Project Overview

A. Project Description

The Jerome Schottenstein Center (<http://www.schottensteincenter.com/>) is over 700,000 square feet and is located at the intersection of Lane Ave. and Olentangy River Road. The facility opened in 1998 and contains a 20,000 seat arena; Athletic team locker rooms, training facilities, and offices; Ohio State Athletics Hall of Fame; OSU Team Shop; ticket office; administrative offices; food and beverage sales; and guest services. The facility is in operation for various events year round.

This project will include design of additional and relocated office space for facility and sport administration, renovation of a portion of entry level public spaces, and relocation of the OSU Team Shop and ticket office.

The project will be consistent with the One Ohio State Framework Plan (<http://oneframework.osu.edu/>) and the Athletics District Framework Plan Update (http://fod.osu.edu/masterplans/subdistrict/2013_mar_athletics.pdf)

The Architect Engineer (A/E) will prepare a Program of Requirements (POR) as an additional service.

A Construction Manager at Risk will be selected and contracted directly with the University.

The project should meet or exceed LEED Silver Certification.

This project is required to be designed and delivered within a collaborative BIM-enabled environment following The Ohio State University BIM Project Delivery Standards. The Primary AE firm submitting for the project will be required to have the BIM expertise capable of meeting the aforementioned standards.

B. Scope of Services

The project is expected to be recognized for its quality of design, and appropriate integration into the existing design aesthetic. The A/E team will be expected to interface with the University Architect, University Landscape Architect, University Engineer, and the University Design Review Board. The A/E team will be expected to have strong leadership and experience in the successful delivery of large scale occupied renovations. The project will include phased partial demolition, renovation and expansion. The project team will be expected to provide integrated design documents across design disciplines.

Additionally the selected firm may be asked to collaborate with the architects for the Student Athlete Development Center and the Multi-Sport Arena projects through Schematic Design.

For projects advertised with an appropriately developed Program of Requirements (POR), upon award of the Agreement, commence with Design. For projects without such a POR, upon award of the Agreement, commence by developing the Program of Requirements. The POR shall be updated at the completion of each phase of the design.

Request for Qualifications (Architect / Engineer) continued

The selected A/E, as a portion of its required Scope of Services and prior to submitting its proposals, will discuss and clarify with the Owner/Contracting Authority, the cost breakdown of the Architect/Engineer Agreement detailed cost components to address the Owner's project requirements. Participate in the Encouraging Growth, Diversity & Equity (EDGE) Program as required by statute and the Agreement. Required Professional Liability Insurance will be per Exhibit A – A/E Terms and Conditions Article 7.2.6.

As required by the Agreement, and as properly authorized, provide the following categories of services: Program Verification, Schematic Design, Design Development, Construction Document Preparation, Bid and Award Support, Conformed Documents, Construction Administration, Post-Construction, and Additional Services of all types.

The BIM Project Delivery Standards are required to be followed for this project. Unless noted otherwise, the minimum required BIM Use Cases are outlined in Section 2.

Refer to the *OFC Manual* for additional information about the type and extent of services required for each. A copy of the standard Agreement can be obtained at the OFCC website at <http://ofcc.ohio.gov>.

The selected A/E will be required to sign the standard agreement. No modifications to the requirements in the agreement will be accepted.

During the construction period, provide not less than 20 hours (excluding travel time) on-site construction administration services each week, including (1) attendance at progress meetings, (2) a written field report of each site visit, (3) on-site representation comprised of the A/E and its consultant staff involved in the primary design of the project, all having relevant and appropriate types of construction administration experience.

For purposes of completing the Relevant Project Experience Matrix in Section F of the Statement of Qualifications (Form F110-330), below is a list of relevant scope of work requirements for this RFQ:

1. Recognized Design Excellence (third party endorsement, i.e., design awards)
2. Athletic Facilities on University Campuses (including public venue type facilities)
3. Phasing Design and Planning for Occupied Renovations
4. Projects delivered in a collaborative BIM-enabled environment

For the purpose of the selection of 10 Relevant Projects in Section F of the Statement of Qualification (Form F110-330), projects must be designed by the Lead Firm.

