Below are the questions that have been received to date for the RFQ of the above-referenced project:

1. Would you please describe the “signage/graphic design” scope for this project?
 - A. Do not anticipate there will be a lot of signage/graphic design beyond the College’s normal room signage (which generally follows the OSU Building Design Standards). The College may have some specialty graphics for the Gateway area and perhaps some donor recognition graphics (TBD through the design process).
