**9.2.3** Before final payment, an appropriate Change Order will be issued to reconcile the Contract Sum so that it reflects actual amounts due to the Contractor on account of Unit Price Work actually performed.

### 9.3 Schedule of Values

**9.3.1** Within 10 days after receipt of the Notice to Proceed, or other period as mutually agreed by the Contractor and Owner, the Contractor shall submit to the A/E a Schedule of Values, with separate amounts shown for labor and materials for each branch of Work.

**9.3.2** The grand total shown on the Schedule of Values shall equal the total Contract Sum. The Owner may use the approved Schedule of Values to determine the cost or credit to the Owner resulting from any change in the Work.

**9.3.3** The A/E may return the Schedule of Values to the Contractor for re-submittal if it does not meet the requirements or contains insufficient items or details of the Work, or approve the Schedule of Values if the A/E determines that it conforms to this **Section 9.3**.

**9.3.4** No payment shall be made until the A/E has approved the Contractor's Schedule of Values.

### 9.4 Contractor Payment Request

**9.4.1** The Contractor may submit a Contractor Payment Request for Work performed based upon the Schedule of Values to the A/E each month or upon another interval approved by the Owner. When the rate of Work and amount involved is sufficient that it is considered appropriate by the Owner, the Contractor may submit Contractor Payment Requests twice a month.

**9.4.2** Subject to **Section 9.8**, the Owner shall pay an approved Contractor Payment Request within 30 days from the date the A/E recommends acceptance of the Contractor Payment Request.

**9.4.3** Notwithstanding any other provision of the Contract Documents, partial payments made pursuant to this **Section 9.4** constitutes neither acceptance of any Defective Work, nor a waiver of any rights set forth in the Contract Documents or otherwise provided by Applicable Law.

**9.4.4** The Owner may audit Contractor Payment Requests as described under **Section 7.8**.

## 9.5 Labor Payments

**9.5.1** Partial payments to the Contractor for labor performed under a lump sum Contract shall be made at the rate of 92 percent of the amount invoiced through the Contractor Payment Request that shows the Work is 50 percent complete.

**9.5.2** After the Work is 50 percent complete, as evidenced by payments of at least 50 percent of the Contract Sum including approved Change Orders to date, no additional funds shall be retained from payments for labor.

## 9.6 Material Payments

**9.6.1** The Owner shall pay the Contractor at the rate of 100 percent of the scheduled value for materials incorporated into the Project.

**9.6.2** The Owner shall pay the Contractor at the rate of 92 percent of the invoice cost, not to exceed the scheduled value in a lump sum Contract, for materials delivered to the Site. The Owner shall pay the balance of the scheduled value when the materials are incorporated into and become a part of the Project.

**9.6.3** When payment is allowed for materials delivered to the Site but not yet incorporated into the Project, the materials are the property of the Owner.

## 9.7 Retainage

**9.7.1** If the total Contract Sum is \$15,000 or more, when the Contract is 50 percent complete, as evidenced by payments in the amount of at least 50 percent of the total Contract Sum to the Contractor, all funds retained for the faithful performance of the Work, in accordance with **Section 9.5.1**, shall be deposited in an escrow account with a bank in the state in accordance with the terms and conditions provided in an escrow agreement executed by the Contractor, Owner, and applicable bank.

**9.7.2** When the Contractor has achieved Substantial Completion of all Work, and there is no other reason to retain funds; upon request of the Contractor, the funds retained in connection with that Work shall be released from escrow and paid to the Contractor, withholding only that amount necessary to assure faithful completion in the sole discretion of the Owner, including compliance with **Section 6.21.2**.

## 9.8 Payments Withheld

**9.8.1** The A/E may recommend to the Owner that payments be withheld from, or Liquidated Damages be assessed against, a Contractor Payment Request.

