

Request for Qualifications (Architect / Engineer)

State of Ohio Standard Forms and Documents

Administration of Project: Ohio Facilities Construction Commission

Project Name	<u>LeCl Door Controls Upgrades</u>	Response Deadline	<u>01/14/19</u>	<u>12:00pm</u> local time
Project Location	<u>Lebanon Correctional Institution</u>	Project Number	<u>DRC-19F061</u>	
City / County	<u>Lebanon / Warren</u>	Project Manager	<u>Steve Davis</u>	
Owner	<u>Ohio Department of Rehabilitation and Correction</u>	Contracting Authority	<u>OFCC</u>	
Delivery Method	<u>General Contracting</u>	Prevailing Wages	<u>State</u>	
No. of paper copies requested (stapled, not bound)	<u>0</u>	No. of electronic copies requested (PDF)	<u>1</u>	

Submit the requested number of Statements of Qualifications (Form F110-330) directly to **Jill Hoobler** at Procurement@ofcc.ohio.gov.

See Section J of this RFQ for additional submittal instructions.

Submit all questions regarding this RFQ in writing to Jill Hoobler at Procurement@ofcc.ohio.gov with the project number included in the subject line (no phone calls please). Questions will be answered and posted to the Opportunities page on the OFCC website at <http://ofcc.ohio.gov> on a regular basis until one week before the response deadline. The name of the party submitting a question will not be included on the Q&A document.

Project Overview

A. Project Description

This Request for Qualifications (RFQ) is to obtain Professional Architectural/Engineering (A/E) services for the design of the replacement of the door controls system at the Lebanon Correctional Institution in Warren County (Lebanon), Ohio. The Lebanon facility houses more than 2,000 offenders and has over 500 staff operating around the clock. The facility was built over 50 years ago, and while it has been maintained regularly and updated and renovated periodically it needs a new and modernized control system for the doors.

Controls for cell doors and other doors operated by the main computer system are outdated and, in some cases, not operating properly. The current system has pneumatic controls, and it is anticipated that the new system will be similar. Due to the age of the current equipment, it is no longer possible to obtain all the parts and therefore repairs are difficult to complete.

With the size of the facility, well over 1,000 doors need to be controlled by the system. Offender safety and security, as well as the safety of the staff is of utmost concern; a reliable door controls system is a vital part of the facility's operation.

The development of the POR will include a comprehensive survey/field investigation of the existing space to evaluate the building condition in relation to the project scope described above, and in relation to the project budget. The project scope will then be evaluated, prioritized, and defined/redefined to align with available project funds. Evaluation of the project construction schedule will also be a part of the POR stage.

All aspects of the project must comply with Department of Rehabilitation and Corrections policies and procedures.

B. Scope of Services

The selected firm will develop a program of requirements, an estimate of probable cost of construction, and scheduling information to a basic schematic level, moving into design development, construction documents, bidding and construction stages immediately thereafter.

The selected A/E will discuss and clarify with OFCC, the cost breakdown of the Architect/Engineer Agreement detailed cost components to address the Owner's project requirements. Participation in the Encouraging Growth, Diversity & Equity (EDGE) Program is required by statute and the Agreement.

As required by the Agreement, and as properly authorized, provide the following categories of services: Program of Requirements, Schematic Design, Design Development, Construction Document Preparation, Bid and Award Support, Conformed Documents, Construction Administration, Post-Construction, and Additional Services as needed.

Refer to the *Ohio Facilities Construction Manual* for additional information about the type and extent of services required for each. A copy of the standard Agreement can be obtained at the OFCC website at <http://ofcc.ohio.gov>.

Request for Qualifications (Architect / Engineer)

State of Ohio Standard Forms and Documents

During the construction period, provide not less than 8 hours (excluding travel time) on-site construction administration services each week, including (1) attendance at progress meetings, (2) a written field report of each site visit, (3) on-site representation comprised of the A/E and its consultant staff involved in the primary design of the project, all having relevant and appropriate types of construction administration experience.

