewable energy technologies and waste reduction initiatives.

1. At a minimum, the consultant will consider the following renewable energy technologies, including but not limited to:
 - Solar (thermal and photovoltaic)
 - Wind (ground mounted and building integrated)
 - Geothermal
 - Biofuels and biomass
 - Fuel cells
 - Cogeneration
2. For each of the renewable energy technologies the following shall be considered when preparing the final report:
 - Site orientation and conditions, including geology
 - State and local regulatory requirements
 - Costs related to installation and operations
 - Existing utility infrastructure
 - Proximity to utility connection
 - Historical, archeological and/or culturally significant buildings and sites
3. Waste reduction

G. Evaluation Criteria for Selection

- Demonstrated ability to meet Owner's programmed project vision, scope, budget, and schedule on previous projects.
- Previous experience compatible with the proposed project (e.g., type, size).
- Proximity of prospective firms to the project site.
- Proposer's apparent resources and capacity to meet the needs of this project.
- The selected A/E and all its consultants must have the capability to use the Internet within their normal business location(s) during normal business hours.

Interested A/E firms are required to submit the Commitment to Participate in the EDGE Business Assistance Program form in its Statement of Qualifications (Form F110-330) submitted in response to the RFQ, to indicate its intent to contract with and use EDGE-certified Business Enterprise(s), as a part of the A/E's team. The Intent to Contract and to Perform and / or waiver request letter and Demonstration of Good Faith Effort form(s) with complete documentation must be attached to the A/E's Technical Proposal. Both forms can be accessed via the OFCC website at <http://ofcc.ohio.gov>. The Intent to Contract and to Perform form is again required at the Fee Proposal stage.

For all Statements of Qualifications, please identify the EDGE-certified Business Enterprises, by name, which will participate in the delivery of the proposed professional services solicited in the RFQ.

H. Submittal Instructions

Firms are required to submit the current version of Statement of Qualifications (Form F110-330) available via the OFCC website at <http://ofcc.ohio.gov>.

Paper copies of the Statement of Qualifications, if requested, should be stapled only. Do not use special bindings or coverings of any type. Cover letters and transmittals are not necessary.

Electronic submittals should be combined into one PDF file named with the project number listed on the RFQ and your firm's name. Use the "print" feature of Adobe Acrobat Professional or similar software for creating a PDF rather than using a scanner. If possible, please reduce the file size of the PDF. In Adobe Acrobat Professional, go to Advanced, then PDF Optimizer. Electronic submittals on flash drive is preferred over CD.

Facsimile or e-mailed copies of the Statement of Qualifications will not be accepted.

Firms are requested to identify professional registrations, memberships and credentials including but not limited to: LEED GA, LEED AP, LEED AP+, CCCA, CCM, CCS, CDT, DBIA, CPE, and any other appropriate design and construction industry credentials. Identify that information on the resume page for individual in Block 22, Section E of the F110-330 form.

Submit the requested number of Statements of Qualifications (Form F110-330) directly to Beth Nagel at 1851 N. Research Drive, Bowling Green, OH 43403. See Section G of this RFQ for additional submittal instructions.

Submit all questions regarding this RFQ in writing to Beth Nagel at bnagel@bgsu.edu with the project number included in the subject line (no phone calls please). Questions will be answered and posted to Opportunities page on the OFCC website at <http://ofcc.ohio.gov> on a regular basis until one week before the response deadline. The name of the party submitting a question will not be included on the Q&A document.

Project Overview

A. Project Description

The BGSU Campus Master Plan, approved by the Board of Trustees in June 2010, recommended the transformation and regeneration of the Academic Core of the Bowling Green Campus. While continuing to support investments in student life, the next phase of the master plan (now underway) includes full renovations of Hanna, Moseley, University and South Halls (the Traditions Buildings); significant renovations of Eppler, Olscamp and the current College of Business Administration (the North Campus Core); and a new building for the College of Business Administration. In addition to these major upgrades of academic buildings, the plan recommended targeted improvements to address long-standing deferred maintenance needs, and modernization of selected classrooms and instructional spaces in order to upgrade information technology, room furnishings and audio-visual equipment.

BGSU assembled a Master Planning Team which is preparing a Concept Design Package for this project. This team worked with the end users, academic leadership and BGSU Capital Planning to develop a program of requirements, a test fit of those requirements in the University Hall building and estimate of the proposed scope of work. The current draft of the Concept Design documents are attached for reference. As the project progresses through the Construction Documentation this Master Plan team will continue to work with the selected Architect/Engineer to transfer historical knowledge and to ensure the Concept Design intent is maintained. Completion of the Final Concept Design documents is scheduled for August 2015. These are to include the Program, Test Fit, Design Narrative (including MEPFP), Site Plan and Construction Estimate.