**9.8.2** The Owner may decline to approve any Contractor Payment Request or part thereof, or nullify any previous Contractor Payment Request, in whole or in part, to the extent necessary in the Owner's sole opinion to protect the Owner from loss because of: **(1)** Defective Work not remedied; **(2)** damage caused by the Contractor; **(3)** reasonable evidence that the Work cannot be completed for the unpaid balance of the Contract Sum; **(4)** reasonable evidence that the Work will not be completed within the Contract Time, and that the unpaid balance would not be adequate to cover damages under the Contract Documents for the anticipated delay; **(5)** failure to comply with Applicable Law including the requirements of ORC Chapter 4115; **(6)** failure to timely submit EDGE Participation Reports in accordance with **Section 1.6.2**; **(7)** failure to timely identify the Contractor's proposed Subcontractors in accordance with **Section 4.1.1**; **(8)** failure to timely approve a Construction Progress Schedule in accordance with **Section 6.5**; **(9)** failure to carry out the Work in accordance with the Contract Documents; or **(10)** that which is permitted under other provisions of the Contract Documents.

**9.8.3** If the Contractor remedies the basis for withholding payment under **Section 9.8.2** to the Owner's satisfaction, the Owner shall pay the amounts withheld.

## 9.9 Final Contractor Payment Request

**9.9.1** The Contractor, as a condition precedent to execution of the Certificate of Contract Completion and to final payment, shall complete all requirements of the Contract Documents.

**9.9.1.1** The Contractor and each of its Subcontractors, regardless of tier, shall execute a Payment Release Affidavit to certify that the Contractor and each of its Subcontractors, regardless of tier, have complied with all requirements of ORC Chapter 4115, and to certify that all of its Subcontractors have been paid in full for all Work performed or materials furnished for the Project.

**9.9.2** The Owner shall pay the final Contractor Payment Request within 30 days from the date the A/E recommends acceptance of the final Contractor Payment Request.

**9.9.3** Acceptance of final payment by the Contractor or a Subcontractor constitutes the payee's waiver of all claims against the State except those previously made in writing under **Article 8** and identified by that payee as unsettled at the time of the final Contractor Payment Request.

## **ARTICLE 10 - BONDS, INSURANCE, AND INDEMNIFICATION**

### **10.1 Payment and Performance Bonds**

**10.1.1** If the total Contract Sum is \$215,000 or more, the Contractor shall provide the Bond required under Applicable Law before signing the Agreement.

**10.1.2** The Contractor shall submit with the executed Bond **(1)** a certified copy of the authority to act (power of attorney) of the agent signing the Bond on behalf of the Surety and **(2)** a current and signed Certificate of Compliance under ORC Section 9.311 issued by the Ohio Department of Insurance showing the Surety is licensed to do business in Ohio.

**10.1.3** If the Contract Sum increases at any time such that it exceeds the penal sum of the Bond, the Contractor shall cause the penal sum of the Bond to be increased such that the penal sum equals one-hundred percent of the increased Contract Sum.

**10.1.4** Any time the Contractor increases the penal sum of the Bond under **Section 10.1.3**, the Contractor shall deliver to the Owner written consent of the affected Surety or Sureties confirming the increased penal sum. The Owner's receipt of that written consent is a condition precedent to the Owner's obligation to pay the Contractor for any portion of the Work associated with the increase.

**10.1.5** If notice of any change affecting the Contract is required by any Surety or by the provision of any Bond, the Contractor shall provide that notice.

### **10.2 Contractor's General Insurance Requirements**

**10.2.1** Throughout the performance of the Work or longer as may be described below, the Contractor shall obtain, pay for, and keep in force, the minimum insurance coverage described in this **Article 10**. Before starting the Work on the Site, upon renewal of any policy, and upon a change of any insurance carrier, the Contractor shall deliver to the Owner certificates evidencing that the required insurance is in force.

**10.2.2** With the exception of government-controlled workers compensation coverage: **(1)** the Contractor shall place the insurance with companies that **(a)** are satisfactory to the Owner, **(b)** hold an A.M. Best Rating of A-, X, or higher, and **(c)** are authorized to conduct business in Ohio; **(2)** the policies shall be endorsed to require the Contractor's insurance carrier to **(a)** provide 30-days' written notice to the Owner (as certificate holder) of the cancellation or non-renewal of the insurance and **(b)** provide at least 10-days' written notice to the Owner (as certificate holder) of the cancellation of the insurance for non-payment of premium; and **(3)** within 30 days of the Owner's request, the Contractor shall submit insurance-company certified copies of the policies, the policy endorsements, loss-run reports, or all three.

