Certifications

These Supplementary Conditions amend and supplement the General Conditions and other provisions of the Contract Documents as indicated below. All provisions not amended remain in full force and effect. The terms in these Supplementary Conditions defined in the Contracting Definitions or the General Conditions shall have the meanings assigned to them in those documents.

These Supplementary Conditions are authorized, by the Ohio Facilities Construction Commission, for use on projects constructed by and for The Ohio State University (“University”).

Contracting Authority and Owner

The Ohio State University

Institutional Designee

Paul Sherwood
Assistant Vice President

MODIFICATIONS TO GENERAL CONDITIONS

Replace Section 1.7 and subordinate sections with the following:

1.7 Use of the University’s eBuilder Software

1.7.1 If the University decides, in its sole discretion, to utilize the University’s eBuilder project management software for the Project, the Contractor shall use such software for all compatible services required under this Contract.

1.7.2 All costs for the Contractor’s use of the University’s eBuilder project management software for the Project shall be included in its Preconstruction Stage Compensation and Contract Sum, as applicable. If the Contractor’s staff or its Consultants are unfamiliar with the proper use of such software, the Contractor shall provide its staff and Consultants for training without additional compensation.

1.7.3 Any reference in the General Conditions or other Contract Documents to “the State’s web-based project management software” means the University’s eBuilder project management software. Where the General Conditions refer to a specific business process by name, the Contractor shall comply by using the workflow established in the eBuilder project management software for the specified business process.

Insert Section 1.9.2 as follows:

1.9.2 If the Project is administered using Building Information Modeling, the Contractor shall follow the requirements described in The Ohio State University BIM Standards.

Replace Section 2.1.4.2 with the following:

2.1.4.2 If the Project is administered using the University’s eBuilder project management software, the CM shall utilize the web-based forms and reports within the applicable business process. The web-based forms and reports are acceptable to the University in lieu of its paper forms.

Insert Section 6.3.3.3 as follows:

6.3.3.3 Cutting and patching shall be done by craftspersons skilled in the type(s) of work involved. Refer to the specifications for detailed cutting and patching procedures.

Replace Section 6.3.4.1 with the following:

6.3.4.1 The University will not permit any Work to proceed until utility marking of University-owned utilities has been completed. The CM shall follow all dig permit and OUPS requirements including pre-marking the approximate excavation area in white at least 72 hours prior to the planned excavation.
Insert Section 6.3.8 as follows:

6.3.8 In accordance with Federal Safety Standards (CFR 49 Parts 191 and 192) as enforced by PUCO, beginning January 31, 2013, University’s Utilities Department and its designee, Ohio State Energy Partners, will require all personnel working directly with natural gas lines, including those doing “new construction” work, to provide written and performance verification of DOT Operator Qualifications for each covered task performed on the Columbus Campus. This directive is intended for natural gas distribution systems and is not applicable to natural gas piping in buildings on the downstream side of the buildings’ gas regulator. The Contractor shall provide the DOT Operator Qualifications Certification directly to the Project Manager.

Insert Section 6.10.2.1 as follows:

6.10.2.1 The Contractor and its Subcontractors shall respect the rights of private property owners adjacent to the campus by not littering.

Insert Sections 6.11.8 and subordinate sections as follows:

6.11.8 Hardware.

6.11.8.1 Columbus Campus:

.1 The Contractor shall be responsible for providing all permanent interchangeable lock cores and keys for the Project. The Contractor or its Subcontractor responsible for hardware (“Hardware Subcontractor”) must contract with the University Lock Shop for the installation of permanent cores. The Contractor or its Hardware Subcontractor shall contact the University Lock Shop, 614.688.1133, which will develop the keys and cores for the key system designated by the user or users of that building. The Contractor or its Hardware Subcontractor shall also assist the University Lock Shop in developing the appropriate key system. Costs if any shall be borne by the Contractor.

.2 For projects located at the Wexner Medical Center, the Hardware Subcontractor shall coordinate with the Medical Center’s Access Control Manager at 614.293.8412.

6.11.8.2 Regional Campuses: If the Contractor is performing work on a regional campus it shall coordinate with the campus facility manager on matters of keys and cores into the key system designated for the campus.

Insert Section 6.12.2.1 as follows:

6.12.2.1 Sexual Harassment. The University maintains an environment free from sexual harassment. The Contractor and Subcontractors are hereby notified that prompt corrective measures will be taken to stop sexual harassment whenever it occurs in accordance with University policy.