The planned scope for University Hall proposes to create a dynamic facility that contains high-impact programs that define the BGSU undergraduate experience. These include: the BGSU Center for Civic Engagement and Public Service, Pre-professional Programs, Pre-Major Advising, International Programs and Partnerships, AIMS, COSMOS, the Center for Undergraduate Research, ACTION, and the Learning Communities Office. The BGSU Office of Admissions also will be re-located into the building. And finally, the building will contain six cutting-edge classrooms modeled after those contained in the Olscamp Hall learning space prototype. The specific location of these programs in University Hall is being finalized.

While still at the conceptual stage, the design will include several noteworthy features. The traditional exterior entrance on the west side of the building will be rehabilitated so that the building will have a commanding visual presence on the quadrangle as it once did. In addition, the interior entry lobby and stairs will be preserved as a gesture to the historical significance of the original building.

The design of the Admissions area on the second level will draw from some of the most dynamic and progressive precedents of leading universities. It will be easily accessible for those who approach the building from the west, and who will experience a walk through the elegant traditions quadrangle as part of their first experience on the BGSU campus. The reception, pre-function and presentation spaces will be cutting edge and reflect positively on the reputation of BGSU, setting the stage for a positive, high-impact visit by parents and prospective students. The location of the Admissions function within the building will enable prospective students to experience the progressive nature of their BGSU academic career by virtue of having the high-impact programs located in the same building – all conveniently accessible within

Request for Qualifications (CM Adviser) continued

University Hall. Finally, the space planning and programming has ensured that commonly used spaces such as meeting and conference rooms will be equipped with leading edge technology located throughout the building to ensure they are viewed as shared resources, and not unnecessarily duplicative.

B. Scope of Services

Bowling Green State University is seeking to engage a CM Adviser to provide design stage and construction stage services for the \$28.5MM renovation of University Hall. The CM Adviser shall demonstrate competency in (a) guiding project team towards attainment of established goals, (b) establishing project cost management systems, (c) developing a complete General Contract bid package that mitigates Owner risk, and (d) assisting General Contractor in completing an on-time/high-quality project.

The selected Construction Manager (CM), as a portion of its required Scope of Services and prior to submitting its implementation plan and proposal, will discuss and clarify with the Owner and the Contracting Authority the breakdown of the Construction Manager Agreement detailed cost components to address the Owner's project requirements and refine the project schedule. Participate in the Encouraging Growth, Diversity & Equity (EDGE) Program as required by statute and the Agreement.

As required by the Agreement, and as properly authorized, provide the following categories of services: provide constructability review comments on documents produced by the Architect/Engineer during the Pre-design, Schematic Design, Design Development, and Construction Document stages; develop and maintain estimates of probably construction cost, value engineering, project schedules, and construction schedules; provide support during the Bid and Award Stage, Construction Stage and Post-Construction Stage.

Refer to the *OFC Manual* and/or the *Ohio School Design Manual* for additional information about the type and extent of services required for each. A copy of the standard Agreement can be obtained at the OFCC website at <http://ofcc.ohio.gov>.

During the construction period, provide on-site construction management services each week as designated in the CM implementation plan, including (1) attendance at progress meetings, (2) written daily reports, (3) on-site representation comprised of the CM and its consultant staff involved in the project, all having relevant and appropriate types of construction management experience.

For purposes of completing the Relevant Project Experience Matrix in Section F of the Statement of Qualifications (Form F110-330), below is a list of relevant scope of work requirements for this RFQ:

1. Design Stage Estimating and Budget Reconciliation
2. Constructability Reviews and Clash Detection
3. Bidding Document Assembly
4. Site Logistics Planning
5. Higher Education and/or K-12 agency CM experience
6. Schedule Development and Analysis
7. Construction Progress/Quality Assessments

C. Funding / Estimated Budget

Total Project Cost	<u>\$28,500,000</u>	State Funding	<u>\$0.00</u>
Construction Cost	<u>\$18,500,000</u>	Other Funding	<u>\$28,500,000</u>
Estimated CM Fee	<u>1.5% to 2.5%</u>		

NOTE: The CM fee percentage for this project includes all professional CM services, and consultant services necessary for proper completion of the Basic Services for the successful completion of the project, including but not limited to: review and verification of the Program of Requirements provided by the Owner or A/E, validation of existing site conditions (but not subsurface or hidden conditions), preparation of cost estimates and schedules for the project. Fees may be negotiated and allocated for Additional Services (e.g., extensive evaluation or validation of site conditions, extensive pre-design investigations, etc.)