For purposes of completing the Relevant Project Experience Matrix in Section F of the Statement of Qualifications (Form F110-330), below is a list of relevant scope of work requirements for this RFQ:

1. Project delivery method (MP, GC, CMR, DB).
2. Role on project (AE, C-AE, AOR, CMA/OA, CMR, DB, GC, Trade).
3. Correctional facility project experience.
4. Security design and construction experience for corrections facilities.
5. Door, controls, hardware and correctional facility system integration experience.
6. Renovations in a secured/inmate occupied State Facility including phased construction.
7. Ohio Capital Improvements projects (State of Ohio Contracts and/or use of OAKS CI).
8. Experience with ODRC and OFCC
9. Experience with construction cost estimating and analysis
10. Experience with construction administration at corrections facilities.

C. Estimated Budget / Funding

State Funding: \$4,000,000.00
 Other Funding: \$0.00
 Construction Cost: \$3,200,000.00
 Total Project Cost: \$4,000,000.00

D. Anticipated Schedule

Professional Services Start: 05 / 19
 Construction Notice to Proceed: 12 / 19
 Substantial Completion of all Work: 12 / 20
 Professional Services Completed: 12 / 21

E. Estimated Basic Fee Range (see note below)

6% to 8%

F. EDGE Participation Goal

Percent of initial Total A/E Fee: 5.0%

NOTE: **Basic Services** include: (1) Program Verification, (2) Schematic Design, (3) Design Development, (4) Construction Documents, (5) Bidding and Award OR GMP Proposal and Amendment (as applicable), (6) Construction Administration, and (7) Closeout services. The **Basic Fee** includes all professional design services and consultant services necessary for proper completion of the Basic Services, including validation of existing conditions (but not subsurface or hidden conditions) and preparation of cost estimates and design schedules for the project. The **Estimated Basic Fee Range** is calculated as a percentage of the **Estimated Budget for Construction Cost** above, including the Owner's contingency. **The Basic Fee excludes any Additional Services required for the project.**

G. Basic Service Providers Required (see note below)

Lead A/E Discipline: Architecture
 Secondary Electrical Engineering
 Disciplines: Technology / Communications / Security

H. Additional Service Providers Required

Systems Integration
Quality Assurance Testing

NOTE: The lead A/E shall be (1) an architect registered pursuant to ORC Chapter 4703, (2) a landscape architect registered pursuant to ORC Chapter 4703, or a (3) professional engineer or (4) professional surveyor licensed pursuant to ORC Chapter 4733.

I. Evaluation Criteria for Selection

- Demonstrated ability to meet Owner's programmed project vision, scope, budget, and schedule on previous projects.
- Previous experience compatible with the proposed project (e.g., type, size).
 - Past performance of prospective firm and its proposed consultants.

Request for Qualifications (Architect / Engineer) continued

- Qualifications and experience of individuals directly involved with the project.
- Proposer's previous experience (numbers of projects, sizes of projects) when working with its proposed consultants.
- Specification writing credentials and experience.
- Experience and capabilities of creating or using Critical Path Method (CPM) schedules and of using CPM schedules as a project management resource.
- Approach to and success of using partnering and Alternative Dispute Resolution.
- Proximity of prospective firms to the project site.
- Proposer's apparent resources and capacity to meet the needs of this project.
- The selected A/E and all its consultants must have the capability to use the Internet within their normal business location(s) during normal business hours.

Interested A/E firms are required to submit the Commitment to Participate in the EDGE Business Assistance Program form in its Statement of Qualifications (Form F110-330) submitted in response to the RFQ, to indicate its intent to contract with and use EDGE-certified Business Enterprise(s), as a part of the A/E's team. The Intent to Contract and to Perform and / or waiver request letter and Demonstration of Good Faith Effort form(s) with complete documentation must be attached to the A/E's Technical Proposal. Both forms can be accessed via the OFCC website at <http://ofcc.ohio.gov>. The Intent to Contract and to Perform form is again required at the Fee Proposal stage.

