Project Overview

A. Project Description

- **Build one new Middle/High school for 597 students**
The building is to be approximately 96,953 sf with a total co-funded budget of approximately \$25.2M. This building will be LEED v3 Silver certified.
- The project will incorporate a Storm Shelter per the latest OBBC requirements and an allowance for the cost has been included in the Master Plan amount. A peer review is required per the new requirements.
- There is a Site/Safety Access allowance of \$300,000 assigned to this building.
- Anticipated optional LFI's: Additional classroom area, standing seam metal roof, terrazzo flooring, and additional gymnasium space (total budget of approximately \$3.8M)
- Project scope includes Abatement & Demolition of the existing Noble Elementary school (located at 10553 Haller St.) with a total co-funded budget of \$189K and select Abatement & Demolition of Tinora High School (located at 5921 Domersville Rd.) with a total co-funded budget of \$991K.
- The new middle/high school will be built in the immediate vicinity of the existing high school.
- Formal Commission & Controlling Board approval is expected at the January/February 2018 meetings and the project agreement between OFCC and the Northeastern Local School District would follow accordingly.
- The District has knowledge of 21st Century Learning concepts and would like to explore options. For this reason, the District desires that Visioning Sessions be conducted by the A/E.
- The District has discrete funds to renovate the remaining portion of Tinora High School. This will be a separate AE contract with the District.
- No swing space allowance is included in this project.

B. Scope of Services

The selected A/E, as a portion of its required Scope of Services and prior to submitting its proposals, will discuss and clarify with the Owner and/or the Contracting Authority, the cost breakdown of the Architect/Engineer Agreement detailed cost components to address the Owner's project requirements. Participate in the Encouraging Growth, Diversity & Equity (EDGE) Program as required by statute and the Agreement.

Request for Qualifications (Architect / Engineer) continued

As required by the Agreement, and as properly authorized, provide the following categories of services: Program of Requirements, Schematic Design, Design Development, Construction Document Preparation, Bid and Award Support, Conformed Documents, Construction Administration, Post-Construction, and Additional Services of all types.

Refer to the *Ohio School Design Manual* for additional information about the type and extent of services required for each. A copy of the standard Agreement can be obtained at the OFCC website at <http://ofcc.ohio.gov>.

During the construction period, provide not less than 30 hours (excluding travel time) on-site construction administration services each week, including (1) attendance at progress meetings, (2) a written field report of each site visit, (3) on-site representation comprised of the A/E and its consultant staff involved in the primary design of the project, all having relevant and appropriate types of construction administration experience.

For purposes of completing the Relevant Project Experience Matrix in Section F of the Statement of Qualifications (Form F110-330), below is a list of relevant scope of work requirements for this RFQ:

Interested A/E firms are required to submit the Commitment to Participate in the EDGE Business Assistance Program form in its Statement of Qualifications (Form F110-330) submitted in response to the RFQ, to indicate its intent to contract with and use EDGE-certified Business Enterprise(s), as a part of the A/E's team. The Intent to Contract and to Perform and / or waiver request letter and Demonstration of Good Faith Effort form(s) with complete documentation must be attached to the A/E's Technical Proposal. Both forms can be accessed via the OFCC website at <http://ofcc.ohio.gov>. The Intent to Contract and to Perform form is again required at the Fee Proposal stage.

For all Statements of Qualifications, please identify the EDGE-certified Business Enterprises, by name, which will participate in the delivery of the proposed professional services solicited in the RFQ.

H. Submittal Instructions

Firms are required to submit the current version of Statement of Qualifications (Form F110-330) available via the OFCC website at <http://ofcc.ohio.gov>.

Electronic submittals should be combined into one PDF file named with the project number listed on the RFQ and your firm's name. Use the "print" feature of Adobe Acrobat or similar software for creating a PDF rather than using a scanner. If possible, please reduce the file size of the PDF. In Acrobat, go to Advanced, then PDF Optimizer.

Statements of Qualifications are to be submitted electronically by e-mail. Submittals are to be limited to maximum of one e-mail with the total file size of 25 MB.

Firms are requested to identify professional registrations, memberships and credentials including: LEED GA, LEED AP, LEED AP+, CCCA, CCM, CCS, CDT, CPE, DBIA, and any other appropriate design and construction industry credentials. Identify that information on the resume page for individual in Block 22, Section E of the F110-330 form.