**10.2.3** The Contractor shall pay all deductibles, or self-insured retentions, or both contained in the Contractor's policies of insurance required or provided in connection with the Project. The Owner reserves the right to approve or reject all levels of self-insured retention, captive insurance programs, or other alternative risk financing the Contractor may use to comply with any insurance requirement.

**10.2.4** The Contractor shall pay a proportionate share of the deductibles, or self-insured retentions, or both contained in any insurance policy the Owner purchases for the Project. The Contractor's proportionate share will derive from the percentage of the associated claim or loss attributable to the alleged or actual negligence of the Contractor or a Subcontractor.

**10.2.5** The Owner does not represent that required coverage or limits are adequate to protect the Contractor.

**10.2.6** Failure of the Owner to demand a certificate or other evidence of full compliance with the insurance requirements or failure of the Owner to identify a deficiency from evidence that is provided shall not be construed as a waiver of the Contractor's obligation to maintain the required insurance.

**10.2.7** The Owner may terminate the Contract for cause on account of the Contractor's failure to maintain required insurance.

### **10.3 Contractor's Minimum Coverage Requirements**

**10.3.1** The Contractor shall maintain workers compensation coverage meeting the requirements of Applicable Law.

**10.3.2** The Contractor shall maintain employers liability coverage with **(1)** an each-accident limit of not less than \$1,000,000, **(2)** a disease each-employee limit of not less than \$1,000,000, and **(3)** a disease policy limit of not less than \$1,000,000.

**10.3.3** The Contractor shall maintain commercial general liability (“CGL”) coverage that provides **(1)** an each-occurrence limit of not less than \$1,000,000, **(2)** a general-aggregate limit of not less than \$2,000,000, and **(3)** a products and completed-operations aggregate limit of not less than \$2,000,000.

**10.3.4** The Contractor shall maintain business automobile (“BA”) coverage written on ISO form CA 00 01 10 01 or a substitute form, providing at least equivalent coverage with a limit of not less than \$1,000,000 each accident. The coverage shall extend to any auto. The Contractor shall include the State, Owner, and A/E as additional insureds under the BA policy.

**10.3.5** The Contractor may employ an umbrella/excess liability policy to achieve the above-required minimum coverage.

**10.3.6** If the Work includes environmentally sensitive, hazardous types of activities (such as demolition, exterior insulation finish systems, Asbestos abatement, storage-tank removal, or similar activities), or involves Hazardous Materials, the Contractor shall maintain a contractor’s pollution liability (“CPL”) policy with **(1)** a per-claim limit of not less than \$1,000,000 and **(2)** an annual-aggregate limit of not less than \$1,000,000, covering the acts, errors and/or omissions of the Contractor for damages (including from mold) sustained by the Owner by reason of the Contractor’s performance of the Work.

**10.3.7** The Owner will not insure or be liable for damage to any Contractor or Subcontractor owned, leased, rented, or borrowed tools, equipment, or vehicles. The Contractor and Subcontractors are solely responsible for maintaining all insurance necessary to cover their tools, equipment, and vehicles.

**10.3.8** For any demolition, blasting, excavating, tunneling, shoring, or similar operations, the Contractor shall provide and maintain Property Damage Liability insurance with a limit of liability equal to the limit as specified in the applicable sections of **Article 10**.

#### **10.4 Waivers of Subrogation**

**10.4.1** To the fullest extent permitted by Applicable Law, the Contractor waives all rights against the Owner and its agents and employees for damages to the extent covered by any insurance, except rights to the proceeds of that insurance. All policies shall accomplish the waiver of subrogation by endorsement or otherwise.

**10.4.2** The Owner and Contractor waive all rights against each other for damages caused by fire or other perils to the extent of actual recovery of any insurance proceeds under any property insurance, inland marine insurance, or builder’s risk insurance applicable to the Work.

#### **10.5 Indemnification for Injury or Damage**

**10.5.1** To the fullest extent permitted by Applicable Law, the Contractor shall indemnify, defend, and hold harmless the Indemnified Parties from and against all claims, costs, damages, losses, fines, penalties, and expenses (including all fees and charges of attorneys and other professionals, and all court, arbitration, or other dispute-resolution costs) arising out of or in connection with the Project, provided that any such claim, cost, damage, loss, fine, penalty, or expense is attributable to: **(1)** bodily injury, sickness, disease, or death, or to injury to or destruction of tangible property but only to the extent caused by the negligent acts, errors, or omissions of the Contractor or a person or entity for whom the Contractor may be liable; **(2)** infringement of patent rights or copyrights by the Contractor or a person or entity for whom the Contractor may be liable; or **(3)** a violation of Applicable Law but only to the extent attributable to the Contractor or a person or entity for whom the Contractor may be liable.

