### Project Overview

#### A. Project Description

Hoyt Hall, built in 1971, is a building on Miami University's Oxford campus that is 54,421 gross square feet in area and currently houses Information Technology (IT) Services on the Basement floor, First floor and Third floor. As well as Career Services on the second floor. The area of the second floor is approximately 10,700 useable square feet. Career Services is scheduled to vacate the second floor of Hoyt Hall in the summer of 2017. This vacated second floor will then be renovated to accommodate Information Technology Services staff that shall be centralized here from at least four separate remote locations on campus, the goal being to increase efficiency in the department.

Hoyt Hall is used solely as an "administrative" building. The five IT Services divisions that shall be accommodated in Hoyt Hall include: End User Services (EUS); Enterprise Operations (EO); Process Planning & Administration (PPA); Security, Compliance & Risk Management (SCRM); Solution Delivery (SolDel). The current number of people employed by IT Services is 166. Of this 166 employed, approximately 50 will be relocated to the second floor of Hoyt Hall.

This project shall be locally funded through a Miami University account.

#### B. Scope of Services

- The Owner shall provide the Program of Requirements (POR) for the project. The selected A/E firm is expected to review the Program of Requirements with Miami's design team and user group to confirm a complete understanding of the program and priorities. Final sign-off from the User group will be required before documents are bid.
- All designs will be in strict conformance with the university standard specifications.
- Redesign the second floor of Hoyt Hall to accommodate the program requirements, including as necessary: Selected demolition, layout and detailing of the desired spaces, engineering as required by the renovation, furniture layout and specifications
- The A/E shall provide estimates of project cost as negotiated with the Owner at various stages of the refinement of the design.

The selected A/E, as a portion of its required Scope of Services and prior to submitting its proposals, will discuss and clarify with the Owner and/or the Contracting Authority, the cost breakdown of the Architect/Engineer Agreement detailed cost components to address the Owner's project requirements. Participate in the Encouraging Growth, Diversity & Equity (EDGE) Program as required by statute and the Agreement.

As required by the Agreement, and as properly authorized, provide the following categories of services: Program Verification, Schematic Design, Design Development, Construction Document Preparation, Bid and Award Support,

### G. Evaluation Criteria for Selection

- Demonstrated ability to meet Owner's programmed project vision, scope, budget, and schedule on previous projects.
- Previous experience compatible with the proposed project (e.g., type, size).
- Relevant past work of prospective firm's proposed consultants.
- Past performance of prospective firm and its proposed consultants.
- Qualifications and experience of individuals directly involved with the project.
- Proposer's previous experience (numbers of projects, sizes of projects) when working with its proposed consultants.
- Specification writing credentials and experience.
- Experience and capabilities of creating or using Critical Path Method (CPM) schedules and of using CPM schedules as a project management resource.
- Approach to and success of using partnering and Alternative Dispute Resolution.
- Proximity of prospective firms to the project site.
- Proposer's apparent resources and capacity to meet the needs of this project.
- The selected A/E and all its consultants must have the capability to use the Internet within their normal business location(s) during normal business hours.

Interested A/E firms are required to submit the Commitment to Participate in the EDGE Business Assistance Program form in its Statement of Qualifications (Form F110-330) submitted in response to the RFQ, to indicate its intent to contract with and use EDGE-certified Business Enterprise(s), as a part of the A/E's team. The Intent to Contract and to Perform and / or waiver request letter and Demonstration of Good Faith Effort form(s) with complete documentation must be attached to the A/E's Technical Proposal. Both forms can be accessed via the OFCC website at <http://ofcc.ohio.gov>. The Intent to Contract and to Perform form is again required at the Fee Proposal stage.

For all Statements of Qualifications, please identify the EDGE-certified Business Enterprises, by name, which will participate in the delivery of the proposed professional services solicited in the RFQ.

### H. Submittal Instructions

Firms are required to submit the current version of Statement of Qualifications (Form F110-330) available via the OFCC website at <http://ofcc.ohio.gov>.

Electronic submittals should be combined into one PDF file named with the project name listed on the RFQ and your firm's name. Use the "print" feature of Adobe Acrobat or similar software for creating a PDF rather than using a scanner. If possible, please reduce the file size of the PDF. In Acrobat, go to Advanced, then PDF Optimizer. Also, please label the CD or DVD and the sleeve with the project name and firm name if applicable.

Paper copies of the Statement of Qualifications, if requested, should be stapled only. Do not use special bindings or coverings of any type. Cover letters and transmittals are not necessary.

Facsimile copies of the Statement of Qualifications will not be accepted.

Firms are requested to identify professional registrations, memberships and credentials including: LEED GA, LEED AP, LEED AP+, CCCA, CCM, CCS, CDT, CPE, DBIA, and any other appropriate design and construction industry credentials. Identify that information on the resume page for individual in Block 22, Section E of the F110-330 form.