D. Anticipated Schedule

CM Services Start (mm/yy)	<u>09 / 15</u>
Construction Stage Start (mm/yy)	<u>05 / 16</u>
CM Services Completed (mm/yy)	<u>10 / 17</u>
Construction Stage Completed (mm/yy)	<u>11 / 17</u>

E. EDGE Participation Goal

Percent of <i>initial</i> TOTAL CM Fee	<u>5.0%</u>
--	-------------

Request for Qualifications (CM Adviser) continued

F. Evaluation Criteria for Selection

- Demonstrated ability to meet Owner's programmed project vision, scope, budget, and schedule on previous projects.
- Previous experience compatible with the proposed project (e.g., type, size).
- Relevant past work of prospective firm's proposed consultants.
- Past performance of prospective firm and its proposed consultants.
- Qualifications and experience of individuals directly involved with the project.
- Proposer's previous experience (numbers of projects, sizes of projects) when working with its proposed consultants.
- Experience and capabilities of creating or using Critical Path Method (CPM) schedules and of using CPM schedules as a project management tool.
- Experience and capabilities of developing cost estimates.
- Approach to and success of using partnering and Alternative Dispute Resolution.
- Proximity of prospective firms to the project site.
- Proposer's apparent resources and capacity to meet the needs of this project.
- The selected CM and all its consultants must have the capability to use the Internet within their normal business location(s) during normal business hours.

Interested CM firms are required to address how they will implement Building Information Modeling ("BIM") on the project, experience and level of training of staff related to BIM, incorporation of team partners that have previous BIM experience, and an understanding of collaborative BIM processes, including but not limited to the *State of Ohio BIM Protocol* available at the OFCC website at <http://ofcc.ohio.gov>.

Interested CM firms are required to submit the Commitment to Participate in the EDGE Business Assistance Program form in its Statement of Qualifications (Form F110-330) submitted in response to the RFQ, to indicate its intent to contract with and use EDGE-certified Business Enterprise(s), as a part of the CM's team. The Intent to Contract and to Perform and / or waiver request letter and Demonstration of Good Faith Effort form(s) with complete documentation must be attached to the CM's Proposal. Both forms can be accessed via the OFCC website at <http://ofcc.ohio.gov>. The Intent to Contract and to Perform form is again required at the Fee Proposal stage.

For all Statements of Qualifications, please identify the EDGE-certified Business Enterprises, by name, which will participate in the delivery of the proposed professional services solicited in the RFQ.

G. Submittal Instructions

Firms are required to submit the current version of Statement of Qualifications (Form F110-330) available via the OFCC website at <http://ofcc.ohio.gov>.

Paper copies of the Statement of Qualifications, if requested, should be stapled only. Do not use special bindings or coverings of any type. Cover letters and transmittals are not necessary.

Electronic submittals should be combined into one PDF file named with the project number listed on the RFQ and your firm's name. Use the "print" feature of Adobe Acrobat Professional or similar software for creating a PDF rather than using a scanner. If possible, please reduce the file size of the PDF. In Adobe Acrobat Professional, go to Advanced, then PDF Optimizer. Also, please label the flash drive with the project number and firm name.

Facsimile or e-mailed copies of the Statement of Qualifications will not be accepted.

Unless otherwise noted or exempt, all documents submitted to the Contracting Authority in response to this RFQ or RFP are public and will be available for inspection at the conclusion of the selection process. The following information shall remain confidential and will not be released: (1) Proposal Form(s), except for cost category subtotals which will be transferred to the Best Value Rating Form; (2) Financial Capacity; and (3) Bonding/Insurance.

Firms are requested to identify professional registrations, memberships and credentials including but not limited to: LEED GA, LEED AP, LEED AP+, CCCA, CCM, CCS, CDT, DBIA, CPE, and any other appropriate design and construction industry credentials. Identify that information on the resume page for individual in Block 22, Section E of the F110-330 form.

Cincinnati, Ohio 45219

See Section H of this RFQ for additional submittal requirements.

Submit all questions regarding this RFQ in writing to Dale Beeler at dale.beeler@uc.edu with the project number included in the subject line (**no phone calls please**). Questions will be answered and posted to the Opportunities page on the OFCC website at <http://ofcc.ohio.gov> on a regular basis until one week before the response deadline. The name of the party submitting a question will not be included on the Q&A document.

Project Overview

A. Project Description

The University of Cincinnati, Lindner College of Business, due to continued exceptional growth in both graduate and undergraduate programs, and, in light of space needs and existing aging facilities, requires a new building on UC's Uptown west campus.