**10.5.2** The Contractor’s indemnification obligation under **Section 10.5** exists regardless of whether or not and the extent to which the claim, damage, loss, fine, penalty, or expense is caused in part by a party indemnified under **Section 10.5**. But nothing in **Section 10.5** obligates the Contractor to indemnify any individual or entity from and against the consequences of that individual’s or entity’s own negligence.

**10.5.3** The Contractor’s obligations under **Section 10.5** shall not extend to the liability of the A/E, A/E’s consultants, agents, representatives, or employees for negligent preparation or approval of Drawings, Specifications, Change Orders, opinions, and any other responsibility of the A/E, except to the extent covered by the Contractor’s insurance.

**10.5.4** In claims against an Indemnified Party by any direct or indirect employee (or the survivor or personal representative of that employee) of the Contractor or a person or entity for whom the Contractor may be liable, the indemnification obligation under **Section 10.5** will not be limited by a limitation on the amount or type of damages,

compensation, or benefits payable under workers' compensation acts, disability benefit acts, or other employee benefit acts.

**10.5.5** The Contractor's indemnification obligation under **Section 10.5** will not be limited by any insurance policy provided or required in connection with the Project.

**10.5.6** The Contractor's obligations under **Section 10.5** shall not negate, abridge, or reduce other rights or obligations of indemnity, which would otherwise exist as to an Indemnified Party.

**10.5.7** The Contractor's indemnification obligation under **Section 10.5** will survive termination of the Contract and Contract Completion.

**10.5.8** The Owner may deduct from the Contract Sum the claims, damages, losses, fines, penalties, and expenses for which the Contractor is liable under **Section 10.5**. If those claims, damages, losses, fines, penalties, and expenses exceed the unpaid balance of the Contract Sum, the Contractor shall immediately pay the difference to the Owner.

## ARTICLE 11 - SUSPENSION AND TERMINATION

### 11.1 Suspension of the Work

**11.1.1** The Owner, without cause and without prejudice to any other right or remedy it may have, may order the Contractor in writing to suspend, delay, or interrupt performance of the Work in whole or in part for such period as the Owner may determine.

**11.1.1.1** If the Owner suspends the Work under this **Section 11.1.1** and the Contractor complies with **Article 8**, the Contract Sum and Contract Time shall be adjusted for increases in the cost and time caused by the suspension, delay, or interruption. The adjustment of the Contract Sum, however, shall not include profit (a component of Contractor's Fee).

**11.1.1.2** Notwithstanding the foregoing, no adjustment shall be made to the Contract Sum or Contract Time to the extent that: **(1)** performance was, or could have been, suspended, delayed, or interrupted by a cause for which the Contractor is responsible; or **(2)** an equitable adjustment is made or denied under another provision of the Contract.

**11.1.1.3** If the Owner suspends the Work under this **Section 11.1.1** and the Contractor submits a proper Contractor Payment Request, subject to all other provisions of the Contract Documents, the Contractor shall be entitled to payment of compensation due under the Contract Documents for Work performed before the suspension based upon the Schedule of Values, other appropriate reference documents, or both.

**11.1.2** Upon receipt of notice of suspension under this **Section 11.1**, the Contractor shall cease Work on the suspended activities and take all necessary or appropriate steps to limit disbursements and minimize respective costs. The Contractor shall furnish a report to the Owner, within 5 days of receiving the notice of suspension, describing the status of the Work, including results accomplished, resulting conclusions, and other information as the Owner may require.

**11.1.3** The Owner's right to stop the Work shall not give rise to any duty to exercise the right for the benefit of the Contractor or any other party, and the Owner's exercise or failure to exercise the right shall not prejudice any of the Owner's other rights.

### 11.2 Termination for Convenience

**11.2.1** The Owner may, at any time, terminate the Contract in whole or in part for the Owner's convenience and without cause, at any time upon 10 days' written notice to the Contractor.

