Project Overview

A. Project Description

Hocking College is soliciting firms that are interested in professional service contracts for basic renovations and/or deferred maintenance projects at Hocking College that will commence in calendar year 2016. Hocking College intends to pre-qualify firms to provide architectural services for small projects or specialized tasks in which the A/E selection process would be unnecessarily cumbersome. The number of pre-qualified architectural firms selected through this process is at the discretion of Hocking College, and while the pre-qualified status of a firm means that they are eligible for awarding of a contract, it does not guarantee that any work will be awarded.

B. Scope of Services

Projects may include architectural and related specialty consulting services. Project scopes may include, but not be limited to, facility evaluation, review or creation of Program of Requirements, preparation of cost estimates, quality assurance testing during construction, bidding and awarding support including preparation of bidding and construction documents, pre-design investigations, construction administration, and post-construction. As projects are identified, Hocking College will notify a pre-qualified firm to provide the scope of work and request a fee proposal.

The selected A/E, as a portion of its required Scope of Services and prior to submitting its proposals, will discuss and clarify with the Owner and/or the Contracting Authority, the cost breakdown of the Architect/Engineer Agreement detailed cost components to address the Owner's project requirements. Participate in the Encouraging Growth, Diversity & Equity (EDGE) Program as required by statute and the Agreement.

Refer to the *Ohio Facilities Construction Manual* for additional information about the type and extent of services required for each. A copy of the standard Agreement can be obtained at the OFCC website at <http://ofcc.ohio.gov>.

During the construction period, the selected firm shall provide on-site construction administration services each week, including (1) attendance at progress meetings, (2) a written field report of each site visit, (3) on-site representation comprised of the A/E and its consultant staff involved in the primary design of the project, all having relevant and appropriate types of construction administration experience.

For purposes of completing the Relevant Project Experience Matrix in Section F of the Statement of Qualifications (Form F110-330), below is a list of relevant scope of work requirements for this RFQ:

1. General Building Renovations
2. Building HVAC, Electrical, and Plumbing System Improvements
3. Utility Infrastructure
4. Roofs
5. Construction Administration

C. Funding / Estimated Budget

Total Project Cost	<u>Varies with Project</u>	State Funding	<u>Varies</u>
Construction Cost	<u>Varies with Project</u>	Other Funding	<u>Varies</u>
Estimated A/E Fee	<u>TBD</u>		

NOTE: The A/E fee percentage for this project includes all professional design services, and consultant services necessary for proper completion of the Basic Services for the successful completion of the project, including but not limited to: review and verification of the Program of Requirements provided by the Owner, validation of existing site conditions (but not subsurface or hidden conditions), preparation of cost estimates and design schedules for the project. Fees may be negotiated and allocated for Additional Services (e.g., creation of a Program of Requirements, extensive evaluation or validation of site conditions, extensive pre-design investigations, code-required special inspection and testing, Quality Assurance testing during the construction period, and testing due to unforeseen conditions).

G. Evaluation Criteria for Selection

Demonstrated ability to meet Owner's programmed project vision, scope, budget, and schedule on previous projects.

- Previous experience compatible with the proposed project (e.g., type, size).
- Relevant past work of prospective firm's proposed consultants.
- Past performance of prospective firm and its proposed consultants.
- Qualifications and experience of individuals directly involved with the project.
- Proposer's previous experience (numbers of projects, sizes of projects) when working with its proposed consultants.
- Specification writing credentials and experience.
- Experience and capabilities of creating or using Critical Path Method (CPM) schedules and of using CPM schedules as a project management resource.
- Approach to and success of using partnering and Alternative Dispute Resolution.
- Proximity of prospective firms to the project site.
- Proposer's apparent resources and capacity to meet the needs of this project.
- The selected A/E and all its consultants must have the capability to use the Internet within their normal business location(s) during normal business hours.

Interested A/E firms are required to address how they will implement Building Information Modeling ("BIM") on the project, experience and level of training of staff related to BIM, incorporation of team partners that have previous BIM experience, and an understanding of collaborative BIM processes, including but not limited to the *State of Ohio BIM Protocol* available at the OFCC website at <http://ofcc.ohio.gov>.

H. Submittal Instructions

Firms are required to submit the current version of Statement of Qualifications (Form F110-330) available via the OFCC website at <http://ofcc.ohio.gov>.

Electronic submittals should be combined into one PDF file named with the project number listed on the RFQ and your firm's name. Use the "print" feature of Adobe Acrobat or similar software for creating a PDF rather than using a scanner. If

possible, please reduce the file size of the PDF. In Acrobat, go to Advanced, then PDF Optimizer. Also, please label the CD or DVD and the sleeve with the project number and firm name if applicable.

Paper copies of the Statement of Qualifications, if requested, should be stapled only. Do not use special bindings or coverings of any type. Cover letters and transmittals are not necessary.

Facsimile copies of the Statement of Qualifications will not be accepted.

Submit any questions regarding this RFQ in writing to Jacqueline Hagerott at hagerottj@hocking.edu with the project number included in the subject line (no phone calls please). Questions will be answered and posted to the OFCC Opportunities website at <http://ofcc.ohio.gov/Opportunities.aspx> on a regular basis until one week before the response deadline. The name of the person submitting a question will not be included on the Q&A document.

Firms are requested to identify professional registrations, memberships and credentials including: LEED GA, LEED AP, LEED AP+, CCCA, CCM, CCS, CDT, CPE, DBIA, and any other appropriate design and construction industry credentials. Identify that information on the resume page for individual in Block 22, Section E of the F110-330 form.