This RFQ continues the design process by soliciting local Architect of Record teams for consideration.

This solicitation includes all required design team members **EXCEPT** the Design Architect. (Separate selection underway) It is the University's intention to assign the Design Architect's contract to the selected AOR for administration and coordination. The University also reserves the right to augment the proposed A/E team's consultant base as necessary to execute the design to the requisite level.

Project funding is currently approved through Schematic Design services only. However, the University reserves the right to amend the existing contracts of all participants to extend beyond initial design services, if and when the project is fully approved.

Space analysis and programming work is underway, and a tentative site has been identified on the west campus. This site, currently occupied by the Alumni Center and the unused Faculty Club building, anchors the northern terminus of UC's MainStreet. The projected multi-story building will house most, but not all, facilities for students and faculty for the College of Business.

The new facility is functionally and visually critical to the continued success of both MainStreet and Campus Green master planning implemented over the past three decades. It will serve to connect both recreational and academic open spaces and structures that are carefully woven into the heart of the West Campus. This site is situated at the locus of these diverse functions. Its adjacency to numerous iconic buildings and public spaces warrants the highest degree of planning, design and construction excellence.

A Program of Requirements and preliminary budget estimate are currently under development and will be shared with firms selected for subsequent interviews. Upon approval, construction of the new 250,000 to 275,000 +/- GSF, state-of-the-art business school will be via the Construction Manager at-Risk delivery method.

Request for Qualifications (Architect / Engineer)

State of Ohio Standard Forms and Documents

B. Scope of Services

The project is conceived to be accomplished in two phases:

Phase One

This initial phase will consist of **Program Verification** and **Schematic Design** with the goal of producing a unique and provocative design that fulfills the building's extensive POR and leverages the site's assets while working within the available budget.

The building plans, sections, elevations and outline specifications shall be produced to allow the creation of Schematic Design cost estimates by the AoR and the CM@R. In addition to Schematic Design documents, the University will require a level of 2-D and 3-D presentation documents sufficient for Board of Trustees (BOT) review and approval and potential fundraising uses.

The design team will also present their project to the University's Design Review Committee (DRC) for review and comment.

Phase Two

This phase, if and when authorized, consists of all remaining required A/E services for Design Development, Construction Documents, Bidding, Construction Administration, Close-Out and Additional Services as requested.

Pending University approval of the Schematic Design concept and budget, the University reserves the right to amend the scope of services agreements to continue the project to completion. The University also reserves the right to solicit a new project team or to cancel the project entirely.

Phased documentation is anticipated to maintain aggressive construction scheduling.

During the construction period, provide not less than 40 hours (excluding travel time) on-site construction administration services each week, including (1) attendance at progress meetings, (2) a written field report of each site visit, (3) on-site representation comprised of the A/E and its consultant staff involved in the primary design of the project, all having relevant and appropriate types of construction administration experience.

Refer to the *Ohio Facilities Construction Manual* for additional information about the type and extent of services required for each. A copy of the standard Agreement can be obtained at the OFCC website at <http://ofcc.ohio.gov>.

For purposes of completing the Relevant Project Experience Matrix in Section F of the Statement of Qualifications (Form F110-330), below is a list of relevant scope of work requirements for this RFQ:

1. Previous experience working with national Design Architect firms.
2. Previous experience with similar Higher Education instructional buildings >50,000 SF
3. Previous experience with the University of Cincinnati
4. Previous experience with large CM@R construction projects > \$50 Mil
5. Previous experience with constrained, urban construction sites
6. Previous experience with high efficiency building design, LEED silver and above
7. Previous experience with complex building program verification
8. Previous experience with expedited delivery methods and Phased GMP schedules
9. Previous experience with full Revit/BIM modeling projects
10. Previous experience with A/E cost estimating on large projects

C. Funding / Estimated Budget

Total Project Cost	<u>\$110-135 Mil. range</u>	State Funding	<u>\$0</u>
Construction Cost	<u>\$85-110 Mil. range</u>	Other Funding	<u>All</u>
Estimated A/E Fee	<u>8.0% to 10.0%</u>		

NOTE: The A/E fee percentage for this project includes all professional design services, and consultant services necessary for proper completion of the Basic Services for the successful completion of the project, including but not limited to: review and verification of the Program of Requirements provided by the Owner, validation of existing site conditions (but not subsurface or hidden conditions), preparation of cost estimates and design schedules for the project. Fees may be negotiated and allocated for Additional Services (e.g., creation of a Program of Requirements, extensive evaluation or validation of site conditions, extensive pre-design investigations, code-required special inspection and testing, Quality Assurance testing during the construction period, and testing due to unforeseen conditions).