**11.2.2** Upon receipt of the notice of termination, the Contractor shall immediately proceed with performance of the following duties in accordance with instructions from the Owner: **(1)** cease operation as specified in the notice; **(2)** place no further orders and enter into no further subcontracts for materials, labor, services, or facilities, except as necessary to complete continued portions of the Project; **(3)** terminate all subcontracts and orders to the extent they relate to the Work terminated; **(4)** proceed with Work not terminated; and **(5)** take actions that may be necessary, or that the Owner may direct, for the protection and preservation of the terminated Work.

**11.2.3** Upon termination, the Owner shall pay the Contractor in accordance with the Schedule of Values for Work completed, including any retained funds, and the value of materials ordered and delivered, less any salvage credit the Contractor may receive for them.

**11.2.4** If the Owner terminates the Work under this **Section 11.2**, the termination shall not affect the rights or remedies of the State against the Contractor then existing or which may thereafter accrue.

**11.2.5** Notwithstanding **Section 11.2.3**, if the Owner terminates the Work under this **Section 11.2**, but there exists an event of the Contractor's default, the Contractor shall be entitled to receive only such amounts as it would be entitled to receive following the occurrence of an event of default as provided in **Section 11.3**.

### **11.3 Termination for Cause**

**11.3.1** The Owner may terminate all or a portion of the Contract if the Contractor commits a material breach of the Contract including but not limited to: **(1)** failure to prosecute the Work with the necessary force or in a timely manner; **(2)** refusal to remedy Defective Work; **(3)** failure to supply enough properly skilled workers or proper materials; **(4)** failure to properly make payment to Subcontractors or Consultants; **(5)** performance of any services outside of the United States; **(6)** permitting its Subcontractors or Consultants to perform any services outside of the United States; or **(7)** disregarding laws, ordinances, or rules, regulations, or orders of a public authority with jurisdiction over the Project.

**11.3.2** If the Owner intends to exercise its termination rights under this **Section 11.3**, the Owner shall issue not less than 5 days' written notice to the Contractor and the Contractor's Surety in accordance with ORC Section 153.17 ("5-Day Notice").

**11.3.2.1** Notwithstanding any provision of the Contract to the contrary **(1)** the issuance of a 72-Hour Notice under **Section 6.19.1** is not a condition precedent to the Owner's exercise of its rights under **Section 11.3** and **(2)** the Owner's decision to not issue a 72-Hour Notice under **Section 6.19.1** will not prejudice the Owner's rights under **Section 11.3**.

**11.3.3** If the Contractor fails to satisfy the requirements set forth in the 5-Day Notice within 15 days of receipt of the 5-Day Notice, the Owner may declare the Contractor in default, terminate the Contract, and employ upon the Work the additional force or supply materials or either as appropriate, and remove Defective Work.

**11.3.4** If the Contract is terminated, the Contractor's Surety may perform the Contract. If the Contractor's Surety does not commence performance of the Contract within 10 days of the date of Contract termination, the Owner may complete the Work by means the Owner determines appropriate. The Owner may take possession of and use all materials, facilities, and equipment at the Site or stored off-site, for which the State has paid.

**11.3.5** If the Contract is terminated, the Contractor shall not be entitled to further payment. If the unpaid balance of the Contract Sum is exceeded by the costs of finishing the Work, including without limitation the fees and charges of engineers, architects, attorneys, and other professionals and court costs, and other damages incurred by the Owner and not expressly waived, the Contractor or Surety shall immediately pay the amount of the insufficiency to the Owner. This obligation for payment shall survive termination of the Contract.

**11.3.6** If the Contractor's Surety performs the Work, the provisions of the Contract Documents govern the Surety's performance, with the Surety in place of the Contractor in all provisions including, but not limited to, provisions for payment for the Work, and provisions of the right of the Owner to complete the Work.

**11.3.7** If the Owner terminates the Contract under this **Section 11.3**, the termination shall not affect any rights or remedies of the State against the Contractor then existing or which may thereafter accrue. The Owner's retention or payment of funds due the Contractor shall not release the Contractor or the Contractor's Surety from liability for performance of the Work in accordance with the requirements of the Contract Documents.