Insert Section 6.12.2.2 and subordinate sections as follows:

6.12.2.2 Prohibition Against Photos, Interaction with Athletes, Coaches, and Staff. The Contractor shall dismiss from the Project any person employed by the Contractor or a Subcontractor who the University finds, in its sole discretion, to be in violation of the following prohibitions. No person employed by the Contractor or a Subcontractor shall:

.1 electronically distribute to any social media platform, post, or electronically share photographs or comments related to the Project, including images of any building or facility associated with the Project; or

.2 make contact with student athletes, coaches or staff to request autographs, photograph opportunities, or similar interaction in connection with the University’s athletic program.

Replace Section 6.13.1.1 with the following:

6.13.1.1 The Contractor is responsible for designing and implementing its own safety program, including compliance with OSHA and other state and federal regulations. The Contractor’s safety plans, such as fall protection, hazards, communications, competent person, etc., shall meet or exceed the University’s safety plan. At the preconstruction meeting, the Project Manager and the Contractor will determine which plans need to be submitted for University review, comment, and approval.

Insert Section 6.13.1.2 as follows:

6.13.1.2 The University is not responsible for managing the Contractor’s safety program on the Project.

Insert Sections 6.13.4.3 and 6.11.4.4 as follows:

6.13.4.3 The Contractor shall acquaint itself with and follow University fire alarm procedures and the location of fire warning and extinguishing or control devices.
6.13.4.4 False Fire Alarms. As Liquidated Damages, and not as a penalty, the Contractor acknowledges and agrees that the University shall be entitled to retain or recover from the Contractor $300 or actual costs, whichever is greater, for each false fire alarm that is determined to be a result of negligence by the Contractor. This amount reflects the University’s actual costs incurred in dealing with these false alarms, including, but not limited to, the costs of transportation, manpower, and loss of efficiency.

Insert Sections 6.13.6.3 and 6.13.6.4 as follows:

6.13.6.3 In addition to the SDS notebooks required on Site, the Contractor shall provide the A/E with a copy of all SDS. At the completion of the Project, the A/E will forward the SDS to the University.

6.13.6.4 When a Hazardous Material is included in a Shop Drawing, the Contractor shall submit an SDS with the Shop Drawing. Otherwise, the Contractor shall submit the SDS at least 3 business days prior to the Hazardous Material being brought on Site.

Replace Section 6.16.6.1 with the following:

6.16.6.1 Effective January 1, 2014, smoking and the use of tobacco and tobacco products are prohibited in or on all University owned, operated, or leased property, including golf courses, airports, nature centers, regional campuses, the main medical center campus, University Hospital East and all other OSU Medical Center properties. The policy also includes parking lots and garages, state and personal vehicles parked on university property. Tobacco is defined as all tobacco-derived or containing products, including and not limited to, cigarettes (clove, bidis, kreteks), electronic cigarettes, cigars and cigarillos, hookah smoked products, pipes, and oral tobacco (spit and spitless, smokeless, chew, snuff). It also includes any product intended to mimic tobacco products or contain tobacco flavoring. The University’s non-smoking policy (Policy #7.20) can be viewed at: http://hr.osu.edu/policy/policy720.pdf. The Contractor shall enforce these restrictions on any individual employed by the Contractor, or the Contractor’s Subcontractors.

Insert Section 6.16.7 and subordinate sections as follows:

6.16.7 Parking.

6.16.7.1 Columbus Campus:

.1 All parking on the University’s campus is restricted and controlled by CampusParc. Employees of the Contractor and its Subcontractors who will be parking a vehicle on University property must purchase parking permits from CampusParc and shall park cars in areas designated to them either by CampusParc or the Project Manager. Parking on streets or in restricted areas is prohibited. Violations will result in a citation or vehicle impoundment.

.2 At the beginning of the Work, the Contractor shall work with the Project Manager to determine how many proximity permits are necessary, and how many remote permits will be needed for all employees, including employees of Subcontractors.

.3 Depending upon availability, proximity parking contractor permits (CVA permits) may be purchased for employees that must be parked on or near the worksite (such as those who are actively working out of their vehicle), or who must come and go frequently. The CVA permit allows parking in any posted “A”, “B”, or “C” surface parking. CVA keycards will allow access to staff garages.

.4 All other construction personnel are eligible to purchase a contractor remote parking pass (CVB permit), which is restricted to parking at the Buckeye Lot or West Campus park and ride locations. Shuttle buses to central campus are available.

.5 Shuttle bus service hours are posted online at http://ttm.osu.edu. Private shuttles, arranged by the Contractor, must be coordinated with Transportation & Traffic Management.

