Project Overview

A. Project Description

The purpose of this request is to solicit firms that are interested in professional service contracts for new construction and renovation projects that commence in calendar year 2016. **Professional service firms who were pre-qualified for calendar year 2015 must re-apply to this RFQ to maintain their pre-qualification status.** The Ohio State University is required to place qualified firms on the Architectural, Engineering and Special Consultant list of pre-qualified professional service firms to provide services for projects that are not advertised through the Ohio Register.