Professional Services Start	<u>11 / 15</u>
Construction Notice to Proceed	<u>tbd / yy</u>
Substantial Completion of all Work	<u>tbd / yy</u>
Professional Services Completed	<u>tbd / yy</u>

F. EDGE Participation Goal

Percent of <i>initial</i> TOTAL A/E Fee	<u>5.0%</u>
---	-------------

NOTE: The primary A/E shall be (1) a registered architect holding a license and certificate of authorization issued by the Ohio Architects Board pursuant to ORC Chapter 4703, (2) a landscape architect holding a license and certificate of authorization issued by the Ohio Landscape Architects Board pursuant to ORC Chapter 4703, or (3) a professional engineer or professional surveyor holding a license and certificate of authorization issued by the Ohio Engineers and Surveyors Board pursuant to ORC Chapter 4733.

G. Evaluation Criteria for Selection

- Demonstrated ability to meet Owner's programmed project vision, scope, budget, and schedule on previous projects.
- Previous experience compatible with the proposed project (e.g., type, size).
- Relevant past work of prospective firm's proposed consultants.
- Past performance of prospective firm and its proposed consultants.
- Qualifications and experience of individuals directly involved with the project.
- Proposer's previous experience (numbers of projects, sizes of projects) when working with its proposed consultants.
- Specification writing credentials and experience.
- Experience and capabilities of creating or using Critical Path Method (CPM) schedules and of using CPM schedules as a project management resource.
- Approach to and success of using partnering and Alternative Dispute Resolution.
- Proximity of prospective firms to the project site.
- Proposer's apparent resources and capacity to meet the needs of this project.
- The selected A/E and all its consultants must have the capability to use the Internet within their normal business location(s) during normal business hours.

Interested A/E firms are required to address how they will implement Building Information Modeling ("BIM") on the project, experience and level of training of staff related to BIM, incorporation of team partners that have previous BIM experience, and an understanding of collaborative BIM processes, including but not limited to the *State of Ohio BIM Protocol* available at the OFCC website at <http://ofcc.ohio.gov>.

Interested A/E firms are required to submit the Commitment to Participate in the EDGE Business Assistance Program form in its Statement of Qualifications (Form F110-330) submitted in response to the RFQ, to indicate its intent to contract with and use EDGE-certified Business Enterprise(s), as a part of the A/E's team. The Intent to Contract and to Perform and / or waiver request letter and Demonstration of Good Faith Effort form(s) with complete documentation must be attached to the A/E's Technical Proposal. Both forms can be accessed via the OFCC website at <http://ofcc.ohio.gov>. The Intent to Contract and to Perform form is again required at the Fee Proposal stage.

For all Statements of Qualifications, please identify the EDGE-certified Business Enterprises by name that will participate in the delivery of the proposed professional services solicited in the RFQ.

H. Submittal Instructions

Firms are required to submit the current version of Statement of Qualifications (Form F110-330) available via the OFCC website at <http://ofcc.ohio.gov>.

Electronic submittals should be combined into one PDF file named with the project number listed on the RFQ and your firm's name. Use the "print" feature of Adobe Acrobat or similar software for creating a PDF rather than using a scanner. If possible, please reduce the file size of the PDF. In Acrobat, go to Advanced, then PDF Optimizer. Also, please label the CD or DVD and the sleeve with the project number and firm name if applicable.

Paper copies of the Statement of Qualifications, if requested, should be stapled only. Do not use special bindings or coverings of any type. Cover letters and transmittals are not necessary.

Facsimile copies of the Statement of Qualifications will not be accepted.

Firms are requested to identify professional registrations, memberships and credentials including: LEED GA, LEED AP, LEED AP+, CCCA, CCM, CCS, CDT, CPE, DBIA, and any other appropriate design and construction industry credentials. Identify that information on the resume page for individual in Block 22, Section E of the F110-330 form.

Request for Qualifications (Design-Build Contract)

State of Ohio Standard Forms and Documents

Administration of Project: Local Higher Education

Project Name	<u>Varsity Tennis Courts</u>	Response Deadline	<u>9/21/2015</u>	<u>2:00 pm</u>	local time
Project Location	<u>West Yager Stadium - Oxford Campus</u>	Project Number	<u>MUN-100058</u>		
City / County	<u>Oxford / Butler</u>	Project Manager	<u>Vincent Cirrito</u>		
Owner	<u>Miami University</u>	Contracting Authority	<u>Local Higher Education</u>		
Delivery Method	<u>Design-Build</u>	Prevailing Wages	<u>State</u>		
No. of paper copies requested (stapled, not bound)	<u>3</u>	No. of electronic copies requested (PDF)	<u>1</u>		

Submit the requested number of Statements of Qualifications (Form F110-330) directly to Betsy Davidson at Cole Service Building, Miami University, 101 South Fisher Drive, Oxford, OH 45056. See Section G of this RFQ for additional submittal instructions.

