LOOSE FURNISHINGS/EQUIPMENT

- Loose furnishings and equipment in the project are those items that
 are not attached to the building such as furniture, special subject
 equipment, appliances, trash receptacles, cleaning equipment, etc.
 The type of loose furnishings and equipment for a school should be
 selected to support the educational curriculum and the function of
 the spaces, but also provide flexibility for change and development
 in the future. The exact items and styles may vary from school to
 school.
- 2. The list of furniture and equipment typically required and funded by the Ohio School Facilities Commission is included in the Program Type sections in Chapter 6.