C. Funding / Estimated Budget

Total Project Cost	<u>\$31,935,000</u>	State Funding	<u>\$0</u>
Construction Cost	<u>\$20,258,197</u>	Other Funding	<u>\$31,935,000</u>
Estimated A/E Fee	<u>6% to 6.48%</u>		

NOTE: The A/E fee percentage for this project includes all professional design services, and consultant services necessary for proper completion of the Basic Services for the successful completion of the project, including but not limited to: review and verification of the Program of Requirements provided by the Owner, validation of existing site conditions (but not subsurface or hidden conditions), preparation of cost estimates and design schedules for the project. Fees may be negotiated and allocated for Additional Services (e.g., creation of a Program of Requirements, extensive evaluation or validation of site conditions, extensive pre-design investigations, code-required special inspection and testing, Quality Assurance testing during the construction period, and testing due to unforeseen conditions).

Request for Qualifications (Architect / Engineer) continued

NOTE: The primary A/E shall be (1) a registered architect holding a license and certificate of authorization issued by the Ohio Architects Board pursuant to ORC Chapter 4703, (2) a landscape architect holding a license and certificate of authorization issued by the Ohio Landscape Architects Board pursuant to ORC Chapter 4703, or (3) a professional engineer or professional surveyor holding a license and certificate of authorization issued by the Ohio Engineers and Surveyors Board pursuant to ORC Chapter 4733.

G. Evaluation Criteria for Selection

- Demonstrated ability to meet Owner's programmed project vision, scope, budget, and schedule on previous projects.
- Previous experience compatible with the proposed project (e.g., type, size).
- Relevant past work of prospective firm's proposed consultants.
- Past performance of prospective firm and its proposed consultants.
- Qualifications and experience of individuals directly involved with the project.
- Proposer's previous experience (numbers of projects, sizes of projects) when working with its proposed consultants.
- Design quality and demonstrated ability of prospective firm and its proposed consultants to provide design services which represent the University's *Design Guidelines for Buildings and Landscape* fod.osu.edu/masterplans/buildings-landscape.pdf
- Experience and capabilities of creating or using Critical Path Method (CPM) schedules and of using CPM schedules as a project management resource.
- Approach to and success of using partnering and Alternative Dispute Resolution.
- Proximity of prospective firms to the project site.
- Proposer's apparent resources and capacity to meet the needs of this project.

Interested A/E firms are required to address their BIM project delivery experience and how they will implement Building Information Modeling ("BIM") on the project; experience with BIM technologies, processes and workflows, ability for the entire team to effectively collaborate within a model-based environment, ability to leverage BIM-enabled technologies to achieve the required BIM Use Cases and execute the defined project deliverables. The Ohio State University BIM Project Delivery Standards can be accessed via the OSU FOD website: http://fod.osu.edu/bim/ohio-state_bim_pds.pdf

Interested A/E firms are required to submit the Commitment to Participate in the EDGE Business Assistance Program form in its Statement of Qualifications (Form F110-330) Section H. Additional Information submitted in response to the RFQ, to indicate its intent to contract with and use EDGE-certified Business Enterprise(s), as a part of the A/E's team. The Intent to Contract and to Perform and / or waiver request letter and Demonstration of Good Faith Effort form(s) with complete documentation must be attached to the A/E's Technical Proposal. Both forms can be accessed via the OFCC website at <http://ofcc.ohio.gov>. The Intent to Contract and to Perform form is again required at the Fee Proposal stage.

For all Statements of Qualifications, please identify the EDGE-certified Business Enterprises, by name, which will participate in the delivery of the proposed professional services solicited in the RFQ.

H. Submittal Instructions

Firms are required to submit the current version of Statement of Qualifications (Form F110-330) available via the OFCC website at <http://ofcc.ohio.gov>.

Electronic submittals should be combined into one PDF file named with the project number listed on the RFQ and your firm's name. Use the "print" feature of Adobe Acrobat or similar software for creating a PDF rather than using a scanner. If possible, please reduce the file size of the PDF. In Acrobat, go to Advanced, then PDF Optimizer. Also, please label the CD or DVD and the sleeve with the project number and firm name if applicable.

Paper copies of the Statement of Qualifications, if requested, should be stapled only. Do not use special bindings or coverings of any type. Cover letters and transmittals are not necessary.

Facsimile copies of the Statement of Qualifications will not be accepted.

Do not submit subconsultants for the following services as they will be selected in consultation with the University: Hazardous Materials, Testing, and Geotechnical Services. These subconsultants are not eligible for consideration in meeting the stated EDGE goals.

Firms are requested to identify professional registrations, memberships and credentials including: LEED GA, LEED AP, LEED AP+, CCCA, CCM, CCS, CDT, CPE, DBIA, and any other appropriate design and construction industry credentials. Identify that information on the resume page for individual in Block 22, Section E of the F110-330 form.
