

Application for Access to OFCC Web Applications

Use this form to request access to the following web tools (collectively called Intapp/Prodapp):

- CM Invoice
- Contractor Evaluation
- Drawdown
- Project Status Reports
- Variance Requests
- Budget Allocation
- OASIS

The Ohio Facilities Construction Commission has the right to deny or restrict Intapp/Prodapp access at its discretion. Access to Intapp/Prodapp is provided solely to facilitate the recipient's participation in one or more state-sponsored capital improvement projects.

Use of Intapp/Prodapp is governed by various laws and policies including, but not limited to, the State of Ohio IT Policies which can be viewed at <http://das.ohio.gov/Divisions/InformationTechnology/StateofOhioITPolicies.aspx>. Failure to abide by current State laws or policies may result in loss of Intapp/Prodapp access.
