Project Name Lake Hope Dam Rehabilitation Project Number DNR-190065
Project Location Lake Hope State Park

Date posted: 3/19/2019

Below are the questions that have been received to date for the RFQ of the above-referenced project:

1. Can prospective consultants review the assessment report that is discussed in the RFQ? If so, can it be made available electronically? *(Previously answered on 3/4/2019)*
 - A. Selected draft or final reports and investigations for this project may be provided to shortlisted firms by ODNR. For the purposes of providing a statement of qualifications, the detailed information provided in these documents is not necessary. Please refer to the project description for information regarding the scope of this project.
2. Can you tell me how this project ultimately be delivered (construction contract method), please? *(Previously answered on 3/4/2019)*
 - A. The delivery method for this project will be General Contracting.
3. Item D indicates one month from Construction Notice to Proceed to Substantial Completion of all Work. This seems to indicate that construction will take one month. Would you please clarify the schedule?
 - A. See Addendum 1.
4. The Proposer (Lead Firm) is an EDGE-certified business. Does this satisfy the EDGE participation goal, or do we also need to include an EDGE-certified Consultant [regarding EDGE participation scoring 3.b]?
 - A. See the Professional Services Selection Rating Rubric (F199-01-RFQRubric): *"Participation must be comprised of consulting firm(s) and NOT the lead firm."*

Questions will continue to be accepted through March 18th, with answers to be provided by March 20th.
