

LOOSE FURNISHINGS/EQUIPMENT

1. Loose furnishings and equipment in the project are those items that are not attached to the building such as furniture, special subject equipment, appliances, trash receptacles, cleaning equipment, etc. The type of loose furnishings and equipment for a school should be selected to support the educational curriculum and the function of the spaces, but also provide flexibility for change and development in the future. The exact items and styles may vary from school to school.

2. The list of furniture and equipment typically required and funded by the Ohio School Facilities Commission is included in the Program Type sections in Chapter 6.
