Good afternoon

After two days of testing the mock production environment we are expecting to migrate this weekend! OAKS CI users can expect the existing service to become unavailable promptly at 3:00 on Friday afternoon.

OAKS CI will be available again on Tuesday morning February 17th. Each user will receive a message with instructions to access the cloud environment and a temporary password at some time during the weekend. Please do not log in on Monday unless you are one of the agency environment testers reviewing the converted system. Monday is a State holiday and the OAKS CI support desk will be unavailable.

As always, please contact us with any questions or

concerns at 614.728.7691 or oaksci@ofcc.ohio.gov.

Thank you again for your patience and understanding.