**11.3.8** If the Owner is adjudged to have improperly terminated the Contract under this **Section 11.3**, the termination will be deemed to have been a termination under **Section 11.2**.

### **11.4 Contractor Insolvency**

**11.4.1** If the Contractor files a voluntary petition in bankruptcy or has an involuntary petition in bankruptcy filed against it, the Contractor, the Contractor as the debtor-in-possession, or the trustee of the Contractor's bankruptcy estate shall file a motion to assume or reject the Contract under Bankruptcy Code §365, 11 U.S.C. §365, within 20 days after the filing of the voluntary petition or involuntary petition and shall diligently prosecute that motion to conclusion so as to obtain an order granting or denying that motion within 45 days after the filing of the voluntary or involuntary petition. The failure to file and prosecute that motion within the time limits provided by this **Section 11.4** shall constitute a material breach of the Contract as time is of the essence with respect to Contractor's performance of all terms of this Contract. The Contractor agrees to the granting of relief from the automatic stay of the Bankruptcy Code, 11 U.S.C. §362(a), to permit the Owner to terminate the Contract in such instance and issue and serve all notices necessary to terminate the Contract or arising out of the termination of the Contract and to take any and all other action necessary to terminate the Contract.

**11.4.2** If the Contractor makes a general assignment for the benefit of creditors or if a receiver is appointed for all or a substantial part of the Contractor's business or property, the Owner shall serve written notice on the Contractor and Contractor's Surety stating that any failure of the Contractor to provide adequate assurance of continued performance shall be considered a rejection of the Contract, which shall result in termination of the Contract. Such termination of the Contract need not be evidenced by an order of any court.

## **ARTICLE 12 - GENERAL PROVISIONS**

### **12.1 Contractor's Documents and Contract Documents**

**12.1.1** The Owner alone owns the Contractor's Documents and the Contract Documents and every right, title, and interest therein. The Contractor must execute and deliver and cause its employees and agents and all Subcontractors and Consultants to execute and deliver, to the Owner any transfers, assignments, documents, or other instruments (if any) necessary to vest in the Owner complete right, title, interest in and ownership of the Contractor's Documents and the Contract Documents.

**12.1.5** The Drawings govern dimensions, details, and locations of the Work. The Specifications govern quality of materials and workmanship.

**12.1.6** The organization of the Specifications in divisions, sections, and articles, and the arrangement of Drawings shall not restrict the Contractor in dividing the Work among Subcontractors or in establishing the extent of Work to be performed by any trade.

**12.1.7** In the event of inconsistency or conflict within the Contract Documents, the Contractor shall provide the better quality or greater quantity of Work, and comply with the stricter requirement.

**12.1.8** Unless otherwise defined in the Contract Documents, words that have well-known technical or construction industry meanings are used in accordance with those recognized meanings.

**12.1.9** The Sections of Division 01 - "General Requirements" govern the performance of the Work of all Sections of the Specifications.

### **12.2 Application and Governing Law**

**12.2.1** The Contract and the rights of the parties thereunder shall be governed by the laws of the state of Ohio and only Ohio courts shall have jurisdiction over any action or proceeding concerning the Contract and/or performance thereunder. The Contractor irrevocably consents to such jurisdiction. The parties to the Contract shall comply with Applicable Law. Other rights and responsibilities of the Contractor, A/E, and Owner are set forth throughout the Contract Documents and included under different titles, articles, and paragraphs for convenience.

### **12.3 Conditions of the Contract**

**12.3.1** These General Conditions govern, take precedence over, and shall not be superseded or amended by Drawings and Specifications, unless so provided in Supplementary Conditions prepared by the Owner and approved by the Ohio Facilities Construction Commission.

### **12.4 Notice of Commencement.**

**12.4.1** The Owner shall prepare a Notice of Commencement and make it available as required under ORC Section 1311.252. Upon request, the Owner or Contractor shall furnish the Notice of Commencement to Subcontractors or any other member of the public.

**12.5.1** Notice under the Contract Documents shall be validly given if: **(1)** delivered personally to a member of the organization for whom the notice is intended; **(2)** delivered, or sent by registered or certified mail, to the last known business address of the organization; or **(3)** sent by facsimile, email, or web-based project management software, provided the original, signed document is delivered within 3 business days after the date of the electronic transmission.