.6 Contractors and Subcontractors actively working on an Ohio State University project are prohibited from parking in a designated patient parking garage in the Wexner Medical Center at any time, even when paying the posted hourly fees.

6.16.7.2 Regional Campuses: If the Contractor is performing work on a regional campus it shall coordinate with the campus facility manager on matters of parking permits and designated areas.

Insert Sections 6.16.8 and 6.16.9 as follows:

6.16.8 The Contractor shall not be permitted to use University streets for any purpose not previously approved by Transportation & Traffic Management. This includes, but is not limited to, trucks stopping on streets awaiting access to the Site. Should Site constraints be such that offloading of trucks from University streets is required, the Contractor shall provide a written request to Transportation & Traffic Management 5 days in advance of the date when the unloading is
required. The Contractor shall pay for any traffic control that the Director of Transportation & Traffic Management
determines is necessary due to the street blockage. The Contractor shall also post signs 3 days in advance of any street
blockage longer than 2 hours, warning motorists of the date, time, and duration of the planned blockage.

6.16.9 The Contractor shall validate with the appropriate University, city, county, or state agency the status of road work
impacting traffic flow on, to, and from, campus.

Insert Sections 6.17.3, 6.17.3.1, 6.17.3.2, and 6.17.4 as follows:

6.17.3 Columbus Campus:

6.17.3.1 The interruption, disconnection, reconnection, reduction, or curtailment of any existing services shall not be
undertaken without minimum prior written notice of 2 weeks and shall be coordinated with Service2Facilities,
614.292.4357. This work may be performed during normal working hours, holidays, and weekends or as directed by
the Project Manager, but shall always be scheduled to minimize the effect of these shutdowns with other facilities on
Campus.

6.17.3.2 The Contractor shall, at the beginning of the Contract Times, coordinate with the University’s Utilities
Division for this work. The Contractor shall determine the number of times and the types and length of shutdown
required for connections to that utility. Costs, if any, shall be borne by the Contractor.

6.17.4 Regional Campuses: If the Contractor is performing work on a regional campus it shall coordinate with the campus
facility manager on matters of utility shutdowns and cost.

Insert Section 6.30.3 as follows:

6.30.3 Closeout Standards. The Contractor shall comply with The Ohio State University Project Closeout Standards
found on the Ohio State University Facilities Operations and Development website at https://fod.osu.edu/resources.

Replace existing 7.7.2.11 with the following:

7.7.2.11 Contractor’s Fee: Adjustment of the Contract Sum on account of a change in the Work shall include an
allowance for the Contractor’s Fee equal to 10 percent of the sum of the costs described under Sections 7.7.2.1
through 7.7.2.10 that are associated with that changed Work. For self-performed Work, the adjustment is limited to
the allowance specified in this Section and shall not include the Subcontractor adjustment specified in
Section 7.7.2.10.

Replace existing 7.7.2.12.1 with the following:

.1 The premium portion only for approved overtime (labor and fringes). The Contractor’s Fee and
Subcontractor overhead and profit may be applied only to straight time. The straight time portion is
included in items in Sections 7.7.2.2, 7.7.2.3, and 7.7.2.4.

Replace Section 7.9.2.1 with the following:

7.9.2.1 The Contractor shall maintain, and require all Subcontractors to maintain, complete and accurate business
records in accordance with Generally Accepted Accounting Principles, at its principal place of business. If its principal
place of business is not in Columbus, Ohio, the Contractor shall make records available, and shall require its
Subcontractors to make records available, at the Site within 48 hours of a request for the records.

Insert Section 9.7.1.1 as follows:

9.7.1.1 The Contractor agrees that any funds which are due to the Contractor and required to be placed in an escrow
account, including but not limited to, retainage, and funds withheld pursuant to mechanic's liens, will be placed in an
escrow account at WesBanco, Columbus, Ohio.

Replace Section 10.3.7 and the associated table with the following:

10.3.7 Professional Liability—Contractor. If the Work to be performed by the Contractor includes any professional
design services (including without limitation sprinkler and/or fire protection and other design-build work) the Contractor
shall maintain professional liability insurance with a per-claim limit of not less than $1,000,000 and an annual aggregate
limit of not less than $2,000,000.

Insert Section 12.2.1.1 as follows:

12.2.1.1 Use of Name. The Contractor shall not advertise the fact that it has contracted with The Ohio State
University or make use of the University’s name or other identifying marks or property without the prior written
consent of the University’s Office of Administration and Planning.
Insert Section 12.8.6 as follows:

12.8.6 A list of University holidays is available at https://busfin.osu.edu/buy-schedule-travel/payroll/paydate-schedule.

END OF DOCUMENT
