

A PERSONAL INVITATION

You are invited to become a member of a new and dynamic experience as Ohio education and design communities create, lead and share a vibrant conversation on the future of learning and learning environments.

Welcome to the OSFC 21C studio

The OSFC 21C studio is a online community dedicated to understanding, developing and sustaining 21st Century learning environments throughout the State of Ohio and beyond.

The 21C studio is an engaging, robust, collaborative platform for research, sharing best practices and experiences and professional development to assist in the design and implementation of innovative school campuses.

Together, the 21C studio seeks to develop an understanding of the new language of learning as we begin to create models that engage and adapt to today's and tomorrow's learners.

This community thrives on your participation and the collective voice of its members.

How can you participate? By...

BEING ACTIVE
EMPATHIZING
ASKING WHAT IF?
