Good afternoon,

The OAKS CI team is excited to move forward with migration into the Cloud. We are planning a mock conversion the week of February 2, 2015 in order to test and ensure a smooth transition. Due to this conversion, the Agency/Higher Education system will be shut down at 5:00 pm, January 30; the system will be available again Saturday morning, January 31. We apologize for any inconvenience this may cause.

We are currently looking for end users who are willing to test our mock conversion by doing basic tasks such as creating records and uploading them into document manager. If you are interested in testing the mock conversion site, please contact us at 614.728.7691 or [oaksci@ofcc.ohio.gov](mailto:oaksci@ofcc.ohio.gov).

Thank you again for your patience and understanding.
