Good afternoon

The OAKS CI team is excited to share with you that we are in the process of testing our mock production site.

If testing goes smoothly, we expect to migrate to our Cloud-based system Monday, February 16. You will receive an email from us with your new password and some basic instruction.

It is best to not have any work pending in your draft records and to clear up as many pending tasks as possible by close of business Friday, February 13. We apologize for any inconvenience this may cause.

As always, please contact us with any questions or concerns at 614.728.7691 or oaksci@ofcc.ohio.gov.

Thank you again for your patience and understanding.
