OAKS CI Migration Complete

Good morning everyone,

OAKS CI is now available for access. You should have received an email from Oracle providing you with a new password, your username will remain the same.

I have attached instruction on how to update your password information and basic system navigation.

As always, please contact us with any questions or concerns at 614.644.2211 or oaksci@ofcc.ohio.gov.

Thank you again for your patience and understanding.