Submit all questions regarding this RFQ in writing to Vincent Cirrito at cirritv@miamiOH.edu with the project number included in the subject line (no phone calls please). Questions will be answered and posted on both the OFCC website at <http://ofcc.ohio.gov> and the Miami University Facilities Contracting Office web page at <http://pfd.miamioh.edu/fco/> on a regular basis until one week before the response deadline. The name of the party submitting a question will not be included on the Q&A document.

Project Overview

A. Project Description

This project will construct a new tournament level outdoor tennis court complex. The project site is located northwest of Miami's Yager Stadium immediately north of the existing field hockey field. The facility will include six (6) competitive level hardcourt courts and two (2) practice hardcourt courts and include court lighting, score board, viewing area, hose bibs, and drinking fountain.

For the past three consecutive seasons, Miami University's women's tennis team has claimed the Mid-American Conference (MAC) Tennis Tournament Championships. The team's current tennis courts located near the McKee baseball field will be deconstructed (by others) and the resulting open space used as a future residential building site.

The University will self-perform Criteria A/E services.

B. Scope of Services

As required by the Agreement, and as properly authorized, provide the following categories of services: develop and maintain estimates of probable construction cost, value engineering, project schedules, and construction schedules; lead and manage the Schematic Design, Design Development, Subcontractor Prequalification and Bidding process, Construction Documents, Construction and Closeout stages.

Refer to the *Ohio Facilities Construction Manual* additional information about the type and extent of services required for each. A copy of the standard Agreement can be obtained at the OFCC website at <http://ofcc.ohio.gov>.

The preconstruction and construction services are generally described below. Subcontracts including Plumbing, Fire Protection, HVAC, and Electrical trades will be awarded by the Design-Builder ("DB") to prequalified vendors using a competitive process. The parties will engage in an "open book" pricing method in which all subcontracted work shall be based upon competitive pricing that will be reviewed by the Contracting Authority and the Owner, the Criteria A/E and the DB. The Contracting Authority and/or Owner shall have access to all books, records, documents and other data in the DB's possession related to itself, its subcontractors and material suppliers pertaining to bidding, pricing or performance of the Agreement.

Preconstruction Services: The DB will work cooperatively with the Contracting Authority and/or Owner, Criteria A/E and Project Team, and will provide, among other services, schedule development, estimate development, program verification, schematic design, design development, Guaranteed Maximum Price (GMP) proposal, subcontractor prequalification and bidding, construction documents preparation, constructability review, permits, budgeting, value engineering, and preconstruction planning throughout the preconstruction stages. When the drawings and specifications

Request for Qualifications (Design-Build Contract) continued

are at a stage of completion specified in the Agreement, such partially completed documents (the "Basis Documents") shall be provided to the DB, together with the Architect/Engineer of Record's ("AOR") detailed listing of any incomplete design elements and the AOR's statement of intended scope with respect to such incomplete elements (the "Design Intent Statement"). Contingent upon the Contracting Authority's approval of the GMP, the parties will enter into an amendment to the Agreement establishing the Contract Sum ("GMP Amendment"). If the proposed Contract Sum exceeds the Project Budget established for construction, then the Contracting Authority may terminate the agreement with the DB and seek proposals from other firms for completion of the Project.

Construction Services: The DB shall construct the Project pursuant to the construction documents and in accordance with the schedule requirements. The DB shall hold all subcontracts and shall be fully responsible for the means and methods of construction, weekly progress meetings, testing and inspections, project safety, project completion within the schedule agreed upon in the preconstruction phase, compliance with all applicable laws and regulations including monitoring compliance with all EDGE, equal employment, and prevailing wage requirements, and submitting monthly reports of these activities to the Contracting Authority. All subcontracts shall be on the subcontract form prescribed by OAC Section 153:1-03-02. The Contracting Authority reserves the right to approve the DB's selection of subcontractors and any supplemental terms to the subcontract form.

