Below are the questions that have been received to date for the RFQ of the above-referenced project:

1. Can the "recently completed detailed analyses" referenced in the RFQ be provided prior to submittal of the 330 qualifications package?
 - A. Selected draft or final reports and investigations for this project may be provided to shortlisted firms by ODNR. For the purposes of providing a statement of qualifications, the detailed information provided in these documents is not necessary. Please refer to the project description for information regarding the scope of this project.
2. Can ODNR provide the results of the preliminary assessment so that we can see more specifically what has been planned at the two sites in question? It would be helpful in developing our SOQ.
 - A. See response above.
3. RFQ has been amended via Addendum No. 1 to correct email address for RFQ questions:

Submit all questions regarding this RFQ in writing to Julie Endicott at engineering@dnr.state.oh.us with the project number included in the subject line (no phone calls please).
