Date revised: 05/02/2018

Below are the questions that have been received to date for the RFQ of the above-referenced project:

1. Does University of Toledo already have a Building Envelope Consultant on the project or will UT be sending out another RFQ for this role?  
A. UT will not be issuing another RFQ for a Building Envelope Consultant in conjunction with this project.
2. Please advise if a façade assessment is included in the scope of services for this project?  
A. A façade assessment is not included in the scope of services for this project.
3. Have you already selected and engaged with the Building Envelope Consultant?  
A. No.
4. If so, what is their scope? Have they already completed all roof assessments?  
A. N/A
5. If not, are they scoped to complete all future roof/envelope assessments?  
A. Yes
6. Our firm has this capability (specialty) in-house. Would you consider using our services, if selected? Or is this consultant intentionally expected to be a separate entity?  
A. This consultant is intentionally expected to be a separate entity.
7. Can you disclose the name of your Building Envelope consultant, if already selected?  
A. N/A
