NOTICE TO BIDDER

Item #1: B. Scope of Services, add the following:

For purposes of completing the Relevant Project Experience Matrix in Section F of the Statement of Qualifications (Form F110-330), below is a list of relevant scope of work requirements for this RFQ:

1. Experience with State of Ohio General Contracting construction processes.
2. Experience with civil and site related construction.
3. Experience with bridge construction.
4. Experience with Ohio Department of Transportation (ODOT) Level 2 bridge construction.
5. Experience with Ohio Department of Transportation (ODOT) Level 2 bridge design.
6. Experience with Geotechnical Engineering for bridge design.
7. Experience with obtaining construction and environmental permits.
8. Experience with design considering the aesthetics of the surrounding area.

Item #2: B. Scope of Services, remove the following:

“Refer to the Ohio Facilities Construction Manual for additional information about the type and extent of services required for each. A copy of the standard Agreement can be obtained at the OFCC website at <http://ofcc.ohio.gov>. While specific projects and scopes of work have not been identified at this time, the selected consultant(s) will be retained through a specific time period (approximately two years); projects and deliverables will be determined on an as needed basis from deficiencies noted by facility managers during maintenance or from prior inspections. Fees for each assigned task will be based on an hourly fee schedule to be negotiated as part of the contract.”
