Below are the questions that have been received to date for the RFQ of the above-referenced project:

1. In Item H, "Additional Service Providers Required," does "environmental testing and analysis" refer to site/geotechnical testing, or hazardous materials?
 - A. We anticipate a potential need for both site/geotechnical testing and for hazardous materials.
2. Are you looking for respondents to identify what firms would perform all of the items listed under "Section H., Additional Service Providers Required" at this stage?
 - A. The 330 will be reviewed and scored based on the Rating Form attached to the Request for Qualifications. Clear and concise information provided by the A/E to assist the reviewer in scoring is always appreciated.
3. Is the minimum 24 hours per week on-site CA services combined total for the Architect and all consultants?
 - A. Yes
4. Could you please explain what is meant by Relevant Project Experience Matrix item 8. Experience coordinating with Industrial Compliance and Adjudication hearings?
 - A. Matrix item 8 refers to common interactions with the State of Ohio, Department of Commerce, Division of Industrial Compliance (preliminary plan review meetings, acquiring plan approvals, etc.) as well as assisting/representing State Agency Owners in the adjudication process when code related variances might be required.