For purposes of completing the Relevant Project Experience Matrix in Section F of the Statement of Qualifications (Form F110-330), below is a list of relevant scope of work requirements for this RFQ:

1. Outdoor Tennis Court Facilities
2. College Athletics and Sports Facilities
3. Civil Engineering

C. Funding / Estimated Budget

Total Project Cost	<u>\$2,000,000</u>	State Funding	<u>\$0</u>
Construction Cost	<u>\$1,400,000</u>	Other Funding	<u>\$2,000,000</u>

D. Anticipated Schedule

DB Preconstruction Services Start	<u>11 / 15</u>
Construction Stage Notice to Proceed	<u>03 / 15</u>
Substantial Completion of all Work	<u>06 / 15</u>
DB Services Completed	<u>07 / 15</u>

E. EDGE Participation Goal

Percent of the DB's total compensation excluding DB's Contingency* 5%

*Preconstruction Stage Compensation plus Contract Sum minus DB's Contingency

F. Evaluation Criteria for Selection

Selection Criteria: The DB will be selected using (i) qualifications-based process during the Request for Qualifications (RFQ) stage to develop a short list and (ii) best value process during the Request for Proposal (RFP) stage. The qualifications-based criteria for the RFQ is included in this announcement. The best value criteria used in evaluating proposals from short listed firms will include such factors that are determined to derive or offer the greatest value to the State and Owner, combining both qualifications and fee.

Short List: Each firm responding to this RFQ will be evaluated and selected based on its qualifications and the qualifications and experience of the particular individuals identified as the candidate's proposed team for the Project. After evaluating the responses to this RFQ, the Contracting Authority will select a short list of no fewer than three candidates that it considers to be the most qualified, except if the Contracting Authority determines that fewer than three firms are qualified, it will only select the qualified firms.

Request for Proposal: The short-listed firms shall be sent a Request for Proposal ("RFP") that will invite the firms to submit pricing proposals containing their proposed preconstruction stage compensation, construction stage personnel costs, itemized construction stage general conditions costs, construction stage contingency percentage, construction stage design fee percentage, and design-build fee percentage. The short-listed candidates will also receive (i) form of the Agreement with the Contracting Authority containing the contract terms and conditions, (ii) set of the most recent criteria documents and (iii) proposed Project schedule.

Pre-Proposal Meeting: Prior to submitting a response to the RFP, the short-listed firms will be invited to meet individually with the Contracting Authority and the Owner. The purpose of the pre-proposal meeting is to permit the short-listed firms an opportunity to ask the Contracting Authority and the Owner questions in an individual setting to help the firms prepare

Request for Qualifications (Design-Build Contract) continued

their responses to the RFP. The Contracting Authority will notify each short-listed firm to schedule individual times for the pre-proposal meetings.

Interview: After submitting responses to the RFP, the short-listed firms will be interviewed by the Contracting Authority and representatives of the Owner. The purpose of the interview will be to meet the proposed Project team, become familiar with key personnel, and understand the project approach and ability to meet the stated objectives for the Project. Please be prepared to discuss with specificity the firm's capacity to conduct this work in compliance with the timetable, budget and EDGE expectations. The Contracting Authority will notify each short-listed firm to schedule individual times for the interviews.

Selection Schedule: Tentative schedule is subject to change.

RFP issued to the Short-Listed Firms	9/29/15
Proposals Due from Short-Listed Firms	10/9/15
Interviews	10/14/15
Selection of DB	10/16/15

Cancellation and Rejection: The Contracting Authority reserves the right to reject all proposals and cancel at any time for any reason this solicitation, any portion of this solicitation or any phase of the Project. The Contracting Authority shall have no liability to any proposer arising out of such cancellation or rejection. The Contracting Authority reserves the right to waive minor variations in the selection process.

Interested DB firms are required to submit the Commitment to Participate in the EDGE Business Assistance Program form in its Statement of Qualifications (Form F110-330) submitted in response to the RFQ, to indicate its intent to contract with and use EDGE-certified Business Enterprise(s), as a part of the DB's team. The EDGE Affidavit and / or waiver request letter and Demonstration of Good Faith Effort form(s) with complete documentation must be attached to the DB's Proposal. Both forms can be accessed via the OFCC website at <http://ofcc.ohio.gov>.

For all Statements of Qualifications, please identify the EDGE-certified Business Enterprises, by name, which will participate in the delivery of the proposed professional services solicited in the RFQ.

G. Submittal Instructions

Firms are required to submit the current version of Statement of Qualifications (Form F110-330) available via the OFCC website at <http://ofcc.ohio.gov>.

Electronic submittals should be combined into one PDF file named with the project number listed on the RFQ and your firm's name. Use the "print" feature of Adobe Acrobat or similar software for creating a PDF rather than using a scanner. If possible, please reduce the file size of the PDF. In Acrobat, go to Advanced, then PDF Optimizer. Also, please label the CD or DVD and the sleeve with the project number and firm name if applicable.