For all Statements of Qualifications, please identify the EDGE-certified Business Enterprises, by name, which will participate in the delivery of the proposed professional services solicited in the RFQ.

J. Submittal Instructions

Firms are required to submit the current version of Statement of Qualifications (Form F110-330) available via the OFCC website at <http://ofcc.ohio.gov>.

Electronic submittals should be combined into one PDF file named with the project number listed on the RFQ and your firm's name. Use the "print" feature of Adobe Acrobat or similar software for creating a PDF rather than using a scanner. If possible, please reduce the file size of the PDF. In Acrobat, go to Advanced, then PDF Optimizer. Also, please label the CD or DVD and the sleeve with the project number and firm name if applicable.

Paper copies of the Statement of Qualifications, if requested, should be stapled only. Do not use special bindings or coverings of any type. Cover letters and transmittals are not necessary.

Facsimile copies of the Statement of Qualifications will not be accepted.

Firms are requested to identify professional registrations, memberships and credentials including: LEED GA, LEED AP, LEED AP+, CCCA, CCM, CCS, CDT, CPE, DBIA, and any other appropriate design and construction industry credentials. Identify that information on the resume page for individual in Block 22, Section E of the F110-330 form.

Architect / Engineer Selection Rating Form

State of Ohio Standard Forms and Documents

Project Name LeCl Door Controls Upgrades Proposer Firm _____
 Project Number DRC-19F061 City, State, Zip _____

Selection Criteria		Value	Score
1. Primary Firm Location, Workload and Size (Maximum 10 points)			
a. Proximity of firm to project site	Less than 100 miles	5	
	100 miles to 200 miles	2	
	More than 200 miles	0	
b. Amount of fees awarded by Contracting Authority in previous 24 months	Less than \$500,000	2	
	\$500,000 to \$1,000,000	1	
	More than \$1,000,000	0	
c. Number of licensed professionals	Less than 3 professionals	1	Max = 3
	3 to 6 professionals	3	
	More than 6 professionals	2	
2. Primary Firm Qualifications (Maximum 30 points)			
a. Project management lead	Experience / ability of project manager to manage scope / budget / schedule / quality	0 - 10	Max = 20
b. Project design lead	Experience / creativity of project designer to achieve owner's vision and requirements	0 - 10	
c. Technical staff	Experience / ability of technical staff to create fully coordinated construction documents	0 - 5	
d. Construction administration staff	Experience / ability of field representative to identify and solve issues during construction	0 - 5	
3. Key Consultant Qualifications (Maximum 20 points)			
a. Key discipline leads	Experience / ability of key consultants to perform effectively and collaboratively	0 - 15	
b. Proposed EDGE-certified Consultant participation*	One point for every 2 percent increase in professional services over the EDGE participation goal	0 - 5	
4. Overall Team Qualifications (Maximum 10 points)			
a. Previous team collaboration	Less than 2 sample projects	1	Max = 3
	2 to 4 sample projects	2	
	More than 4 sample projects	3	
b. LEED** Registered / Certified project experience	Registered projects	1	Max = 2
	Certified projects	2	
c. BIM project experience	Training and knowledge	1	Max = 3
	Direct project experience	3	
d. Team organization	Clarity of responsibility / communication demonstrated by table of organization	0 - 2	
5. Overall Team Experience (Maximum 30 points)			
a. Previous team performance	Past performance as indicated by evaluations and letters of reference	0 - 10	
b. Experience with similar projects / delivery methods	Less than 4 projects	0 - 3	
	4 to 6 projects	4 - 6	
	More than 6 projects	7 - 10	
c. Budget and schedule management	Performance in completing projects within original construction budget and schedule	0 - 5	
d. Knowledge of Ohio Capital Improvements process	Less than 3 projects	0 - 1	
	3 to 6 projects	2 - 3	
	More than 6 projects	4 - 5	
		Subtotal	

* Must be comprised of professional design services consulting firm(s) and NOT the lead firm
 ** Leadership in Energy & Environmental Design administered by the Green Building Certification Institute
