Good afternoon.

We are headed into the Cloud!

OAKS CI will shut down today at 3:00 pm and will be available again on Tuesday morning, February 17. During the weekend shutdown, each user will receive a message from Oracle with instructions to access the Cloud environment and a temporary password. Please note that your username will not change. Do not log into the system until you receive notification from the OAKS CI team, at that time you will receive some basic navigation instruction.

Please note that Monday, February 16, is a State holiday and the OAKS CI support desk will be unavailable.

As always, please contact us with any questions or concerns at 614.728.7691 or [oaksci@ofcc.ohio.gov](mailto:oaksci@ofcc.ohio.gov).

Thank you again for your patience and understanding.