Paper copies of the Statement of Qualifications, if requested, should be stapled only. Do not use special bindings or coverings of any type. Cover letters and transmittals are not necessary.

Facsimile copies of the Statement of Qualifications will not be accepted.

Unless otherwise noted or exempt, all documents submitted to the Contracting Authority in response to this RFQ and subsequent RFP are public and will be available for inspection at the conclusion of the selection process. The following information shall remain confidential and will not be released: (1) Proposal Form(s), except for cost category subtotals which will be transferred to the Best Value Rating Form; (2) Financial Capacity; and (3) Bonding/Insurance.

Proposers are requested to submit the following information in response to this RFQ within Section H of Form F110-330.

1. **Summary:** Provide a summary, on one page or less, describing why your firm/team is the most qualified for the Project.
2. **Bonding/Insurance:** Provide evidence of capacity to provide bonding in the amount of the construction budget (e.g. a letter from your Surety agent stating that one or more Sureties will issue Bonds in the amount of the construction budget if your team is selected) and a copy of the firm's certificate of insurance showing the firm's current limits of liability for commercial general liability, employer's liability, business automobile liability, and professional liability insurance.
3. **Management Systems:** Describe the scheduling and cost control systems the firm would propose to use for the Project

Request for Qualifications (Design-Build Contract) continued

4. Self-Performed Work: Indicate whether the firm intends to self-perform any work on the Project through a competitive process and, if so, the nature of the work and capability to self-perform.
5. Estimating: Demonstrated track record of performance of in-house estimating on projects comparable to the Project.
6. Scheduling: Demonstrated track record of performance of managing projects to the original schedule.

Firms are requested to identify professional registrations, memberships and credentials including but not limited to: LEED GA, LEED AP, LEED AP+, CCCA, CCM, CCS, CDT, CPE, DBIA, and any other appropriate design and construction industry credentials. Identify that information on the resume page for individual in Block 22, Section E of the F110-330 form.

Design-Build Selection Rating Form

State of Standard Forms and Documents

Project Name Varsity Tennis Courts Proposer Firm _____
 Project Number MUN-100058 City, State, Zip _____

Selection Criteria		Value	Score
1. Primary Firm Location and Workload (Maximum 10 points)			
a. Proximity of firm to project site	Less than 50 miles	5	
	50 miles to 100 miles	2	
	More than 100 miles	0	
b. Amount of contracts awarded by Contracting Authority in previous 24 months	Less than \$200,000	5	
	\$200,000 to \$2,000,000	2	
	More than \$2,000,000	0	
2. Primary Qualifications (Maximum 35 points)			
a. Project management lead	Experience / ability of project manager to manage scope / budget / schedule / quality	0 - 10	Max = 25
b. Project design lead	Experience / creativity of project designer to achieve owner's vision and requirements	0 - 5	
c. Technical staff	Experience / ability of technical staff to coordinate construction documents and develop accurate estimates and schedules	0 - 10	
d. Construction administration staff	Experience / ability of field representatives to identify and solve issues during construction	0 - 10	
3. Key Consultant Qualifications (Maximum 15 points)			
a. Key consultants	Experience / ability of key consultants to perform effectively and collaboratively	0 - 10	
b. Proposed EDGE-certified Consultant participation*	One point for every 2 percent increase in Services compensation** over the EDGE participation goal	0 - 5	
4. Overall Team Qualifications (Maximum 10 points)			
a. Previous team collaboration	Less than 2 sample projects	0	Max = 3
	2 to 4 sample projects	2	
	More than 4 sample projects	3	
b. LEED*** Registered / Certified project experience	Registered projects	1	Max = 2
	Certified projects	2	
c. BIM project experience	Training and knowledge	1	Max = 3
	Direct project experience	3	
d. Team organization	Clarity of responsibility / communication demonstrated by table of organization	0 - 2	
5. Overall Team Experience (Maximum 30 points)			
a. Previous team performance	Past performance as indicated by evaluations and letters of reference	0 - 10	
b. Experience with similar projects / delivery methods	Less than 2 projects	0 - 3	
	2 to 4 projects	4 - 6	
	More than 4 projects	7 - 10	
c. Budget and schedule management	Performance in completing projects within original construction budget and schedule	0 - 5	
d. Knowledge of Ohio Capital Improvements process	Less than 2 projects	0 - 1	
	2 to 6 projects	2 - 3	
	More than 6 projects	4 - 5	

* Must be comprised of consulting firm(s) and NOT the lead firm
 ** Preconstruction Stage Compensation plus Contract Sum minus Subcontracted Work, Self-performed Work, and DB's Contingency
 *** Leadership in Energy & Environmental Design administered by the Green Building Certification Institute