**12.5.2** When the Owner, A/E, or Contractor gives notice to one of the other 2, it shall also simultaneously send a copy of that notice to the others.

**12.5.3** In the event of an emergency involving the Project, including a fatality, serious injury, fire, collapse, flood, utility, or power loss to occupied facilities, explosion, or environmental damage, the Contractor shall immediately notify the A/E and Owner by telephone.

**12.5.4** The Owner, A/E, or Contractor may, by written notice given hereunder, designate addresses, telephone numbers, email addresses, or facsimile numbers to which notices, certificates, requests, or communications shall be sent.

## **12.6 Taxes**

**12.6.1** Only those materials that ultimately become a part of the completed structure or improvement that constitutes the Project shall be exempt from state sales tax and state use tax. The purchase, lease, or rental of material, equipment, parts, or expendable items as concrete form lumber, tools, oils, greases, and fuels, which are used in connection with the Work, are subject to the application of state sales tax and state use tax.

## **12.7 Computing Time**

**12.7.1** When the Contract Documents refer to a period of time by a number of days, the period shall be computed to exclude the first and include the last day of the period. If the last day of the period falls on a Saturday, Sunday, or a legal holiday, that day shall be omitted from the computation and the period shall end on the next succeeding day that is not a Saturday, Sunday, or legal holiday.

**12.7.2** Except as excluded under **Section 12.7.1**, the Contract Time and all other periods referred to in the Contract Documents includes Saturdays, Sundays, and legal holidays.

**12.7.3** The standard workdays for State projects are Monday through Friday, excluding legal holidays.

## **12.8 Time of the Essence**

**12.8.1** Time limits stated in the Contract Documents are of the essence of the Contract and all obligations under the Contract. By signing the Agreement, the Contractor acknowledges that the Contract Time is reasonable, taking into consideration the usual weather and other conditions prevailing in the locality of the Project. By signing the Construction Schedule, the Contractor acknowledges that the specified Milestone dates are reasonable, taking into consideration the usual weather and other conditions prevailing in the locality of the Project.

**12.8.2** The Contractor acknowledges that it may be subject to interference, disruption, hindrance, or delay in the progress of the Work from any cause. The sole remedy for such interference, disruption, hindrance, or delay shall be an extension of the Contract Time under **Article 8**, unless otherwise required by ORC Section 4113.62.

## **12.9 Successors and Assigns**

**12.9.1** The Owner and Contractor each bind themselves, their successors, assigns, and legal representatives, to the other party to this Contract and to the successors, assigns, and legal representatives of the other party with respect to all terms of this Contract. The Contractor shall not assign, or transfer any right, title, or interest in this Contract without the Owner's prior written consent.

## **12.10 Extent of Contract**

**12.10.1** The Contract Documents represent the entire and integrated agreement between the Owner and Contractor and supersede all prior negotiations, representations, or agreements, either written or oral.

**12.10.2** This Contract may be executed in any number of counterparts, each of which shall be regarded as an original and all of which shall constitute but one and the same instrument.

**12.10.3** The captions and headings in this Contract are for convenience only and in no way define, limit, or describe the scope or intent of any provisions or sections hereof.

**12.10.4** If there are any inconsistencies between the provisions of the Contract Documents and the provisions of the Contract, the provisions of this Contract shall prevail.

## **12.11 Severability**

**12.11.1** If any term or provision of this Contract or the application thereof to any Person or circumstance, is finally determined to be invalid or unenforceable by a court of competent jurisdiction, the remainder of this Contract or the

application of such term or provision to other Persons or circumstances, shall not be affected thereby, and each term and provision of this Contract shall be valid and enforced to the fullest extent permitted by Applicable Law.

### **12.12 Electronic and Facsimile Signatures**

**12.12.1** Any party hereto may deliver a copy of its counterpart signature page to this Contract via electronic signature software, fax, e-mail, or web-based project management software. Each party hereto shall be entitled to rely upon an electronic, scanned, or facsimile signature of any other party delivered in such a manner as if such signature were an original.

### **12.13 No Third-Party Interest**

**12.13.1** No person or entity, other than the Owner and Contractor, will have any right or interest under the Contract, and the Contract does not create a contractual relationship of any kind between any people or entities other than the Owner and Contractor.
